The Financial Report, Directors' Report and the Independent Auditor's Report for the financial year ended 30 June 2010 will be laid before the Meeting.

Following the consideration of the Reports, the Chairman will give Shareholders a reasonable opportunity to ask questions about or comment on the management of the Company.

The Chairman will also give Shareholders a reasonable opportunity to ask the Auditor questions relevant to:

The Chairman will also give the Auditor a reasonable opportunity to answer written questions submitted by Shareholders that are relevant to the content of the Independent Auditor's Report or the conduct of the audit. A list of written questions, if any, submitted by Shareholders will be made available at the start of the Meeting and any written answer tabled by the Auditor at the Meeting will be made available as soon as practicable after the Meeting.

## Item 2: Remuneration Report

Section 250R(2) of the Corporations Act requires the shareholders to vote on an advisory resolution that the Remuneration Report be adopted.

The Remuneration Report:

- explains Rubicor's remuneration policy and the correlation between the remuneration of employees and Rubicor's performance;
- reports the remuneration arrangements for Directors, Key Management Personnel and other Executives; and
- makes clear that the basis for remunerating Non-Executive Directors is distinct from the basis for remunerating Executives, including Executive Directors.

The Report is available from page 21 in the Company's 2010 Annual Report which is available on the Company's website ([www.rubicorgroup.com.au](http://www.rubicorgroup.com.au)) under Investor Information" then "Annual Reports".

*The Directors unanimously recommend that Shareholders vote in favour of this Resolution.*

## Item 3: Amendments to Constitution

### (a) Replacement of clause 29.3

New dividend laws came into effect on 28 June 2010 under the Corporations Act which apply to all Australian incorporated companies. The previous law which required dividends to be only paid from profits (**Profits Test**) has been abolished.

This has now been replaced with a three tiered solvency test which requires:

- the Company's assets to exceed its liabilities immediately before the dividend is declared and the excess to be sufficient for the payment of the dividend (Net Asset Test); and
- the payment of the dividend to be fair and reasonable to the Company's shareholders as a whole (Fair and Reasonable Test); and
- the payment of the dividend to not materially prejudice the Company's ability to pay its creditors (No Material Prejudice Test).

Although the Profits Test has been abolished under the Corporations Act, the Company may not be able to take advantage of the new dividend requirements because it would still be constrained by the Profit Test restriction contained in clause 29.3 of the Company's Constitution. The Directors believe it is in the interests of the Company and its shareholders to have the flexibility to be able to take advantage of new dividend requirements.

Therefore it is proposed that the clause 29.3 of the Constitution of Rubicor Group Limited be amended as follows:

### ~~Dividends only payable out of profits~~

### ~~Circumstances in which a dividend may be paid~~

- 29.3 ~~No dividend is payable except out of the Company's profits. The declaration of the Directors as to the amount of the Company's profits is conclusive. Dividends of the Company may be paid in accordance with the Corporations Act 2001 (Cth).~~

Shareholder approval of Resolution 3 will allow the Company to pay a dividend subject to satisfying the three tiered test set out above, without the requirement for the Company to pay a dividend only out of profits.

When considering the payment of dividends in the future, the Directors will still consider a number of factors in addition to the new dividend tests referred to above, including the operating results, financial position, franking credit position, available cash flows and future capital requirements of the Company.

**(b) Amendment to clause 29.4**

Clause 29.1 of the Company's Constitution enables the Directors to determine that a dividend is payable or to declare dividends.

Clause 29.4 of the Company's Constitution currently outlines a number of circumstances applicable where Directors *declare* a dividend, such as the distribution of specific assets and directing that the dividend be payable to particular members (to the extent permitted by law). In order to extend the application of that clause to the determination of dividends, it is proposed that clause 29.4 of the Company's Constitution be amended so that the words "determining or" are inserted before "declaring a dividend".

The distinction between the declaration and determination of a dividend in the Company's Constitution is the result of the Corporations Act. Section 254V of the Corporations Act distinguishes between determining a dividend and declaring a dividend, in that if the Company declares a dividend, the Company incurs a debt when the dividend is declared. However, if the Company determines the amount, and time, of payment of a dividend, the debt arises only when the time fixed for payment arrives, since the decision to pay the dividend may be revoked at any time before then.

The Directors believe that just as clause 29.1 increases the Company's flexibility in relation to dividends, clause 29.4 should have the same flexibility.

**(c) Voting Requirements**

Section 136(2) of the Corporations Act requires that an amendment to the constitution of a company be approved by a special resolution of the shareholders of the company. For a special resolution to be passed, at least 75% of the votes cast by shareholders entitled to vote on Resolution 3 must be in favour of the resolution.

