**THE PROPOSED ACQUISITION**

The Board is pleased to announce that on May 28, 2018, the Company entered into the Share Purchase Agreement with Ali JK Nutritional Products Holding Limited, a direct wholly-owned Subsidiary of Alibaba Holding, pursuant to which the Company will acquire a 100% equity interest in Ali JK Medical Products Limited, an offshore holding vehicle incorporated under the laws of the British Virgin Islands by the Vendor to hold the Target Business. The aggregate Consideration is HK\$10,600,000,000 and will be satisfied by the Company issuing 1,827,586,207 Consideration Shares to the Vendor at Completion.

Completion is conditional upon, among other things:

- the passing by the Independent Shareholders of the resolutions to approve the Proposed Acquisition and the non-exempt continuing connected transactions entered into by the members of the Group as contemplated under the Framework Technical Services Agreement and the Services Amendment Agreement;

- the approval of the Stock Exchange being granted for the listing of, and permission to deal in, the Consideration Shares; and
- the completion of the Business Restructuring as further described below.

### **THE TARGET BUSINESS**

The Target Business comprises (i) all Merchant relationships with the Target Merchants for the promotion and distribution of Target Products on Tmall.com and (ii) certain relevant marketing and operations personnel managing the relationships with the Target Merchants.

The Target Products are defined as the following products and/or services sold on Tmall.com:

- the Medical Devices and Healthcare Products;
- the Adult Products; and
- the Medical and Healthcare Services.

### **THE FRAMEWORK TECHNICAL SERVICES AGREEMENT**

The Tmall Entities and the WFOE entered into the Framework Technical Services Agreement on May 28, 2018. Pursuant to the Framework Technical Services Agreement, the Tmall Entities will provide software technical support services relating to the operation of Tmall.com to the WFOE for the Tmall Software Service Fee. Subject to the approval of the Proposed Acquisition and the Framework Technical Services Agreement by the Independent Shareholders at the SGM, the term of the Framework Technical Services Agreement will commence on the day following Completion and end on March 31, 2021, unless otherwise mutually agreed between the parties.

### **THE SERVICES AMENDMENT AGREEMENT**

We refer to the Company's announcement dated February 14, 2018 and circular dated March 13, 2018 in relation to the Renewed Services Agreement entered into between the Tmall Entities and Alibaba Health Technology (China) (an indirect wholly owned Subsidiary of the Company). On May 28, 2018, the Tmall Entities and Alibaba Health Technology (China) entered into the Services Amendment Agreement, pursuant to which the parties have agreed to amend the Relevant Categories in respect of which services are provided under the Renewed Services Agreement. Subject to the approval of the Proposed Acquisition and the Services Amendment Agreement by the Independent Shareholders at the SGM, the amendments under the Services Amendment Agreement will take effect on the day following Completion, unless otherwise mutually agreed between the parties.

## **IMPLICATIONS UNDER THE LISTING RULES**

As one or more of the applicable percentage ratios in respect of the Share Purchase Agreement (including the alternative size test referred to in Rule 14.20) exceed 25% but are below 100%, the Proposed Acquisition constitutes a major transaction of the Company under Chapter 14 of the Listing Rules. As the Vendor is a connected person of the Company, the Proposed Acquisition also constitutes a connected transaction of the Company and is subject to the approval of the Independent Shareholders at the SGM.

In addition, Alibaba Holding is the ultimate majority Shareholder of the Company. The Tmall Entities are Subsidiaries of Alibaba Holding and therefore connected persons of the Company. The transactions contemplated under the Framework Technical Services Agreement and the Services Amendment Agreement will constitute continuing connected transactions for the Company under the Listing Rules. It is expected that the highest of the applicable percentage ratios in respect of each of the Framework Technical Services Agreement and the Services Amendment Agreement will each be more than 5%. Accordingly, the transactions contemplated under the Framework Technical Services Agreement and the Services Amendment Agreement will constitute non-exempt continuing connected transactions subject to the reporting, announcement and Independent Shareholders' approval requirements under Chapter 14A of the Listing Rules.

