Based on the closing price of HK\$0.028 per Share (equivalent to HK\$0.56 per Consolidated Share) as quoted on the Stock Exchange as at the date of this announcement, the market value of each board lot of 5,000 Consolidated Shares, assuming the Share Consolidation and the Change in Board Lot Size had already become effective, would be HK\$2,800.

GENERAL

The EGM will be convened and held for the Shareholders to consider and, if thought fit, approve the Share Consolidation. A circular containing, among other things, further detail of the proposed Share Consolidation and the notice convening the EGM is expected to be despatched to the Shareholders on or before 12 November 2018.

PROPOSED SHARE CONSOLIDATION

The Board proposes that every twenty (20) issued and unissued Existing Shares in the share capital of the Company be consolidated into one (1) Consolidated Share.

Effects of the Share Consolidation

As at the date of this announcement, the authorised share capital of the Company is HK\$8,000,000 divided into 40,000,000,000 Existing Shares, of which 7,142,456,372 Existing Shares have been issued and are fully paid or credited as fully paid. Assuming that no further Shares are issued or repurchased from the date of this announcement up to the date of the EGM, immediately after the Share Consolidation becoming effective, the authorised share capital of the Company will become HK\$8,000,000 divided into 2,000,000,000 Consolidated Shares, of which 357,122,818 Consolidated Shares will be in issue which are fully paid or credited as fully paid.

Upon the Share Consolidation becoming effective, the Consolidated Shares shall rank pari passu in all respects with each other.

Other than the expenses to be incurred in relation to the Share Consolidation, the implementation of the Share Consolidation will not alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders.

Conditions of the Share Consolidation

The implementation of the Share Consolidation is conditional upon:

- (i) the passing of an ordinary resolution by the Shareholders at the EGM to approve the Share Consolidation; and
- (ii) the GEM Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective.

The Share Consolidation will become effective on the next Business Day immediately following the fulfilment of the above conditions.

Listing Application

An application will be made by the Company to the Stock Exchange for the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective.

Subject to the granting of the listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Consolidated Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS established and operated by HKSCC.

None of the Existing Shares are listed or dealt in on any other stock exchange other than the Stock Exchange, and at the time the Share Consolidation becomes effective, the Consolidated Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

PROPOSED CHANGE IN BOARD LOT SIZE

The Shares are currently traded in board lots of 20,000 Shares. The Company proposes to change the board lot size for trading on the Stock Exchange from 20,000 Shares to 5,000 Consolidated Shares after and conditional upon the Share Consolidation becoming effective.

Based on the closing price of HK\$0.028 per Share (equivalent to HK\$0.56 per Consolidated Share) as quoted on the Stock Exchange as at the date of this announcement, the market value of each board lot of 5,000 Consolidated Shares, assuming the Share Consolidation and the Change in Board Lot Size had already become effective, would be HK\$2,800.

OTHER ARRANGEMENTS

Fractional entitlement to Consolidated Shares

Fractional Consolidated Shares will be disregarded and will not be issued to the Shareholders but all such fractional Consolidated Shares will be aggregated and, if possible, sold for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Existing Shares of the Company regardless of the number of share certificates held by such holder.

Arrangement on odd lot trading

In order to facilitate the trading of odd lots (if any) of the Consolidated Shares, the Company will appoint a securities firm as an agent to provide matching services, on a best effort basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares. Details of the odd lot arrangement will be set out in the circular to be despatched to the Shareholders.

Holders of odd lots of the Consolidated Shares should note that the matching of the sale and purchase of odd lots of the Consolidated Shares is not guaranteed. Shareholders who are in any doubt about the odd lots matching arrangement are recommended to consult their own professional advisers.

Exchange of certificates for Consolidated Shares

Subject to the Share Consolidation becoming effective, which is currently expected to be Thursday, 29 November 2018, being the Business Day immediately after the date of the EGM, Shareholders may on or after Thursday, 29 November 2018 and until Wednesday, 9 January 2019 (both days inclusive), submit their existing share certificates for the Existing Shares to the Company's branch share registrar, Tricor Investor Services Limited, at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong for exchange for share certificates for the Consolidated Shares at the expense of the Company. It is expected that the new share certificates for the Consolidated Shares will be available for collection within 10 business days after the submission of the existing share certificates to the share registrar of the Company for exchange. Thereafter, a fee of HK\$2.50 (or such other amount as may from time to time be allowed by the Stock Exchange) will be payable by the Shareholders to the Company's branch share registrar for each share certificate for the Consolidated Shares issued or each share certificate for the Existing Shares submitted for cancellation, whichever is higher.

