(2) PROPOSED RE-ELECTION OF DIRECTORS;
**(3) PROPOSED ADOPTION OF NEW SHARE OPTION SCHEME AND

INTRODUCTION

At the forthcoming AGM, resolutions will be proposed to seek the Shareholders' approval for, among other things, (i) the granting of the General Mandate and the Repurchase Mandate to the Directors; (ii) the re-election of Directors; and (iii) the proposed adoption of New Share Option Scheme.

LETTER FROM THE BOARD

The purpose of this circular is to provide you with information relating to the resolutions to be proposed at the AGM for the granting of the General Mandate and the Repurchase Mandate, the re-election of Directors, the proposed adoption of New Share Option Scheme and the notice of the AGM.

GENERAL MANDATE AND REPURCHASE MANDATE

At the AGM, the Directors propose to seek the approval of the Shareholders to grant to the Directors the General Mandate and the Repurchase Mandate.

General Mandate

At the AGM, an ordinary resolution will be proposed such that the Directors be given an unconditional general mandate (i.e. the General Mandate) to allot, issue and deal with, unissued Shares or underlying shares of the Company (other than by way of rights or pursuant to a share option scheme for employees of the Company or Directors and/or any of its subsidiaries or pursuant to any scrip dividend scheme or similar arrangements providing for the allotment and issue of Shares in lieu of whole or part of the dividend on Shares in accordance with the Articles) or make or grant offers, agreements, options and warrants which might require the exercise of such power, of an aggregate nominal amount of up to 20% of the issued Shares as at the date of granting of the General Mandate.

In addition, a separate ordinary resolution will further be proposed for extending the General Mandate authorising the Directors to allot, issue and deal with Shares to the extent of the Shares repurchased pursuant to the Repurchase Mandate. Details on the Repurchase Mandate are further elaborated below.

As at the Latest Practicable Date, the Company has an aggregate of 3,800,000,000 Shares in issue. Subject to the passing of the resolutions for the approval of the General Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the General Mandate to allot, issue and deal with a maximum of 760,000,000 Shares.

Repurchase Mandate

At the AGM, an ordinary resolution will also be proposed such that the Directors be given an unconditional general mandate to repurchase Shares (i.e. the Repurchase Mandate) on the Stock Exchange of an aggregate amount of up to 10% of the issued share capital of the Company as at the date of granting of the Repurchase Mandate.

Subject to the passing of the resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 380,000,000 Shares.

LETTER FROM THE BOARD

The General Mandate (including the extended General Mandate) and the Repurchase Mandate shall continue to be in force during the period from the date of passing of the resolutions for the approval of the General Mandate (including the extended General Mandate) and the Repurchase Mandate up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles, the Companies Law or any applicable laws of the Cayman Islands to be held; or (iii) the revocation or variation of the General Mandate (including the extended General Mandate) or the Repurchase Mandate (as the case may be) by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

An explanatory statement in connection with the Repurchase Mandate is set out in Appendix I to this circular. The explanatory statement contains all the requisite information required under the Listing Rules to be given to the Shareholders to enable them to make an informed decision on whether to vote for or against the resolution approving the Repurchase Mandate.

RE-ELECTION OF DIRECTORS

As at the Latest Practicable Date, the Board comprises two executive Directors, namely, Mr. Siu Chi Ming and Mr. Tang Chin Wan and three independent non-executive Directors, namely, Ms. Au Shui Ming, Mr. Martin He and Mr. Wu Yinong.

According to Articles 86(3) and 87(2), any Director appointed by the Board either to fill a casual vacancy on the Board or as an addition to the existing Board, shall hold office only until the next following general meeting of the Company and shall then be eligible for re-election at that meeting, but shall not be taken into account in determining the number of Directors who are to retire by rotation at such meeting.