**Warning: The Company will despatch a circular on or before June 20, 2018 in accordance with the requirements under the Listing Rules. The circular will contain, among other things, further details of the Proposed Acquisition and related agreements, a letter of advice from the Independent Financial Advisor to the Independent Board Committee of the Company and the Independent Shareholders in relation to the Proposed Acquisition, the Framework Technical Services Agreement and the Services Amendment Agreement.**

**The completion of the Proposed Acquisition, the commencement of the Framework Technical Services Agreement and the amendments under the Services Amendment Agreement are subject to the satisfaction and/or waiver (where applicable) of conditions precedent as set out in the Share Purchase Agreement including but not limited to Independent Shareholders' approval, which may or may not be fulfilled. The Shareholders and potential investors of the Company are reminded to exercise caution when dealing in the Shares.**

## **INTRODUCTION**

The Board is pleased to announce that on May 28, 2018, the Company and the Vendor entered into the Share Purchase Agreement dated May 28, 2018 pursuant to which the Company has conditionally agreed to acquire and the Vendor has conditionally agreed to sell, at Completion, the entire issued share capital of the Target Company in consideration for the issue of the Consideration Shares by the Company to the

Vendor. On the same day, the Tmall Entities entered into (a) the Framework Technical Services Agreement with the WFOE and (b) the Services Amendment Agreement with Alibaba Health Technology (China).

The principal terms of the Share Purchase Agreement are set out as follows.

## **THE SHARE PURCHASE AGREEMENT**

### **(1) Date**

May 28, 2018

### **(2) Parties**

- (a) The Company as the purchaser; and
- (b) Ali JK Nutritional Products Holding Limited as the vendor.

The Vendor is a direct wholly-owned Subsidiary of Alibaba Holding, the ultimate majority shareholder of the Company. Accordingly, the Vendor is a connected person of the Company and the transaction contemplated under the Share Purchase Agreement will constitute a connected transaction of the Company under the Listing Rules.

### **(3) The Proposed Acquisition**

Pursuant to the Share Purchase Agreement, the Company has conditionally agreed to purchase and the Vendor has conditionally agreed to sell the entire issued share capital in the Target Company.

The Target Company is an offshore holding vehicle which is an indirect wholly-owned Subsidiary of Alibaba Holding. The Target Company, through the WFOE, will hold (i) the ownership of all Merchant relationships with Target Merchants for the sales of the Target Products on Tmall.com and (ii) the employment relationships with the relevant marketing and operations personnel managing the relationships with the Target Merchants.

Target Products are defined as the following products and/or services sold on Tmall.com:

- (a) the Medical Devices and Healthcare Products;
- (b) the Adult Products; and
- (c) the Medical and Healthcare Services.

Upon Completion, the Target Company will become a direct wholly-owned Subsidiary of the Company, and the financial results of the Target Group will be consolidated into the Group's accounts.

#### **(4) The Consideration**

The Consideration for the Share Purchase Agreement is HK\$10,600,000,000 which was determined after arm's length negotiations between the Company and the Vendor. The Consideration will be satisfied by the Company issuing 1,827,586,207 Consideration Shares to the Vendor. The Issue Price will be HK\$5.80 per Consideration Share, subject to proportional adjustments in the event of a share split, share combination, share dividend or similar events with respect to the capital of the Company prior to Completion.

For a period of 18 months from Completion, the Vendor has agreed that it will not dispose of, nor enter into any agreement to dispose of or otherwise create any options, rights, interests or other third party rights in respect of, the Consideration Shares issued to it without the Company's prior written consent. However, the Company's prior written consent will not be required where the person to whom any of the Consideration Shares issued to the Vendor are transferred also undertakes to (a) bear a pro rata portion of any liabilities of the Vendor for breach of its warranties under the Share Purchase Agreement and (b) be subject to this restriction in respect of any subsequent transfer by such transferee.

The Consideration Shares represent approximately 18.57% of the issued share capital of the Company as at the date of this announcement and approximately 15.66% of the issued share capital of the Company as enlarged by the issue of the Consideration Shares. The Company will continue to be able to satisfy the public float requirement under the Listing Rules following the issue of the Consideration Shares on the basis of the current shareholding structure of the Company.