With effect from Tuesday, 8 January 2019, trading will only be in Consolidated Shares which share certificates will be issued. Existing share certificates for the Existing Shares will cease to be valid for trading, settlement and registration purpose, but will remain valid and effective as documents of title.

Adjustments in relation to other securities of the Company

As at the date of this announcement, the Company has outstanding convertible notes in the principal amount of HK\$15,000,000, which are convertible into 75,000,000 Existing Shares at the conversion price of HK\$0.2 per Share. The proposed Share Consolidation may lead to adjustment to the conversion price of the convertible notes of the Company and the number of Consolidated Shares which may fall to be issued upon exercise of the conversion rights attaching to the convertible notes, such adjustment to be made in accordance with the terms and conditions of the convertible notes. The Company will make further announcement(s) on such adjustment(s) as and when appropriate.

As at the date of this announcement, there are outstanding share options of the Company for subscription of 631,448,000 Existing Shares under the Share Option Scheme. The proposed Share Consolidation may lead to adjustment to the exercise price of the share options of the Company and the number of Consolidated Shares which may fall to be issued upon exercise of the subscription rights attaching to the share options, such adjustment to be made in accordance with the terms and conditions of the Share Option Scheme and the GEM Listing Rules. The Company will make further announcement(s) on such adjustment(s) as and when appropriate.

Save as disclosed above, as at the date of this announcement, the Company has no other outstanding options, warrants or other securities in issue which are convertible into or giving rights to subscribe for, convert or exchange into, any Existing Shares or Consolidated Shares, as the case may be.

REASONS FOR THE PROPOSED SHARE CONSOLIDATION AND CHANGE IN BOARD LOT SIZE

Under Rule 17.76 of the GEM Listing Rules, where the market price of the securities of an issuer approaches the extremities of HK\$0.01 or HK\$9,995.00, the issuer may be required either to change the trading method or to proceed with a consolidation or splitting of its securities. In view that the Shares had been traded at around or below HK\$0.10 at most of the time in the past 12 months, except 18 October 2017 to 20 October 2017 and 23 October 2017 to 25 October 2017 (based on the closing price per Share as quoted on the Stock Exchange), the Board proposes to implement the Share Consolidation and Change in Board Lot Size. It is expected that the proposed Share Consolidation and Change in Board Lot Size would bring about a corresponding upward adjustment in the trading price of the Consolidated Shares on the Stock Exchange. As a result, the proposed Share Consolidation and Change in Board Lot Size would enable the Company to comply with the trading requirements under Rule 17.76 of the GEM Listing Rules.

The Company also considers that the proposed Change in Board Lot Size will maintain the trading amount for each board lot at a reasonable level and attract more investors and broaden the shareholder base of the Company. The Company considered that the expected market value of each board lot of HK\$2,800 after the Share Consolidation becoming effective is at a reasonable level for the following reasons: (i) if the expected market value of each board lot is set at a higher level, it may reduce potential investors' interest in acquiring the Shares and as a result decrease the liquidity of the Shares; and (ii) it enables the Company to comply with the "Guide on Trading Arrangements for Selected Types of Corporate Actions" issued by Hong Kong Exchanges and Clearing Limited, which requires the expected board lot value to be greater than HK\$2,000.

Save for the relevant expenses, including but not limited to professional fees and printing charge to be incurred by the Company, the implementation of the Share Consolidation and Change in Board Lot Size will not alter the underlying assets, business operations, management or the financial position of the Company or the proportionate interests of the Shareholders. In view of the above, the Board considers that the Share Consolidation and Change in Board Lot Size are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

The Board may consider conducting fund raising exercise in the 12 months following the date of this announcement for, among others, repayment of outstanding loans and liabilities of the Group, financing potential acquisitions and business opportunities and replenishing its general working capital.

The Company does not have any intention to carry out any other corporate actions or arrangements that may affect the trading in the Shares (including share consolidation, share subdivision and change in board lot size) in the coming 12 months.

The expected timetable for the Share Consolidation and Change in Board Lot Size is set out below.