According to Article 87(1) of the Articles of Association, one-third of the Directors (or, if their number is not a multiple of three, the number nearest to but not greater than one-third) are subject to retirement from office by rotation at every annual general meeting. The Directors so to retire shall be those who have been longest in office since their last re-election or appointment. The retiring Director shall be eligible for re-election.

In accordance with Articles 86(3) and 87(2), Mr. Wu Yinong shall retire from office at the AGM, and Mr. Siu Chi Ming and Mr. Martin He shall retire from office by rotation at the AGM in accordance with Article 87(1). All of the above retiring Directors are eligible and will offer themselves for re-election at the AGM.

Accordingly, at the AGM, ordinary resolutions will be proposed to re-elect Mr. Wu Yinong and Mr. Martin He as independent non-executive Directors and Mr. Siu Chi Ming as an executive Director.

Details of the retiring Directors who are proposed to be re-elected at the AGM are set out in Appendix II to this circular.

LETTER FROM THE BOARD

PROPOSED ADOPTION OF THE NEW SHARE OPTION SCHEME AND TERMINATION OF THE EXISTING SHARE OPTION SCHEME

The Existing Share Option Scheme

The Existing Share Option Scheme was adopted by the Company on 22 June 2004 by way of Shareholder's resolutions. The Existing Share Option Scheme was valid and effective for a period of ten years from its date of adoption and shall expire on 21 June 2014. The Directors confirm that no further options have been and will be granted under the Existing Share Option Scheme upon its expiry and prior to the date of the AGM. As at the Latest Practicable Date, the Company has not adopted any other share option scheme. As at the Latest Practicable Date, no Options granted under the Existing Share Option Scheme entitling the holders thereof to subscribe for Shares was outstanding.

Termination of the Existing Share Option Scheme

Under the terms of the Existing Share Option Scheme, the Company may by ordinary resolution in general meeting or the Board may at any time terminate the operation of the Existing Share Option Scheme. It is proposed by the Directors that at the AGM, an ordinary resolution will be proposed for the Company to terminate the operation of the Existing Share Option Scheme (such that no further Options could thereafter be offered under the Existing Share Option Scheme but in all other respects the provisions of the Existing Share Option Scheme shall remain in full force and effect) and to approve and adopt the New Share Option Scheme, which will take effect on the date of its adoption at the AGM subject to the Stock Exchange granting approval for the listing of and dealing in the Shares fall to be allotted and issued upon the exercise of Options in accordance with the terms and conditions of the New Share Option Scheme.

There will be no material difference between the terms of the Existing Share Option Scheme and the New Share Option Scheme. At the AGM, an ordinary resolution will be proposed for the Company to approve and adopt the New Share Option Scheme, details of which are set out in ordinary resolution numbered 7 in the notice convening the AGM, which will take effect on the date of its adoption at the AGM subject to the Stock Exchange granting approval for the listing of and dealing in the shares to be issued and allotted pursuant to the exercise of Options in accordance with the terms and conditions of the New Share Option Scheme.

New Share Option Scheme

The purpose of the New Share Option Scheme is to replace the Existing Share Option Scheme and to provide incentive and/or reward to Eligible Participants for their contribution to, and continuing efforts to promote the interests of, the Company. Eligible Participants to whom Options shall be granted, are entitled to subscribe for the number of Shares at a subscription price specified in each Option granted under the New Share Option Scheme. The basis for determining the subscription price is also specified precisely in the rules of the New Share Option Scheme. There is no performance target specified in the New Share Option Scheme and there is no specified minimum period under the New Share Option Scheme for which an Option must be held pursuant to the terms of the New

LETTER FROM THE BOARD

Share Option Scheme. The Directors consider that the aforesaid criteria and rules will serve to preserve the value of the Company and encourage Eligible Participants to acquire proprietary interests in the Company.

