The Board wishes to clarify that, as at the date of this announcement, the Board’s intention to apply the net proceeds from the Rights Issue as to (i) approximately 60% to 70% thereof for investments in listed equity and/or listed debt securities; and (ii) approximately 10% to 20% for investments in un-listed companies remain unchanged.

**COMPLETION OF PLACING OF NEW SHARES UNDER GENERAL MANDATE**

The Board is pleased to announce that all the conditions of the Placing have been fulfilled and completion of the Placing took place on 3 August 2015. An aggregate of 52,662,000 Placing Shares have been successfully placed by the Placing Agent to not less than six Placees at the Placing Price of HK\$0.51 per Placing Share, represent approximately 16.67% of the issued share capital of the Company immediately upon completion of the Placing, pursuant to the terms and conditions of the Placing Agreement.

## **CLARIFICATION IN RELATION TO USE OF PROCEEDS**

Reference is made to the announcement of Opes Asia Development Limited (the “**Company**”) dated 17 July 2015 in relation to the placing of up to 52,662,000 new Shares of the Company under the General Mandate (the “**Announcement**”). Reference is also made to the announcement of the Company dated 11 July 2014, the circular of the Company dated 8 August 2014 and the prospectus of the Company dated 4 September 2014 (collectively, the “**Rights Issue Documents**”) in relation to, among other things, the right issue of not less than 2,106,618,000 rights shares and not more than 2,154,104,400 rights shares on the basis of four rights shares for every one share (the “**Rights Issue**”).

As disclosed in the Rights Issue Documents, the Board intended to apply the net proceeds from the Rights Issue as to (i) approximately 60% to 70% thereof for investments in listed equity and/or listed debt securities; and (ii) approximately 10% to 20% for investments in un-listed companies. Further, as stated in the paragraph headed “Fund raising activities in the past twelve months” in the Announcement, the majority of the net proceeds from the Rights Issue have been used for investments in listed equity and listed debt securities and approximately HK\$4.0 million has been used for investment in unlisted company.

The Board wishes to clarify that, as at the date of this announcement, the Board’s intention to apply the net proceeds from the Rights Issue as to (i) approximately 60% to 70% thereof for investments in listed equity and/or listed debt securities; and (ii) approximately 10% to 20% for investments in un-listed companies remain unchanged. However, given that additional time is required to conduct and complete the relevant due diligence review on potential investments in unlisted companies, the Company had temporarily applied the unutilized proceeds from the Rights Issue allocated for investments in unlisted companies to investments in other listed securities and listed debt securities during the interim period while relevant due diligence review on potential investments in unlisted companies remains ongoing. Upon completion of the relevant due diligence review on potential investments in unlisted companies and should such potential investments materialize, the Company will use the proceeds which it has realized from its investments in listed equities and listed debt securities made on temporary basis to invest in unlisted companies in accordance with the use of proceeds disclosed in the Rights Issue Documents.

Save for the clarification above, the other information in the Announcement remains unchanged.
