SUPPLEMENTAL ANNOUNCEMENT RELATING TO FIRST QUARTERLY RESULTS ANNOUNCEMENT AND FIRST QUARTERLY REPORT FOR THE THREE MONTHS ENDED 30 JUNE 2018

Reference is made to the announcement of China Oil Gangran Energy Group Holdings Limited (the “**Company**”) dated 14 August 2018 in relation to unaudited consolidated first quarterly results (the “**First Quarterly Results**”) for the three months ended 30 June 2018 (the “**Results Announcement**”), the first quarterly report for the three months ended 30 June 2018 (the “**First Quarterly Report**”) and the clarification announcement (the “**Clarification Announcement**”) of the Company dated 28 September 2018. Capitalised terms used in this announcement shall have the same meaning as those defined in the Results Announcement, unless otherwise stated therein.

As set out in the Clarification Announcement, the Board noted that there was an inadvertent error in the Results Announcement and the First Quarterly Report. The Board wishes to supplement as follow:

Sequence of events

Set out below is a detailed timetable of the sequence of events and the parties involved in relation to the error in the First Quarterly Results and the First Quarterly Report:

In early July 2018, the Company commenced its preparation of the First Quarterly Results and the First Quarterly Report. In mid-July 2018, due to miscommunication between the Company and the manufacturing division of the Group (the “**Division**”), the Company had inadvertently used financial information of the Division that was not up to date for consolidation of the accounts of the Group, which was then included in the First Quarterly Results and the First Quarterly Report. On 14 August 2018, an audit committee meeting and Board meeting was held by the audit committee of the Company (the “**Audit Committee**”) and the Board respectively for approving the First Quarterly Results and the First Quarterly Report. The Company then published the Results Announcements and the First Quarterly Report later that evening.

On or about 24 August 2018, the management of the Division first raised the issue relating to the error in the First Quarterly Results and the First Quarterly Report to the Board. On 3 September 2018, the Board convened a meeting to discuss the issue raised by the Division and formed the SIC (as defined below) to investigate as to whether the amount of the Relevant Revenue (as defined below) as reported in the Results Announcement was incorrect. On or about 22 September 2018, the SIC informed the Board that the Relevant Revenue as reported in the Results Announcements was incorrect. The SIC investigation is ongoing. On 28 September 2018, the Company published the Clarification Announcement after it had been approved by the Board.

The underlying reason for the error

Based on the information currently available to the Company, the underlying reason for causing the error in the First Quarterly Results and the First Quarterly Report was due to the miscommunication between the Company and the Division in relation to the preparation of the First Quarterly Results and the First Quarterly Report. At the material time, there had been a lot of changes in the staff turnover of the Group and the new staff was not familiar with the accounting procedures of the Group or the business operations of the Division. As a result, the Company had inadvertently used financial information of the Division that was not up to date for consolidation of the accounts of the Group. Such accounts of the Group was then included in the First Quarterly Results and the First Quarterly Report.

The Audit Committee and the Board was unable to locate such error when the First Quarterly Results and the First Quarterly Report were published as the Board was only informed of such error by the Division on or about 24 August 2018.