As at the Latest Practicable Date, the Company has 3,800,000,000 Shares in issue. Assuming that there is no change in the issued share capital between the period from the Latest Practicable Date and the Adoption Date, the number of Shares issuable pursuant to the Existing Share Option Scheme on the Adoption Date will be 380,000,000 Shares represents approximately 10% of the existing issued share capital of the Company. The Directors consider that it is not appropriate to state the value of all Options that can be granted pursuant to the New Share Option Scheme as if they had been granted on the Latest Practicable Date as a number of variables which are crucial for the calculation of the Option value have not been determined. Such variables include but are not limited to the exercise price, exercise period, lock-up period (if any), and predetermined performance targets (if any). The Directors believe that any calculation of the value of the Options as at the Latest Practicable Date based on a number of speculative assumptions would not be meaningful and would be misleading to Shareholders.

None of the Directors is trustee of the New Share Option Scheme or has a direct or indirect interest in the trustee. With respect to the operation of the New Share Option Scheme, the Company will, where applicable, comply with the relevant requirements under Chapter 17 of the Listing Rules.

Conditions precedent of the adoption of the New Share Option Scheme

The adoption of the New Share Option Scheme is conditional upon:

- (a) the Listing Committee of the Stock Exchange granting the listing of and permission to deal in any Shares which may fall to be issued by the Company pursuant to the exercise of Options in accordance with the terms and conditions of the New Share Option Scheme; and
- (b) the passing of an ordinary resolution to adopt the New Share Option Scheme by the shareholders at general meeting.

Subject to the obtaining of Shareholders' approval with respect to the adoption of the New Share Option Scheme at the AGM, the total number of Shares which may be issued upon exercise of all Options to be granted under the New Share Option Scheme and any other schemes must not in aggregate exceed 10% of the total issued capital of the Company as at the Adoption Date unless the Company obtains a fresh approval from Shareholders to renew the 10% limit on the basis that the maximum number of Shares in respect of which Options may be granted under the New Share Option Scheme together with any Options outstanding and yet to be exercised under the New Share Option Scheme and any other share option schemes must not exceed 30% of the issued share capital of the Company from time to time.

LETTER FROM THE BOARD

A summary of the principal terms of the New Share Option Scheme which is proposed to be approved and adopted by the Company at the AGM is set out in Appendix III to this circular from pages 17 to 26. A copy of the New Share Option Scheme is available for inspection at the Company's principal place of business at Suite 5005–5006, 50th Floor, Central Plaza, 18 Harbour Road, Wanchai, Hong Kong during normal business hours from the date hereof up to and including the date of the AGM.

Application for listing

Application will be made to the Listing Committee of the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares to be issued pursuant to the exercise of the Options granted under the New Share Option Scheme.

As at the date of this circular, no option has been granted or agreed to be granted under the New Share Option Scheme.

AGM

Ordinary resolutions will be proposed at the AGM to approve, among other things, the granting of the General Mandate (including the extended General Mandate) and the Repurchase Mandate the re-election of Directors and the proposed adoption of New Share Option Scheme.

Completion and return of the form of proxy will not preclude you from attending and voting in person at the AGM or any adjournment thereof should you so wish and in such event, the instrument appointment a proxy shall be deemed to be revoked.

All the resolutions proposed to be approved at the AGM will be taken by poll and an announcement will be made by the Company after the AGM on the results of the AGM.

1. REPURCHASE OF SECURITIES FROM CONNECTED PARTIES

The Listing Rules prohibit the Company from knowingly purchasing its securities on the Stock Exchange from a “connected person”, that is, a director, chief executive or substantial shareholder of the Company or any of its subsidiaries or their respective associates (as defined in the Listing Rules) and a connected person is prohibited from knowingly selling to the Company his/her/its securities of the Company.

No connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company nor has any such connected person undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Repurchase Mandate is passed.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 3,800,000,000 fully paid Shares.

3. REASONS FOR THE REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets per Share and/or earnings per Share and will only be made when the Directors believe that a repurchase will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

Repurchases would be funded entirely from the Company’s available cash flow or working capital facilities which will be funds legally available under the Cayman Islands laws and the memorandum of association of the Company and the Articles and for such purpose.

