This Appendix II serves as an explanatory statement required to be given to the Shareholders pursuant to Rule 10.06(1)(b) of the Listing Rules in connection with the Repurchase Mandate. The purpose of this explanatory statement is to provide the Shareholders with all the information reasonably necessary for making an informed decision as to whether to pass the resolution approving the Repurchase Mandate.

1. THE LISTING RULES

The Listing Rules permit a company with a primary listing on the Stock Exchange to repurchase its own securities on the Stock Exchange subject to certain restrictions, the more important of which are summarised below:

(a) Shareholders' approval

All proposed repurchase of securities (which must be fully paid up in the case of shares), by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate or by specific approval of a particular transaction.

(b) Source of funds

Repurchases must be funded out of funds legally available for the purpose. A company may not repurchase its own shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

Under the laws of the Cayman Islands, any repurchases by the Company may be made out of profits of the Company or out of the proceeds of a fresh issue of shares made for the purposes of the repurchase or, under certain circumstances, out of capital. Any premium payable on a repurchase must be made out of the profits of the Company or out of the Company's share premium account before or at the time the shares are purchased or, under certain circumstances, out of capital. If payment is made out of capital, the Company must be able to pay its debts as they fall due in the ordinary course of business.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 400,000,000 Shares. Exercise in full of the Repurchase Mandate (10% of the issued share capital of the Company), on the basis that no further Shares are issued prior to the date of the AGM, could accordingly result in up to 40,000,000 Shares being repurchased by the Company during the course of the period ending on the earlier to occur of the date of the Annual General Meeting in 2008 or the date upon which such authority is revoked or varied.

3. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders for the Directors to have general authority from the shareholders to enable the Company to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made where the Directors believe that such repurchases will benefit the Company and its shareholders.

4. FUNDING OF REPURCHASES

In repurchasing securities, the Company may only apply funds legally available for such purpose in accordance with its Articles of Association and the laws of the Cayman Islands.

There might be an adverse effect on the working capital and/or the gearing position of the Company as compared with the position disclosed in its latest published audited accounts for the year ended 31 December 2006 in the event that the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate (if approved by the Shareholders) to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. EFFECT OF THE TAKEOVERS CODE

As at the Latest Practicable Date, Z-Idea Company Limited held 249,000,000 Shares, representing approximately 62.25% of the total issued share capital of the Company as at such date. On such basis, if the Repurchase Mandate is fully exercised by the Company, there will be an effect of increasing the percentage of Z-Idea Company Limited to approximately 69.17%, but such increase will not give rise to any obligation under Rule 26 of the Takeovers Code to make a general offer.

6. DIRECTORS AND THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge after making all reasonable enquiries, any of their associates (as defined in the Listing Rules) has any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate, if the Repurchase Mandate is approved by the Shareholders.

No other connected persons (as defined in the Listing Rules) of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

7. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws and regulations of the Cayman Islands.

8. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the previous twelve months prior to the Latest Practicable Date are as follows:

	Per Share	
	Highest	Lowest
	<i>(HK\$)</i>	<i>(HK\$)</i>

May	0.76	0.71

February	0.92	0.86
March	0.92	0.85

9. REPURCHASES MADE BY THE COMPANY

The Company did not purchase any Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