*The Directors unanimously recommend that Shareholders vote in favour of this Resolution.*

**Item 4: Reinstatement of proportional takeover provision in Constitution**

Under the Corporations Act, a company may include in its constitution a provision to enable the company to refuse to register shares acquired under a proportional takeover bid unless a resolution is passed by shareholders in a general meeting approving the offer.

The Company's Constitution adopted before the Company's listing on ASX contained a proportional takeover provision in clause 13 "Proportional Takeover Bids". However that provision automatically ceased to have effect three years after the date of its adoption. The provision is designed to assist shareholders to receive proper value for their shares if a proportional takeover bid is made for the Company. Accordingly, the Directors consider that it is in the best interests of Shareholders to reinstate that provision into the Company's Constitution. If the proposed resolution in Item 4 is passed, the proportional takeover provision (on the same terms as clause 13 of the Company's current Constitution) will be reinstated for a period of three years from the time the resolution is passed.

The Corporations Act requires that the following information be provided to shareholders when they are considering the inclusion of a proportional takeover provision in a company's constitution.

*Effect of proposed provision*

The effect of clause 13 is that if a proportional takeover bid is made to shareholders, the Directors are obliged to convene a meeting of shareholders to be held before the 14<sup>th</sup> day before the last day of the bid period (**approving resolution deadline**). The purpose of the meeting is to vote upon a resolution to approve the proportional takeover bid. For the resolution to be approved, more than 50 per cent of the votes must be cast in favour of the resolution. The bidder and its associates are not entitled to vote on the resolution. Each other person who, as at the end of the day on which the first offer under the proportional takeover bid was made, held bid class shares, is entitled to vote on the resolution.

If no such resolution is voted on before the approving resolution deadline, the resolution is deemed to have been approved. This, in effect, means that shareholders as a body may only prohibit a proportional takeover bid by rejecting such a resolution.

If the resolution is approved or deemed to have been approved, transfers of shares under the proportional takeover bid (provided they are in all other respects in order for registration) must be registered.

If the resolution to approve the bid is voted on before the approving resolution deadline and is rejected, registration of any transfer of shares resulting from that proportional takeover bid are prohibited and the offer is deemed by the Corporations Act to have been withdrawn. If the bid is approved (or taken to be have been approved) the transfers must be registered if they comply with the Corporations Act and the Company's Constitution.

The renewed clause 13 will expire three years after its adoption unless renewed by a further special resolution of shareholders.

A proportional takeover provision does not apply to full takeover bids.

*Reasons for proposing the resolution*

Without the proportional takeover provision, a proportional takeover bid may enable control of the Company to pass without shareholders having the opportunity to sell all of their shares to the bidder. Shareholders may be exposed to the risk of being left as minority shareholders in the Company and of the bidder being able to acquire control of the Company without payment of an adequate control premium for their shares.

The proposed proportional takeover provision lessens this risk because it allows shareholders to decide whether a proportional takeover bid is acceptable (in principle) and should be permitted to proceed.

*No knowledge of any acquisition proposals*

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

*Potential advantages and disadvantages for the Directors and shareholders*

While the reinstatement of clause 13 will allow Directors to ascertain the view of shareholders on any proportional takeover bid, it does not otherwise offer any advantage or disadvantage to the Directors who remain free to make their own recommendations as to whether the bid should be accepted.

The Directors consider that it is a potential advantage to all shareholders that they have the opportunity to consider and vote on any proposed proportional takeover bid at a general meeting. For a proportional takeover bid to be approved, it must be approved by more than half of the shares voted at the meeting excluding the shares of the bidder and its associates. This may assist to ensure a potential bidder formulates its offer in a way that would be attractive to a majority of shareholders, including appropriate pricing. It may also have the effect of not allowing control of the Company to pass without payment of a control premium.

As to the possible disadvantages of clause 13, it may be perceived that the provision may impose a hurdle on the success of, and may discourage the making of, proportional takeover bids for shares in the Company. This may be thought to potentially remove or reduce any speculative element of the market price of the Company's shares arising from the possibility of a proportional takeover bid and reduce opportunities for shareholders to sell some of their shares at a premium. The presence of clause 13 may also be considered an additional restriction on the ability of individual shareholders to deal freely with their shares.

During the period in which the previous proportional takeover provision was in effect, the advantages and disadvantages outlined above have applied.

The Board considers that the potential advantages for shareholders of the proportional takeover bid provision outweigh the potential disadvantages.

#### **Item 5: Re-election of Robert (Rob) Aitken**

The ASX Listing Rules require that the Company hold an election of Directors at least once per year. The Company's Constitution requires that a Director, excluding the Managing Director, must retire each year. The retiring Director is then eligible to offer themselves for re-election by shareholders.

Rob was re-elected as Director at the 2007 Annual General Meeting. Pursuant to clause 20.1 of the Company's Constitution, Rob will retire by rotation at the Meeting – but will remain acting as a Director during the Meeting, and being eligible, offers himself for re-election as a Director at the Meeting. Rob brings to the Board extensive commercial and non-executive director experience.