An exercise of the Repurchase Mandate in full may have a material adverse impact on the working capital and gearing position of the Company compared with those as at 31 December 2012, being the date of its latest published audited consolidated accounts. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

6. DISCLOSURE OF INTERESTS AND MINIMUM PUBLIC HOLDING

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, their associates, have any present intention to sell to the Company or its subsidiaries any of the Shares in the Company if the Repurchase Mandate is approved at the AGM.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules and applicable laws of Cayman Islands.

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, the following Shareholders are interested in more than 10% of the Shares then in issue:

Name	Capacity	Number of Shares held	Approximate percentage of shareholding
China Water Affairs Group Limited (<i>Note</i>)	Interest of controlled corporation	1,000,000,000	26.32%
New Prime Holdings Limited	Beneficial owner	1,000,000,000	26.32%

Note: New Prime Holdings Limited is a wholly-owned subsidiary of China Water Affairs Group Limited, the shares of which are listed on the Main Board of The Stock Exchange. By virtue of the SFO, China Water Affairs Group Limited is deemed to be interested in all the 1,000,000,000 Shares held by New Prime Holdings Limited.

In the event that the Directors exercise in full the power to repurchase Shares in accordance with the Repurchase Mandate, the total interests of the above Shareholders in the Shares would be increased to:

Name	Percentage holding
China Water Affairs Group Limited	29.24%
New Prime Holdings Limited	29.24%

On the basis of the current shareholdings of the above Shareholders, an exercise of the Repurchase Mandate in full will not result in any of them becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

At as the Latest Practicable Date, the Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in a requirement of the above Shareholders, or any other persons to make a general offer under the Takeovers Code or the number of Shares in the hands of the public falling below the prescribed minimum percentage of 25%.

NEW SHARE OPTION SCHEME

The following is a summary of the principal terms of the New Share Option Scheme but does not form part of, nor was it intended to be, part of the New Share Option Scheme nor should it be taken as affecting the interpretation of the rules of the New Share Option Scheme:

(a) Purpose of the New Share Option Scheme

The purpose of the New Share Option Scheme is to provide incentive and/or reward to Eligible Participants for their contributions to, and continuing efforts to promote the interests of, the Company.

(b) Administration of the New Share Option Scheme

The New Share Option Scheme shall be subject to the administration of the Board whose decision on all matters arising in relation to this Scheme or its interpretation or effect shall (save as otherwise provided herein and in the absence of manifest error) be final and binding on all persons who may be affected thereby.

(c) Grant and acceptance of Options

Subject to the terms of the New Share Option Scheme, the Board may, in its absolute discretion, invite any Eligible Participant to take up Options to subscribe for Shares at a price calculated in accordance with paragraph (d) below.

An offer of the grant of an Option shall be made to Eligible Participants in writing (and unless so made shall be invalid) in such form as the Board may from time to time determine and shall remain open for acceptance by the Eligible Participant concerned for a period of twenty-one (21) days inclusive of, from the date upon which it is made provided that no such offer shall be open for acceptance after the earlier of the 10th anniversary of the Adoption Date or the termination of the New Share Option Scheme or the Eligible Participant to whom such offer is made has ceased to be an Eligible Participant.

A non-refundable nominal consideration of HK\$1.00 is payable by the grantee upon acceptance of an Option. An Option shall be deemed to have been accepted when the duplicate letter comprising acceptance of the Option duly signed by the Eligible Participant together with the said consideration of HK\$1.00 is received by the Company.

Any offer of the grant of an Option may be accepted in respect of less than the number of Shares in respect of which it is offered provided that it is accepted in such number of Shares as represents a board lot for the time being for the purpose of trading on the Stock Exchange or an integral multiple thereof.