Alibaba Holding established and grew the Target Business, and did not acquire it from a third party, so no original acquisition cost of the Target Business is involved. The Consideration was arrived at after arm's length negotiations between the Company and the Vendor, taking into account various factors, including:

- (a) the financial performance and market position of the Target Business;
- (b) the growth potential in the scale and profitability of the Target Business;
- (c) the strategic value and industry and operational expertise of the Target Business; and

- (d) the value to the Company of the Deed of Non-competition, which will result in the Company having an exclusive relationship with the Target Merchants for the sale of Restricted Products on Tmall.com.

## **(5) The Issue Price**

The Issue Price represents:

- (a) a discount of approximately 14.3% to the closing price of the Shares of HK\$6.77 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (b) a discount of approximately 13.9% to the average VWAP for the five consecutive trading days up to and including the Last Trading Day of approximately HK\$6.74 per Share;
- (c) a premium of approximately 0.4% to the average VWAP for the ten consecutive trading days up to and including the Last Trading Day of approximately HK\$5.78 per Share;
- (d) a premium of approximately 9.7% to the average VWAP for the fifteen consecutive trading days up to and including the Last Trading Day of approximately HK\$5.29 per Share;
- (e) a premium of approximately 16.7% to the average VWAP for the twenty consecutive trading days up to and including the Last Trading Day of approximately HK\$4.97 per Share; and
- (f) a premium of approximately 24.8% to the average VWAP for the thirty consecutive trading days up to and including the Last Trading Day of approximately HK\$4.65 per Share.

The Issue Price was arrived at after arm's length negotiations between the Company and the Vendor, taking into account various factors, including:

- (a) the share price performance of the Company in the thirty trading days up to and including the Last Trading Day; and
- (b) application of an appropriate discount for a substantial placing such as the one contemplated under the Share Purchase Agreement,

as well as the factors described above.

## **(6) Completion and conditions precedent**

Completion will take place on the Business Day immediately following the satisfaction or waiver of certain conditions precedent including:

- (a) the passing by the Independent Shareholders at a duly convened Shareholders' meeting of the Company of resolutions approving the Proposed Acquisition, including but not limited to, the issue of the Consideration Shares pursuant to the Share Purchase Agreement and the non-exempt continuing connected transactions by the members of the Group as contemplated under the Framework Technical Services Agreement and the Services Amendment Agreement;
- (b) the granting of the approval of the Stock Exchange for the listing of, and permission to deal in, the Consideration Shares;
- (c) the completion of the Business Restructuring;
- (d) the Vendor and/or its related companies having obtained all necessary consents and approvals from the relevant governmental or regulatory authorities or other third parties required for the transactions contemplated by the Business Restructuring and the execution and performance by the Vendor of the Share Purchase Agreement and the Proposed Acquisition;
- (e) the Company having obtained all necessary consents and approvals from the relevant governmental or regulatory authorities or other third parties required for the execution and performance by the Company of the Share Purchase Agreement and the Proposed Acquisition; and
- (f) no governmental authority in any relevant jurisdiction having enacted any laws, rules or regulations which might render Completion or the Business Restructuring or any part thereof unlawful.

The Company is entitled in its absolute discretion, by written notice to the Vendor, to waive the conditions precedent set out in paragraphs (c) and (d) above, either in whole or in part. The right of the Company to waive such conditions precedent provides the Company with the flexibility to allow the Proposed Acquisition to proceed if the Business Restructuring is implemented with minor deviations from the agreed plan.

The Vendor is entitled in its absolute discretion, by written notice to the Company, to waive the condition precedent set out in paragraph (e) above, either in whole or in part.

If any of the conditions precedent set out above has not been fulfilled (or waived) on or before September 30, 2018, or such later date as may be agreed in writing between the Company and the Vendor, the Share Purchase Agreement shall automatically terminate with immediate effect pursuant to its terms.

Any failure to effect a Merchant Assignment in respect of one or more Existing Target Merchants shall not be treated as having caused any condition precedent set out in paragraph (c) or (d) above to not be satisfied, provided that Merchant Assignments have been successfully effected in respect of (i) at least 2,844 Existing Target Merchants or (ii) such number of Existing Target Merchants that collectively sold on Tmall.com at least RMB17.48 billion in GMV of Target Products during the financial year ended March 31, 2018.

