Chairman

This appendix serves as an explanatory statement as required to be sent to the Shareholders under the Share Repurchase Rules and constitutes the memorandum required under section 49BA(3)(b) of the Companies Ordinance and contains the requisite information for your consideration of the Repurchase Mandate.

(A) SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 3,652,461,700 Shares.

Subject to the passing of the Ordinary Resolution No.(2) set out in item 5 in the AGM Notice in respect of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 365,246,170 Shares during the period as set out in Ordinary Resolution No.(2) set out in item 5 in the AGM Notice representing not more than 10% of the issued capital of the Company at the Latest Practicable Date.

(B) REASONS FOR THE REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or its earnings per Share and will only be made when the Directors believe that a repurchase will benefit the Company and its Shareholders.

(C) FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum and Articles of Association and the Companies Ordinance. The Companies Ordinance provides that the amount of capital repaid in connection with a share repurchase may only be paid from distributable profits of the Company or the proceeds of a new issue of Shares made for the purpose of repurchase and any premium payable on repurchase shall be paid out of distributable profits of the Company. If such repurchased Shares were issued at a premium, any premium payable on repurchase may be paid out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase to such extent allowable under the Companies Ordinance.

There might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts contained in the annual report for the year ended 31st December 2010 in the event that the power to repurchase Shares pursuant to the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the power to repurchase Shares pursuant to the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

(D) SHARE PRICE

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company under the Repurchase Mandate if such Repurchase Mandate is approved by the Shareholders.

No connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell the Shares to the Company, or have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

(F) TAKEOVER CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of Rule 32 of the Takeover Code. Accordingly, a Shareholder or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeover Code. As at the Latest Practicable Date, China Everbright Holdings Company Limited together with its associates are beneficially interested in 1,774,381,910 Shares representing approximately 48.58% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares pursuant to the Repurchase Mandate, then (if the present shareholdings remain the same), the shareholdings of China Everbright Holdings Company Limited together with its associates will be increased to approximately 53.98% of the issued share capital of the Company.

Based on such shareholding and in the event the Directors exercised in full the power to repurchase Shares pursuant to the Repurchase Mandate, an obligation to make a general offer by China Everbright Holdings Company Limited to shareholders under Rule 26 of the Takeovers Code may arise. The Directors have no present intention to exercise the power to repurchase Shares pursuant to the Repurchase Mandate to such an extent as to result in takeover obligations.

In the event that the Repurchase Mandate is exercised in full, the number of Shares held by the public will not fall below 25%.
