In view of the fact that the Company is held as to approximately 73.82% by AGL, AGL is a connected person of the Company and accordingly, the entering into of the Renewed Sharing of Administrative Services and Management Services Agreement by the Company, the SHK Management Services Agreement by SHK and the QHA Management Services Agreement by QHA and their respective transactions regarding the sharing of the Management Services contemplated thereunder will constitute continuing connected transactions for the Company under Rule 14A.14 of the Listing Rules. Details of the Renewed Sharing of Administrative Services and Management Services Agreement, the SHK Management Services Agreement and the QHA Management Services Agreement and the transactions contemplated thereunder will be included in the Company's next published annual report and accounts in accordance with Rules 14A.45 and 14A.46 of the Listing Rules.

BACKGROUND

The Company had entered into the Sharing of Administrative Services and Management Services Agreement with AGL on 14th September, 2005 for a term of 3 years commencing from 1st January, 2005 pursuant to which, AGL would provide to the Group the Administrative Services and the Management Staff would provide the Group with the Management Services and the Group would reimburse the relevant costs to AGL.

The Sharing of Administrative Services and Management Services Agreement had expired on 31st December, 2007 and the parties thereto agreed to renew and extend the terms of which for a period of three years commencing from 1st January, 2008 to 31st December, 2010.

RENEWED SHARING OF ADMINISTRATIVE SERVICES AND MANAGEMENT SERVICES AGREEMENT

Date	:	31st January, 2008.
Parties	:	The Company and AGL.
Effective period	:	Three years commencing from 1st January, 2008.
Nature of transactions	:	The Company agreed to reimburse AGL the costs incurred in respect of the Administrative Services and the Management Services provided by AGL to the Group.

Terms : In respect of the Administrative Services provided to the Group, the Group agreed to reimburse the actual costs incurred by AGL which will be payable by the Group on a monthly basis. The fees charged were determined by reference to the actual use of the Administrative Services by the Group on a cost basis without margin which varies across different types of services. For instance, in respect of sharing of office space, the rent and utility charges paid by the Company to AGL was calculated by reference to the floor area occupied by the Company. For other office administrative expenses such as postage, delivery and international telephone calls, AGL kept a record of such uses and the Company was charged on its actual use. The Directors consider that such cost allocation of the Administrative Services between the Group and AGL is on a fair and equitable basis and that the fees charged by AGL are comparable to market rates for similar services provided by the Independent Third Parties.

In respect of the Management Services provided to the Group, the Group agreed to reimburse a portion of the actual costs of the services incurred by AGL by reference to a specified percentage of the remuneration of members of the Management Staff providing the Management Services to the Group, which will be payable by the Group on a quarterly basis. Such percentage varies between each member of the Management Staff and the percentage of remuneration of individual members of the Management Staff payable by the Company would be determined by reference to the percentage of the time devoted by the individual members of the Management Staff to the affairs of the Group against the amount of time they would otherwise devote to the affairs of AGL.

Annual cap : In respect of the Management Services: HK\$9,800,000, HK\$10,780,000 and HK\$11,860,000 for each of the three financial years ending on 31st December, 2010.

Historical figures : Prior to the signing of the Renewed Sharing of Administrative and Management Services Agreement, the amount of fees paid and payable by the Group to AGL for the Management Services provided by the Management Staff for each of the three financial years ended 31st December, 2007 were approximately HK\$4,900,000, HK\$5,200,000 and HK\$5,500,000 respectively. The historical service charge paid by the Group reflected the actual level of requirement for the Management Services that were provided by the Management Staff.

- Basis of determining the annual cap : In determining the annual cap, besides taking into account the aforementioned service fees paid and payable by the Group for each of the three financial years ended 31st December, 2007, the Directors have also taken into consideration the existing scales of the Group's operations and, for the purpose of determining the annual cap only, the anticipated growth of the Group, the anticipated increase in the remuneration of those Management Staff personnel who are involved in providing management, consultancy, strategic and business advice to the Group, and having done so, for the three financial years ending on 31st December, 2010, the aggregate annual amount payable by the Group in respect of the Management Services under the Renewed Sharing of Administrative and Management Services Agreement is expected not to exceed HK\$9,800,000, HK\$10,780,000 and HK\$11,860,000 respectively and accordingly, the above figures have been adopted as the annual cap for the transaction in respect of the Management Services under the Renewed Sharing of Administrative Services and Management Services Agreement in respect of the same period.
- Reasons for and benefits of the transactions : The Directors consider that the sharing of Administrative Services and Management Services arrangement will benefit the Group in that both AGL and the Group can enjoy economies of scale brought by the sharing of the Administrative Services and Management Services which will maximise cost efficiency and management effectiveness. In addition, since members of the Management Staff will devote part of their time to the affairs of the Group in the course of performance of the Management Services to the Group, the Directors consider that it is reasonable for the Group to be charged for the Management Services so as to allocate the costs borne by AGL in this respect.