#### **(7) Business Restructuring**

For each Existing Target Merchant, the Vendor has agreed to use all reasonable endeavors to procure the relevant parties to, as soon as reasonably practicable, to the extent applicable, enter into a Tripartite Agreement among (i) such Existing Target Merchant, (ii) the WFOE and (iii) the Tmall Entities.

The Vendor shall, to the extent not completed prior to the date of the Share Purchase Agreement, use all reasonable endeavors to procure, as soon as reasonably practicable and effective no later than Completion, the assignment to the WFOE of employees of Tmall Technology and its Affiliates whose primary responsibilities, as at the date of the Share Purchase Agreement, are to support the Target Business (“**Employee Assignment**”).

#### **(8) Transition Period**

If the Merchant Assignment of any Existing Target Merchant has not been completed as at Completion (such Target Merchant, the “**Non-assigned Target Merchant**”), the Vendor shall continue to use reasonable endeavors to complete such Merchant Assignment as soon as reasonably practicable. For each of the Non-assigned Target Merchants, the Vendor shall, promptly after the Transition Period, pay or cause to be paid to the Company 50% of the software service fees actually received by the Tmall Entities (after all discounts, rebates and other incentives) from such Non-assigned Target Merchant in respect of the sale of Target Products by such Non-assigned Target Merchant on Tmall.com during the Transition Period.

The Transition Period commences on the date of Completion and ends on the earliest of (i) completion of the Merchant Assignment of the Non-assigned Target Merchant, (ii) the termination or expiration of the Existing Target Merchant Contract, and (iii) December 31, 2018.

## THE PROPOSED DEED OF NON-COMPETITION

To ensure that there is no competition between the business of the Group and the business of Alibaba Group (excluding the Group) with respect to the sales of Target Products, the parties have agreed on the form of the Deed of Non-competition which is to be entered into between the Company and Alibaba Holding on or before Completion.

The Deed of Non-competition provides that, other than the Permitted Scope, Alibaba Holding will not, and will procure that its Affiliates (excluding the Group) will not, directly or indirectly, alone or jointly with another person, in any form, engage in, assist or support a third party in the operation of, or participate or have any interest in, the business permitting the sales of Restricted Products on Tmall.com during the Non-competition Period. Restricted Products are the following products and/or services sold on Tmall.com:

- (a) the Medical Devices;
- (b) the Adult Products; and
- (c) the Medical and Healthcare Services.

The Non-competition Period commences on Completion and ends on the earliest of:

- (c) the Company ceasing to be a subsidiary (as defined in the Listing Rules) of Alibaba Holding; and
- (d) Alibaba Holding no longer being the single largest Shareholder of the Company (aggregated with the Shares beneficially owned by persons acting in concert with Alibaba Holding).

The Permitted Scope includes:

- (a) the conduct of Restricted Business pursuant to any then-effective Existing Target Merchant Contracts until the earlier of (i) the expiration of such Existing Target Merchant Contract in accordance with its terms and (ii) December 31, 2018;
- (b) entering into the Tripartite Agreements and conducting activities pursuant to the terms thereunder;
- (c) the conduct of business activities pursuant to the terms of the Framework Technical Services Agreement, including the collection of the Tmall Software Service Fees thereunder; and

(d) any business with the Company's prior written consent.

Under the Deed of Non-competition, Alibaba Holding undertakes, during the Non-competition Period, to cause its applicable Affiliates to (i) require that the Target Merchants list Restricted Products for sale on Tmall.com in accordance with the Framework Technical Services Agreement, and (ii) use reasonable efforts to identify and remove from listing on Tmall.com any Restricted Product that is listed contrary to the requirement in (i) above.

Alibaba Holding also undertakes, during the Non-competition Period, to ensure that any new business opportunities that it or its Affiliates (excluding the Group) identify, or are offered, which fall within the scope of the Restricted Business, are offered to the Company. Such new business opportunities will not be taken up by Alibaba Holding or its Affiliates (excluding the Group).