Rob is a Non-Executive Director of the Company and a member of the Audit and Risk Management Committee and Chair of the Remuneration and Human Resources Committee and a member of the Nomination and Corporate Governance Committee. Rob was Chairman of the Company until his retirement from the position on 1 April 2010. Rob joined the Company in May 2005.

Rob has over 25 years experience in senior international management roles. Throughout his career, Rob has worked across the manufacturing, industrial marketing and distribution business sectors including roles as Executive General Manager Southcorp Limited and President Formica Corporation, USA. Rob is also currently a Director of Alesco Corporation Limited, and Chairman of Nuplex Industries Limited.

*The Directors, with Robert Aitken abstaining, unanimously recommend that Shareholders vote in favour of this Resolution.*

#### **Item 6: Re-election of Russel Pillemer**

The ASX Listing Rules require that the Company hold an election of Directors at least once per year. The Company's Constitution requires that a Director, excluding the Managing Director, must retire each year. The retiring Director is then eligible to offer themselves for re-election by shareholders.

Russel was re-elected as Director at the 2007 Annual General Meeting. Pursuant to clause 20.1 of the Company's Constitution, Russel will retire by rotation at the Meeting – but will remain acting as a Director during the Meeting, and being eligible, offers himself for re-election as a Director at the Meeting. Russel brings to the Board extensive commercial and financial markets experience.

Russel is a Non-Executive Director of the Company and is the Chair of the Audit and Risk Management Committee. He was one of the initial founders and sponsors of Rubicor.

He is CEO and a Director of Pengana Capital Limited.

Russel has 16 years experience in the investment banking industry. In 1994 he joined Goldman Sachs & Co, where he had responsibility for leading the financial institutions effort in Australia. In 1999 he relocated to New York working in the Financial Institutions Group for Goldman Sachs & Co, specialising in mergers and acquisitions, capital raisings and the provision of general strategic advice to asset managers until 2002. Previously, Russel worked in the Corporate Finance Division of Ernst & Young. He is a member of the Institute of Chartered Accountants in Australia.

*The Directors, with Russel Pillemer abstaining, unanimously recommend that Shareholders vote in favour of this Resolution.*

#### **Item 7: Approval of the Employee Share Option Plan**

In February 2006 (and as amended on 24 April 2007), the Board of the Company established an Employee Share Option Plan (**ESOP**) to attract, retain and motivate eligible employees by offering them an opportunity to participate in the Company's future performance through awards of Options.

The ESOP had been designed to provide specific recognition to employees whose ongoing commitment contributes to the long term success of the Company. The award of options to acquire ordinary shares in the capital of the Company (**Options**) gives eligible employees the opportunity to become shareholders in the Company and acknowledges and rewards those employees' contributions to the Company.

Since the establishment of the ESOP, the Company has granted 2,805,427 Options under the ESOP.

#### **Summary of key terms of ESOP**

##### *Participants in the Plan*

- The Board may award Options (**Award**) to any full-time or permanent part-time employee or Director of the Company or a subsidiary of the Company (**Eligible Employees**), in the form of an "Award Invitation" at the discretion of the Board.

##### *Terms of Options*

- An Award Invitation need not be the same for each Eligible Employee.

- The Board may make an Award to any Eligible Employee (or is or her nominees, as approved by the Board) on receipt of an acceptance of an Award Invitation in a form approved by the Board.
- Awards will generally be made for no more than nominal consideration.
- In issuing Award Invitations, the Board may determine, in relation to each Award Invitation:
  - the number of Options to be awarded to any Eligible Employees;
  - the dates on which the Options are to be granted (as stated in the Award Invitation);
  - the exercise price of an Option;
  - the period during which the Options may be exercised; and
  - and all other terms and conditions of the Award (including any performance conditions applicable to the Award).
- An Option may only be exercised at or during the time determined by the Board, as set out in the relevant Award Invitation (which may be at one time, from time to time, periodically or otherwise). The Options will vest and become exercisable upon satisfaction of the conditions specified in the Award Invitation and in accordance with the ESOP.
- Ordinary shares issued on the exercise of an Option entitle its holder to be issued fully paid ordinary shares (**Shares**).
- If a Participant who receives Options under the ESOP suffers a change of control or ownership, then the Board may require that the Option be immediately transferred to a person determined by the Board.

