S&P AGREEMENT

Date:

23 October 2008

Parties:

1. Dai Sun Jewellery Company Limited, being the Vendor. The Vendor is a private company incorporated in Hong Kong with limited liability to engage in jewellery trading. To the best of the knowledge, information and belief of the Directors, after having made all reasonable enquiries, the Vendor and its ultimate beneficial owner(s) are third parties independent of the Company and its connected persons; and
2. Easy Step Limited, a wholly-owned subsidiary of the Company, being the Purchaser.

Property to be acquired:

Unit 2801 on 28th Floor, China United Centre, No.28 Marble Road, North Point, Hong Kong, occupying a total saleable area of approximately 1,780 sq. ft.

The Property was previously held by the Vendor for its own use and therefore no financial information is available.

Consideration:

The aggregate consideration payable by the Purchaser to the Vendor for the Acquisition is HK\$14,177,500 in cash. A deposit of HK\$1,417,750 has been paid by the Purchaser to

the Vendor upon signing of the S&P Agreement. The remaining balance of HK\$12,759,750 will be paid by the Purchaser to the Vendor on Completion. The consideration will be financed by internal resources of the Group and/or banking facility.

On 12th September, 2008, Mr. Wong Man Hon Frederick entered into a PSAP with the Vendor. On 19th September, 2008, Mr. Wong nominated the Purchaser to take up the S&P Agreement and the subsequent assignment of the Property with the same major terms.

The Company appointed an independent surveyor, namely, B.I. Appraisals to conduct a valuation report of the Property which amounts to HK\$14,200,000. With reference to both the valuation report (which will be included in a circular to be dispatched to the Shareholders) and the prevailing market prices and the availability of properties with similar size and conditions in the vicinity, the Directors consider the value and terms of the Acquisition to be fair and reasonable. It is our commercial reason for the Company to acquire the Property in such an arrangement.

Completion:

Subject to the Vendor having proved good title to the Property, Completion will take place on or before 16 January 2009.

REASONS FOR AND BENEFITS OF THE ACQUISITION

The Company is an investment holding company and its subsidiaries are principally engaged in the insurance business, provision of finance, trading of securities, property holding and investment.

The Group seizes the opportunities to further expand its investment properties portfolio in quality commercial premises and the Company holds a positive view towards the prospects of real estate market in Hong Kong in the long run. Taking into accounts that the Acquisition will enlarge the property portfolio of the Group, the Board considers that the terms of the S&P Agreement are fair and reasonable and are in the interests of the Company and its shareholders as a whole. The Property is intended for rental purpose or own use.

GENERAL

The Acquisition constitutes a discloseable transaction for the Company under Chapter 14 of the Listing Rules. A circular containing further particulars of the Acquisition will be dispatched to the Shareholders as soon as possible in accordance with the requirements of the Listing Rules.