## **THE FRAMEWORK TECHNICAL SERVICES AGREEMENT**

Before the Proposed Acquisition, the Tmall Entities incurred costs to service the Target Merchants and provide the technical services and platform where they sold Target Products. Following Completion, while the WFOE will provide e-commerce platform maintenance related software services for the Target Products to the Target Merchants, the Tmall Entities, as the owner of Tmall.com, will continue to provide access to its e-commerce platform to the Target Merchants and incur operating costs for the provision of the technical services and the platform. The Tmall Entities and the WFOE entered into the Framework Technical Services Agreement on May 28, 2018 to set out the terms of services to be provided by the Tmall Entities and the relevant Tmall Software Service Fees.

The transactions contemplated under the Framework Technical Services Agreement constitute non-exempt continuing connected transactions for the Company under the Listing Rules. The principal terms of the Framework Technical Services Agreement are set out as follows.

### **(1) Date**

May 28, 2018

### **(2) Parties**

- (a) the WFOE; and
- (b) the Tmall Entities

**(3) Term and termination**

Subject to the approval of the Proposed Acquisition and the Framework Technical Services Agreement by the Independent Shareholders at the SGM, the term of the Framework Technical Services Agreement will commence on the day following Completion and end on March 31, 2021, unless otherwise mutually agreed between the parties. The parties will determine whether to renew the Framework Technical Services Agreement 60 days before it expires.

**(4) Services to be provided**

Pursuant to the terms of the Framework Technical Services Agreement, after Completion, the Tmall Entities will continue to provide software technical services, including the following services:

- (a) Software technical services: The Tmall Entities will provide software technical support to the WFOE or the Target Merchants as requested by the WFOE for the Tmall Software Service Fees. The software technical support includes product information display and search services on Tmall.com and related software technology services;
- (b) Internet information services and secondary domain names: As the platform provider and operator, the Tmall Entities will provide Tmall.com and the secondary domain names to the Target Merchants as a platform for the Target Merchant's operation of business. The secondary domain name services being provided by the Tmall Entities will not be charged to the WFOE, Target Merchants or consumers for the time being; and
- (c) Other services: The Tmall Entities may provide the Target Merchants with additional services including but not limited to marketing services and Merchant customer services. The Tmall Entities will not charge the WFOE for those services unless the WFOE requests such services where the parties will agree on a separate service fee.

From time to time the Tmall Entities may organize platform-wide promotional events in which they coordinate with the Merchants on Tmall.com, including the Target Merchants through the Company, to offer discounts to consumers over a period of time and implement a number of customer loyalty programs to encourage repeat shopping.

**(5) Tmall Software Service Fees and annual caps**

The WFOE shall pay the Tmall Software Service Fees to the Tmall Entities equal to 50% of the WFOE Software Service Fees received by the WFOE from the Target Merchants for transactions selling Target Products on Tmall.com and utilizing services provided by the Tmall Entities. The WFOE Software Service Fees are up to

3% of the value of completed sales of Target Products sold on Tmall.com and will be deducted from the receivables of the relevant Target Merchant and paid to the WFOE after a customer confirms the receipt of the products he or she purchases. The up to 3% WFOE Software Service Fees charged by the WFOE are calculated on the same basis as the software service fees currently charged by the Tmall Entities to the Target Merchants. The vice president of the finance department of the Company will cross-check the amount of the Tmall Software Service Fees being paid to the Tmall Entities on a monthly basis to ensure the accuracy of the amount.

The Tmall Software Service Fees shall be settled in cash on a monthly basis. The Tmall Software Service Fees are determined by reference to, among other things, the operating costs expected to be incurred by the Tmall Entities in providing the services including staff costs and technical support expenses.

The proposed monetary caps in respect of the fees payable to the Tmall Entities under the Framework Technical Services Agreement are RMB315 million, RMB590 million and RMB825 million for each of the financial years ending March 31, 2019, 2020 and 2021, respectively.

The proposed monetary caps for the applicable period in respect of the Framework Technical Services Agreement were arrived at after considering the historical revenue of Tmall.com attributable to the Target Business for recent financial years (i.e. RMB133 million, RMB228 million and RMB438 million in the financial years ended March 31, 2016, 2017 and 2018, respectively), the projected revenue of Tmall.com for the Target Business, the Company's own projections for the Target Business based on projections for the growth of the overall healthcare market in China and the Company's marketing plans for enhancing the services that the Company seeks to provide to the Target Merchants.