#### *Limit of Options*

- The Board may issue up to \$1,000 worth of Shares to each or any Eligible Employee for no consideration up to two times per calendar year (**Gift**).
- The maximum number of Options that may be granted under an Award Invitation or Gift offer at any one time (as calculated in accordance with the ESOP), must not exceed 5% of the Company's issued share capital.
- An Option under the ESOP expires on the earlier of:
  - the expiration date specified by the Board in the Award Invitation;
  - the date on which any conditions relating to the exercise of the Option can no longer be satisfied; and
  - the date that the holder of the Option ceases to be an Eligible Employee for any reason, and unless the Option has already been exercised or lapsed, the Option will automatically lapse on the expiration date.
- Unless otherwise permitted by the ASX Listing Rules, the number of Shares which a person who accepts an Award Invitation under the ESOP (**Participant**) is entitled to receive on exercise of an Option will only be adjusted in accordance with the ESOP.
- Shares allotted upon exercise of the Options will rank equally with the Company's other ordinary shares, and the Company will apply for quotation of those Shares.
- No dividends or other distribution will accrue or be paid in respect of the Options.

- Subject to the relevant Award Invitation, Options granted under the ESOP and any interest in those Awards or Options, are not transferable or assignable by the Participant (and no security interest may be granted over any Award or Option) otherwise than as determined by the Board.

#### *Future issues of Shares*

- A Participant under the ESOP will not be entitled to participate in new issues of Shares made by the Company to holders of its Shares without exercising the Option before the record date for determining entitlements to the relevant share issue.
- If, prior to the exercise of an Option, the Company makes a bonus issue to holders of its Shares and an Option is not exercised prior to the record date for determining entitlements to that bonus issue, the Option will, when exercised, entitle the Participant to one Share plus the number of bonus Shares which would have been issued to the Participant if the Option had been exercised prior to the relevant record date.

#### *Reorganisation of capital*

- If, prior to the exercise of an Option, the Company undergoes a reorganisation of capital (other than by way of a bonus issue or issue for cash), the terms of the Options of the Participant will be amended to the extent necessary to comply with the ASX Listing Rules as they apply at the relevant time.

#### *Takeover bid*

- If a takeover bid is made to acquire all of the issued Shares of the Company, or a scheme of arrangement, selective capital reduction or other transaction is initiated which has an effect similar to a full takeover bid for all of the issued Shares in the Company, then each Participant is entitled to accept the takeover bid or participate in the other transaction in respect of all or part of their Options. The Board may, in its discretion, waive unsatisfied conditions relating to some or all of the Options in the event of such a takeover or other similar transaction.

#### *Termination or amendment of ESOP*

- The Board may at any time terminate or amend the ESOP, in accordance with applicable laws and the ASX Listing Rules.

The full Terms and Conditions of the ESOP are available on the website of the Company ([www.rubicorgroup.com.au](http://www.rubicorgroup.com.au)), under “About Us” then “Corporate Governance”.

### **Corporations Act Requirements**

Section 260A of the Corporations Act provides that a company may financially assist a person to acquire shares (or units in shares) in the company or a holding company of the company only if:

- giving the assistance does not materially prejudice the interests of the company or its shareholders or the company's ability to pay its creditors;
- the assistance is approved by shareholders under section 260B; or
- the assistance is exempted under section 260C.

Section 260C(4) of the Corporations Act, provides that financial assistance is exempted from section 260A if it is given under an employee share scheme that has been approved by a resolution passed at a general meeting of the company adopting the employee share scheme. The definition of "employee share scheme" in section 9 of the Corporations Act extends to include a scheme such as the ESOP.

Resolution 7, if passed, will allow options to be granted (and shares to be issued on exercise of those options) under the ESOP for three years after the date of the general meeting without the requirement to obtain shareholder approval for the giving of financial assistance. In this context, the "financial assistance" under the ESOP is the granting of options for nil consideration to an eligible employee of the Company to obtain shares in the Company.

### **ASX Listing Rules Requirements**

Pursuant to ASX Listing Rule 7.1, a listed company is generally prevented from issuing more securities (including shares and options) than would equate to (when all other securities are aggregated) 15% of its share capital in any twelve month period, without first obtaining shareholder approval.

Under Exception 9(b) of ASX Listing Rule 7.2, an issue of securities under an employee incentive scheme is an exception to Listing Rule 7.1 if, within three years before the date of the issue, holders of ordinary securities have approved the issue of shares as an exception to Listing Rule 7.1.

If approved, any Options issued under the ESOP in the three years following the Meeting will not reduce the Company's capacity to issue further securities under ASX Listing Rule 7.1. Resolution 7 is being put to shareholders for this purpose and will allow the Company to utilise ASX Listing Rule 7.2 (Exception 9(b)) for three years from the date that Resolution 7 is passed.

Prior specific shareholder approval will be required before any Director or a related party of the Company can participate in the ESOP, pursuant to ASX Listing Rule 10.14.

A Voting Exclusion Statement is set out under the Resolution in the Notice of Meeting.

*The Directors unanimously recommend that Shareholders vote in favour of this Resolution.*