(d) Exercise of Options and price of Shares

An Option may be exercised in whole or in part by the grantee giving notice in writing to the Company stating that the Option is thereby exercised and the number of Shares in respect of which it is exercised. Each such notice must be accompanied by a remittance for the full amount of the subscription price for the Shares in respect of which the notice is given. Within thirty (30) days after receipt of the notice and the remittance and, where appropriate, receipt of the certificate of the Company's auditors or independent financial advisers, the Company shall allot and issue the relevant Shares to the grantee (or his legal personal representative(s)) credited as fully paid.

Shares to be allotted and issued upon the exercise of an Option will be subject to all the provisions of the Articles of the Company for the time being in force and will rank *pari passu* in all respects with the existing fully paid Shares in issue on the date on which the Option is duly exercised or, if that date falls on a day when the register of members of the Company is closed, the first day of the re-opening of the register of members (the "Exercise Date") and accordingly will entitle the holders thereof to participate in all dividends or other distributions paid or made on or after the Exercise Date other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the Exercise Date. A Share allotted upon the exercise of an Option shall not carry voting rights until the name of the grantee has been duly entered onto the register of members of the Company as the holder thereof.

The subscription price for Shares under the New Share Option Scheme may be determined by the Board at its absolute discretion but in any event will not be less than the highest of: (i) the closing price of the Shares on the Stock Exchange as shown in the daily quotations sheet of the Stock Exchange on the Offer Date, which must be a Business Day; (ii) the average of the closing prices of the Shares as shown in the daily quotations sheets of the Stock Exchange for the five (5) Business Days immediately preceding the Offer Date; and (iii) the nominal value of the Share on the Offer Date.

(e) Maximum number of Shares available for issue

- (i) Subject to the Listing Rules, the overall limit on the number of Shares which may be issued upon exercise of all outstanding Options granted and yet to be exercised under the New Share Option Scheme and any other share option schemes of the Company must not exceed 30 per cent. of the relevant class of Shares in issue from time to time. No Options may be granted under the New Share Option Scheme or any other share option schemes of the Company if this will result in this limit being exceeded.

- (ii) Subject to the limit mentioned in (e)(i) above, the total number of Shares which may be issued upon exercise of all Options to be granted under the New Share Option Scheme and any other share option schemes of the Company adopted by the Group must not, in aggregate, exceed 10% of the Shares in issue as at the date of the approval of the New Share Option Scheme (the “**Scheme Mandate Limit**”), unless Shareholders’ approval has been obtained pursuant to sub-paragraphs (iii) and (iv) below. Options lapsed in accordance with the terms of the New Share Option Scheme will not be counted for the purpose of calculating the Scheme Mandate Limit.
 - (iii) Subject to the limit mentioned in (e)(i) above, the Company may refresh the Scheme Mandate Limit at any time subject to approval of the Shareholders in general meeting, provided that the Scheme Mandate Limit as refreshed must not exceed 10% of the Shares in issue as at the date of passing the relevant resolution. Options previously granted under the New Share Option Scheme and any other share option schemes of the Company (including those outstanding, cancelled, lapsed in accordance with such schemes or exercised Options) will not be counted for the purpose of calculating the this limit. The Company must send a circular to the Shareholders containing such information as required under the Listing Rules.
 - (iv) Subject to the limit mentioned in (e)(i) above, the Company may also seek separate approval of the Shareholders in general meeting for granting Options beyond the Scheme Mandate Limit provided that the Options in excess of the Scheme Mandate Limit are granted only to Eligible Participants specifically identified by the Company before such approval is sought. The Company must send a circular to the Shareholders containing a generic description of the specified Eligible Participants, the number and terms of Options to be granted, the purpose of granting Options to the specified Eligible Participants with an explanation as to how the terms of the Options serve such purpose and such other information as required under the Listing Rules.
- (f) Grant of Options to connected persons or any of their associates**