**(6) Internal controls relating to the implementation of the monetary caps**

The Company has internal controls in place to monitor the implementation of the monetary caps, including a written policy which sets out the proper steps for escalating information regarding the usage of the proposed annual caps from the operating team to the executive officers, including monthly reports to the Company's chief executive officer, chief financial officer and general counsel and then to the independent non-executive directors where required. The Company's operating team will have day-to-day interaction with the Target Merchants and will be able to closely monitor applicable GMV on a weekly basis. The Framework Technical Services Agreement includes a customary provision pursuant to which the Tmall Entities agree to allow the Company and its auditors access to information necessary to report on the non-exempt continuing connected transactions.

## **(7) The Tripartite Agreements**

In order to open a storefront on Tmall.com, each of the Target Merchants has accepted the terms of an Existing Target Merchant Contract. As part of the Business Restructuring, the Vendor has agreed to use all reasonable endeavors to procure each of (i) the Target Merchants and (ii) the Tmall Entities to enter into a Tripartite Agreement with the WFOE. The Tripartite Agreements are ancillary implementation agreements to the Framework Technical Services Agreement.

The parties to the Framework Technical Services Agreement have agreed on the form of the Tripartite Agreements which is a supplemental agreement to the Existing Target Merchant Contract with respect to the Target Products.

Pursuant to the terms of the Tripartite Agreements, the WFOE will provide e-commerce platform maintenance related software services for the Target Business to the Target Merchants for a fee. ## **THE SERVICES AMENDMENT AGREEMENT**

We refer to the Company's announcement dated February 14, 2018 and circular dated March 13, 2018 in relation to the Renewed Services Agreement entered into between the Tmall Entities and Alibaba Health Technology (China) (an indirect wholly owned Subsidiary of the Company). Under the Renewed Services Agreement, Alibaba Health Technology (China) agreed to provide the Tmall Entities with certain outsourced and value-added services in relation to the Relevant Categories offered in the pharmaceutical and healthcare products and services e-commerce business of Tmall.com and Tmall Supermarket. ## **REASONS FOR AND BENEFITS OF THE PROPOSED ACQUISITION, THE FRAMEWORK TECHNICAL SERVICES AGREEMENT AND THE SERVICES AMENDMENT AGREEMENT**

The CFDA issued The Measures for the Supervision and Administration of Online Sale of Medical Devices (the “**Medical Devices Measures**”) on December 20, 2017, which has since come into force on March 1, 2018. The Medical Devices Measures specifically regulates the sale of medical devices on online third party platforms. As a result of the recent issuance of the Medical Devices Measures, the Company engaged in negotiations with Alibaba Holding in relation to the acquisition of the Target Business.

As previously disclosed by the Company, the Company’s mission is to build an online community where it will connect participants in China’s healthcare market, so as to provide users with better medical and healthcare services, to realize Alibaba Group’s “Double H” strategic direction. Alibaba Group will in turn, as it has in the past, continue to support the Company’s development as its healthcare flagship platform and will continue to explore various cooperation models, to help the Company achieve its goals.

The Company believes that its acquisition of the Target Business will enable it to: (a) further develop into Alibaba Group’s healthcare flagship platform; (b) bring in an even broader set of merchants into the online healthcare community to enrich the ecosystem, and to organically complement and supplement the Company’s existing healthcare product sales and services, Internet-based medical services and personal health management platform, intelligent medicine and tracking services businesses; and (c) obtain more stable and sustainable revenue growth. The Proposed Acquisition represents an important step in the Company’s ongoing development of its healthcare related e-commerce platform business. The Target Business like many technology companies and the Company’s own businesses is an “asset-light” business. In the Board’s view, the Consideration is fair and reasonable notwithstanding the low asset value of the Target Business.

Before the Proposed Acquisition, the Tmall Entities incurred costs to service the Target Merchants and provide the technical services and platform where they sold Target Products. Following Completion, the Tmall Entities will continue to incur operating costs for the provision of these technical services and provision of the platform. Therefore the Tmall Software Service Fees will be payable to the Tmall Entities. The Company considers the Framework Technical Services Agreement is necessary as a result of the Merchant relationships in respect of Target Products being assigned to the Company from Alibaba Group and because the technical support and services from Tmall.com to the Company are crucial to allow the Target Merchants to operate on Tmall.com.

