PROFIT WARNING

This announcement is made by Asia Orient Holdings Limited (the “Company”, together with its subsidiaries, the “Group”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

The board of directors (the “Board”) of the Company wishes to inform the shareholders of the Company and potential investors that based on information currently available, the Group is expected to record a loss for the year ended 31 March 2012 compared with a profit for the year ended 31 March 2011.

The expected change was mainly attributable to (i) the absence of a non-recurrent gain on business combination which arose when Asia Standard International Group Ltd, formerly an associated company, became a subsidiary of the Group in end January last year and (ii) the losses, both realised and unrealised, on securities investments as opposed to a gain, mostly unrealised, in last year. The gain on business combination and the unrealised fair value loss or gain on securities investment has no effect on the cash flow of the Group in their respective reporting periods.

The information contained in this announcement is only based on the preliminary assessment according to figures and information that have not been audited or reviewed by the Company’s auditor. Details of the Group’s performance will be disclosed in its final results announcement for the year ended 31 March 2012 which is expected to be published in end June 2012.

Shareholders and potential investors should exercise caution when dealing in the shares of the Company.