Any grant of Options to a connected person (including but not limited to a Director or substantial Shareholder) or its associates must be approved by the independent non-executive Directors (excluding any independent non-executive Director who is the grantee of the Options). Where Options are proposed to be granted to a connected person who is also a substantial Shareholder (as defined in the Listing Rules) of the Company or an independent non-executive Director or their respective associates and if such grant would result in the total number of Shares issued and to be issued upon exercise of the Options granted and to be granted (including Options exercised, cancelled and outstanding) in any 12-month

period up to and including the date of grant to such person representing in aggregate over 0.1 % of the total issued Shares and having an aggregate value, based on the closing price of the securities at the date of each grant, in excess of HK\$5 million, then the proposed grant must be subject to the approval of Shareholders taken on a poll in a general meeting. All connected persons of the Company must abstain from voting at such general meeting (except where any connected person intends to vote against the proposed grant provided that his intention to do so has been stated in the Shareholders' circular to be issued as stated below).

A circular must be prepared by the Company explaining the proposed grant, disclosing (i) the number and terms of the Options to be granted, (ii) containing a recommendation from the independent non-executive Directors (excluding any independent non-executive Director who is a grantee) on whether or not to vote in favour of the proposed grant, (iii) containing information relating to any Directors who are trustees of the scheme or have a direct or indirect interest in the trustees.

Any change in the terms of Options granted to a connected person or its associates must be approved by Shareholders in a general meeting.

(g) Maximum entitlement of each Participant

The total number of Shares issued and to be issued upon exercise of the options granted to each Eligible Participant or grantee (including exercised and outstanding options) in any twelve (12)-month period up to the date of grant shall not exceed 1% of the Shares in issue. Where it is proposed that any offer is to be made to an Eligible Participant (or where appropriate, an existing grantee) which would result in the Shares issued and to be issued upon exercise of all options granted and to be granted to such person (including exercised, cancelled and outstanding options) in the twelve (12)-month period up to and including the relevant date of grant to exceed such limit, such offer and any acceptance thereof must be conditional upon Shareholders' approval in general meeting with such Eligible Participant (or where appropriate, an existing grantee) and his, her or its associates abstaining from voting. The Company must send a circular to the Shareholders disclosing the identity of the Eligible Participant or grantee, the number and terms of options to be granted (and options previously granted) to such Eligible Participant, the information required under the Listing Rules. The number and terms (including the subscription price) of options to be granted to such Eligible Participant must be fixed before the date on which Shareholders' approval is sought and the date of the Board meeting for proposing such further grant should be taken as the date of grant for the purpose of calculating the subscription price.

(h) Time of Exercise of Options

Subject to the terms of the New Share Option Scheme, an Option may be exercised in whole or in part at any time during the period to be determined and notified by the Directors to the grantee thereof at the time of making an Offer provided that such period shall not exceed the period of ten (10) years from the date

of the grant of the particular Option but subject to the provisions for early termination but subject to the early termination of the New Share Option Scheme (the “**Option Period**”).

There is no specified minimum period under the New Share Option Scheme for which an Option must be held or the performance target which must be achieved before an Option can be exercised under the terms of the New Share Option Scheme.

(i) Restrictions on the time of grant of Options

Grant of Options may not be made:

- (2) during the period commencing from one month immediately preceding the earlier of:
 - (a) the date of the meeting of the Board (as such date is first notified to the Exchange in accordance with the Listing Rules) for approving the Company’s results for any year, half-year, quarterly or any other interim period (whether or not required under the Listing Rules); and

(m) Rights on cessation of employment by reason of ill-health or retirement

(q) Rights on a general offer

In the event of a general offer being made to all Shareholders (or all such holders other than the offeror and/or person controlled by the offeror and/or any person acting in concert (as defined in The Hong Kong Codes on Takeovers and Mergers) with the offeror) and such offer becomes or is declared unconditional during the Option Period of the relevant Option, the grantee (or his personal representative(s)) shall be entitled to exercise the Option in full (to the extent not already exercised) at any time within thereafter and up to the close of such offer.