Following Completion, the Tmall Entities will no longer require the outsourced and value-added services relating to the Target Products on Tmall.com currently provided by Alibaba Health Technology (China) under the Renewed Services Agreement. The Company considers the Services Amendment Agreement is necessary to amend the Relevant Categories in respect of which services will be provided by Alibaba Health Technology (China) to the Tmall Entities following Completion.

The Directors (excluding the independent non-executive Directors whose views will be given after having taking into account the advice of the Independent Financial Advisor) are of the view that the terms of the Share Purchase Agreement, the Framework Technical Services Agreement and the Services Amendment Agreement are fair and reasonable, on normal commercial terms and in the interests of the Company and the Shareholders as a whole.

## **LISTING RULES IMPLICATIONS**

As one or more of the applicable percentage ratios in respect of the Share Purchase Agreement (including the alternative size test referred to in Rule 14.20) exceed 25% but are below 100%, the Proposed Acquisition constitutes a major transaction of the Company under Chapter 14 of the Listing Rules. As the Vendor is a connected person of the Company, the Proposed Acquisition also constitutes a connected transaction of the Company and is subject to the approval of the Independent Shareholders at the SGM.

In addition, Alibaba Holding is the ultimate majority Shareholder of the Company. The Tmall Entities are Subsidiaries of Alibaba Holding and therefore connected persons of the Company. The transactions contemplated under the Framework Technical Services Agreement and the Services Amendment Agreement will constitute continuing connected transactions for the Company under the Listing Rules. It is expected that the highest of the applicable percentage ratios in respect of each of the Framework Technical Services Agreement and the Services Amendment Agreement will each be more than 5%. Accordingly, the transactions contemplated under the Framework Technical Services Agreement and the Services Amendment Agreement will constitute non-exempt continuing connected transactions subject to the reporting, announcement and Independent Shareholders' approval requirements under Chapter 14A of the Listing Rules.

As Mr. WU Yongming, Mr. KANG Kai, Mr. WANG Lei and Ms. ZHANG Yu are employees of Alibaba Holding or its Subsidiaries, each of these Directors is deemed or may be perceived to have a material interest in the transactions contemplated under the Proposed Acquisition, the Framework Technical Services Agreement and the Services Amendment Agreement. Accordingly, they have abstained from voting on the board resolutions in connection with the Proposed Acquisition and the continuing connected transactions under the Framework Technical Services Agreement and the Services Amendment Agreement. Other than the aforesaid Directors, no other Directors have a material interest in the Proposed Acquisition or the continuing connected transactions

under the Framework Technical Services Agreement and the Services Amendment Agreement and are not requested to abstain from voting on the board resolutions approving the same.

The SGM will be convened by the Company to propose ordinary resolutions seeking approval from the Independent Shareholders by way of poll for: (i) the Share Purchase Agreement and the connected transaction contemplated thereunder, (ii) the issue of the Consideration Shares under the specific mandate, (iii) the Framework Technical Services Agreement and the non-exempt continuing connected transactions contemplated thereunder and (iv) the Services Amendment Agreement and the non-exempt continuing connected transactions contemplated thereunder. To the best knowledge, belief and information of the Directors, having made all reasonable enquiries, as at the date of this announcement, each of Perfect Advance and the Vendor holds a total of 4,420,628,008 Shares and 1,629,925,000 Shares respectively, representing approximately 44.91% and 16.56%, respectively of the issued share capital of the Company. Each of Perfect Advance and the Vendor and their associates, will abstain from voting in relation to the ordinary resolutions to be put forward at the SGM. Save as disclosed above, no other Shareholder is required to abstain from voting on the above ordinary resolutions.

#### **INDEPENDENT BOARD COMMITTEE AND INDEPENDENT FINANCIAL ADVISOR**

Platinum has been appointed as the Independent Financial Advisor to advise the Independent Board Committee and the Independent Shareholders in this regard.
