Dear Sir or Madam,

**PROPOSED GENERAL MANDATES TO REPURCHASE SHARES

NOTICE OF ANNUAL GENERAL MEETING**

1. GENERAL MANDATE TO REPURCHASE SHARES

At the annual general meeting of the Company held on 22 June 2009, a general mandate was given to the Directors to exercise the powers of the Company to repurchase Shares. Such mandate will lapse at the conclusion of the forthcoming Annual General Meeting to be held on 7 June 2010. An explanatory statement as required under the Listing Rules providing the requisite information of the proposed Repurchase Mandate is set out in Appendix I to this circular.

* For identification purpose only

LETTER FROM THE BOARD

2. GENERAL MANDATE TO ISSUE NEW SHARES

At the Annual General Meeting, an ordinary resolution will be proposed to grant to the Directors a general mandate to allot, issue and deal with new Shares at any time until the next annual general meeting of the Company following the passing of the resolution or such earlier date as stated in the resolution representing up to 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing such resolution, which is estimated to be 326,040,000 Shares based on the number of issued Shares as at the Latest Practicable Date and assuming that no Shares will be issued or repurchased before the Annual General Meeting.

Subject to the passing of the aforesaid ordinary resolutions of the Repurchase Mandate and the Share Issue Mandate, an ordinary resolution will also be proposed at the Annual General Meeting to approve the extension of the Share Issue Mandate by adding to the Share Issue Mandate the number of Shares that is repurchased under the Repurchase Mandate.

3. RE-ELECTION OF DIRECTORS

Pursuant to the Bye-laws, Dr. Wai Chung Fai, Mr. Shiu Kwok Keung, Ms. Fong Son Wa and Mr. Tsang Wai Wa shall retire from office and, being eligible, offer themselves for re-election at the Annual General Meeting.

The biographical details and interests in the Shares of the aforesaid Directors who will offer themselves for re-election at the Annual General Meeting are provided in Appendix II to this circular.

4. ANNUAL GENERAL MEETING

The AGM Notice, which contains, inter alia, the resolutions to approve the Repurchase Mandate, the Share Issue Mandate, the extension of the Share Issue Mandate and the re-election of Directors is set out in this circular.

A form of proxy is enclosed with this circular for use at the Annual General Meeting. Whether or not you are able to attend the meeting in person, you are requested to complete and return the form of proxy in accordance with the instructions printed thereon as soon as possible but in any event not less than 48 hours before the time fixed for holding the Annual General Meeting. LETTER FROM THE BOARD

5. RECOMMENDATION

The Directors consider that the grant of the Repurchase Mandate, Share Issue Mandate, the extension of the Share Issue Mandate and the re-election of the Directors are all in the best interests of the Company and its Shareholders as a whole, and therefore recommend you to vote in favour of all the relevant resolutions to be proposed at the Annual General Meeting.

6. RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief there are no other facts the omission of which would make any statement herein misleading.

Yours faithfully,
For and on behalf of the Board of
Opes Asia Development Limited
Shiu Kwok Keung
Executive Director

This explanatory statement contains the information required to be set out in this circular pursuant to Rule 10.06(1)(b) of the Listing Rules. Its purpose is to provide Shareholders with information reasonably necessary to enable them to make an informed decision on whether to vote for or against the resolution to approve the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued and fully-paid share capital of the Company was 1,630,200,000 shares of HK\$0.001 each.

Subject to the passing of the ordinary resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 163,020,000 Shares, representing 10% of the issued share capital of the Company as at the Latest Practicable Date.

2. REASON FOR REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders as a whole. Whilst it is not possible to anticipate any specific circumstance in which the Directors might think it appropriate to repurchase Shares, they believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and its Shareholders as such repurchases may, depending on the market conditions and funding arrangements at that time, lead to an enhancement of the net asset value per Share and/or earnings per Share. Shareholders can be assured that the Directors would only make such repurchases in circumstances where they consider them to be in the best interests of the Company and its Shareholders as a whole.

3. FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Bye-laws, the Listing Rules and the Companies Act 1981 of Bermuda (as amended) (the "Companies Act"). The Company is empowered by its Bye-laws to repurchase its Shares. The Companies Act provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant Shares, or funds of the Company which would otherwise be available for dividend or distribution or the proceeds of a new issue of Shares made for the purpose of the repurchase. The amount of premium payable on the repurchase may only be paid out of either the funds of the Company which would otherwise be available for dividend or distribution or out of the Company's share premium account before the Shares are repurchased.

There might be a material adverse impact on the working capital or gearing position of the Company, as compared with the position disclosed in the audited accounts contained in its annual report for the year ended 31 December 2009, in the event that the Repurchase Mandate is exercised in full at any time during the Repurchase Mandate

period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company that, in the opinion of the Directors, are from time to time appropriate for the Company.

4. SHARE PRICE

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the 12 months preceding the Latest Practicable Date were as follows:

	Price per Share	
	Highest traded price HK\$	Lowest traded price HK\$
2009

May	0.159	0.130

September	0.265	0.187
October	0.248	0.185

March	0.250	0.193
April (up to the Latest Practicable Date)	0.226	0.187

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules, the Bye-laws and the applicable laws of Bermuda.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates, have any present intention to sell any Shares to the Company or its subsidiaries (if any) in the event that the Repurchase Mandate is approved by the Shareholders.

No connected person has notified the Company that he has a present intention to sell Shares to the Company or its subsidiaries (if any), or has undertaken not to do so, in the event that the Repurchase Mandate is granted by the Shareholders.

6. TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of the increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the register of interests in shares and short positions maintained by the Company pursuant to Section 336 of the SFO showed that the Company had been notified of the following interests, being 5% or more of the Company's issued share capital:

Name	Number of Shares held	Approximate percentage of existing shareholding	Approximate percentage of shareholding if the Repurchase Mandate is exercised in full
Look Andrew	170,000,000	10.43%	11.59%

In addition, Mr. Look has a personal interest in 45,000,000 underlying shares of the Company within the meaning of Part XV of the SFO.

Based on the above, the Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchase made under the Repurchase Mandate. In the event that the Directors exercise in full the power to repurchase Shares pursuant to the Repurchase Mandate, if approved, the number of Shares held by the public would not fall below 25%.

7. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not repurchased any Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

Stated below are the details of the Directors who will retire and be eligible for re-election at the Annual General Meeting.
