2. BUYBACK AND ISSUANCE MANDATES

At the annual general meeting of the Company held on 31 May 2011, general mandates were given to the Directors to exercise the powers of the Company to repurchase Shares and to issue new Shares respectively. Such mandates will lapse at the conclusion of the Annual General Meeting.

Ordinary resolutions will be proposed at the Annual General Meeting to approve the granting of new general mandates to the Directors:

- (a) to purchase Shares on the Stock Exchange of an aggregate nominal amount of up to 10% of the aggregate nominal amount of the issued share capital of the Company on the date of passing of such resolution;
- (b) to allot, issue or deal with Shares of an aggregate nominal amount of up to 20% of the aggregate nominal amount of the share capital of the Company in issue on the date of passing of such resolution; and
- (c) to extend the Issuance Mandate by an amount representing the aggregate nominal amount of the Shares repurchased by the Company pursuant to and in accordance with the Buyback Mandate.

As at the Latest Practicable Date, the issued share capital of the Company comprised 677,460,150 Shares. Subject to the passing of the ordinary resolution numbered 7 set out in the notice of the Annual General Meeting in respect of the granting of the Issuance Mandate and on the basis that no Shares are issued or repurchased by the Company prior to the date of the Annual General Meeting, the Directors would be authorised under the Issuance Mandate to allot, issue or deal with a maximum of 135,492,030 Shares (representing 20% of the Shares in issue as at the Latest Practicable Date) during the period in which the Issuance Mandate remains in force.

The Buyback Mandate and the Issuance Mandate will continue in force until the conclusion of the next annual general meeting of the Company held after the Annual General Meeting or any earlier date as referred to in ordinary resolutions numbered 7 and 8 set out in the notice of the Annual General Meeting. With reference to the Buyback Mandate and the Issuance Mandate, the Directors wish to state that they have no immediate plan to repurchase or issue any Shares pursuant thereto.

LETTER FROM THE BOARD

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hand. The Company will announce the results of the poll in the manner prescribed under Rule 13.39(5) of the Listing Rules.

5. RECOMMENDATION

The Directors consider that the granting of the Buyback Mandate and the granting and extension of the Issuance Mandate are in the interests of the Company and the Shareholders. Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting.

6. GENERAL INFORMATION

Your attention is drawn to the additional information set out in the Appendix I (Explanatory Statement on the Buyback Mandate) and Appendix II (Details of Directors proposed to be re-elected at the Annual General Meeting) to this circular.

Yours faithfully,
By Order of the Board
E Meng
Chairman

The following is an explanatory statement required by the Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Buyback Mandate.

1. REASONS FOR SHARE BUYBACK

The Directors believe that the granting of the Buyback Mandate is in the interests of the Company and the Shareholders.

Repurchases of Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking the granting of the Buyback Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 677,460,150 Shares.

Subject to the passing of the ordinary resolution numbered 8 set out in the notice of the Annual General Meeting in respect of the granting of the Buyback Mandate and on the basis that no Shares are issued or repurchased by the Company prior to the date of the Annual General Meeting, the Directors would be authorised under the Buyback Mandate to repurchase a maximum of 67,746,015 Shares (representing 10% of the Shares in issue as at the Latest Practicable Date) during the period in which the Buyback Mandate remains in force.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association, the Articles of Association, the laws of Hong Kong and/or any other applicable laws.

The Company is empowered by its memorandum of association and the Articles of Association to repurchase Shares. The laws of Hong Kong provide that the amount of capital paid in connection with a share repurchase by a company may only be paid out of either the capital paid up on the relevant shares, or the funds of the company which would otherwise be available for dividend or distribution or the proceeds of a fresh issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of funds of the company which would otherwise be available for dividend or distribution or out of the share premium account of the company before the shares are repurchased.

4. IMPACT OF REPURCHASES

There is no material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2011) in the event that the Buyback Mandate was to be carried out in full at any time during the proposed repurchase period.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Buyback Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, Idata Finance Trading Limited, the Company's substantial Shareholder, was interested in 275,675,000 Shares, representing approximately 40.69% of the total issued share capital of the Company. On the basis that no Shares are issued or repurchased prior to the date of the Annual General Meeting, in the event that the Directors exercise in full the power to repurchase Shares in accordance with the terms of the relevant ordinary resolution to be proposed at the Annual General Meeting, the interests of Idata Finance Trading Limited in the issued Shares would be increased to approximately 45.21% of the total issued share capital of the Company, and it would be obliged to make a mandatory offer under Rule 26 of the Takeovers Code as a result of such increase. However, the Directors do not intend to exercise the Buyback Mandate to such extent as would, in the circumstances, have any consequences which will require any substantial Shareholders to make a mandatory offer under the Takeovers Code.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Buyback Mandate is approved by the Shareholders.

The Company has not been notified by any connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Buyback Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Buyback Mandate in accordance with the Listing Rules and the laws of Hong Kong.

The highest and lowest prices per Share at which the Shares have traded on the Stock Exchange during each of the previous twelve months were as follows:
