DISCLOSEABLE TRANSACTION — FINANCE LEASE ARRANGEMENT

On 4 June 2021, Chengtong Financial Leasing, an indirect wholly-owned subsidiary of the Company, entered into the Finance Lease Agreements with the Lessee, pursuant to which Chengtong Financial Leasing will purchase the Facilities from the Lessee and will lease the Facilities back to the Lessee for a term of five (5) years.

As the highest applicable percentage ratio (as defined under the Listing Rules) in respect of the Finance Lease Arrangement exceeds 5% but is less than 25%, the Finance Lease Arrangement constitutes a discloseable transaction of the Company and is subject to the notification and announcement requirements under Chapter 14 of the Listing Rules.

On 4 June 2021, Chengtong Financial Leasing, an indirect wholly-owned subsidiary of the Company, entered into the Finance Lease Agreements with the Lessee in respect of the Finance Lease Arrangement, the major terms of which are set out below.

FINANCE LEASE ARRANGEMENT

Date of the Finance Lease Agreements

4 June 2021

Parties

Lessor: Chengtong Financial Leasing

Lessee: The Lessee

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, the Lessee and its ultimate beneficial owners are Independent Third Parties, and the Lessee is principally engaged in the business of management of state-owned local water supply equipment, provision of hydroelectric power and production and supply of tap water.

Subject matter

Subject to the fulfilment of certain conditions as set out in the Finance Lease Agreements (including but not limited to the obtaining of all necessary approvals by the Lessee in relation to the Finance Lease Arrangement, the signing and the coming into effect of the relevant guarantee agreement, and the payment of the security money (as set out below) by the Lessee), Chengtong Financial Leasing will purchase the Facilities from the Lessee at the Purchase Price of RMB150 million (equivalent to approximately HK\$181.50 million), and the Facilities will be leased back to the Lessee for a period of five (5) years (“**Lease Term**”) from the date on which the Purchase Price is paid by Chengtong Financial Leasing.

If any of the conditions are not satisfied on or before 4 July 2021, Chengtong Financial Leasing shall have the right to unilaterally terminate the Finance Lease Agreements.

Purchase Price

The Purchase Price of RMB150 million (equivalent to approximately HK\$181.50 million) was agreed between Chengtong Financial Leasing and the Lessee with reference to the appraised value of the Facilities as at 20 April 2021 which amounted to approximately RMB154.36 million (equivalent to approximately HK\$186.78 million).

The Purchase Price will be satisfied by the internal resources of the Group and/or borrowings.

Legal title

Chengtong Financial Leasing owns the legal title of the Facilities during the Lease Term.

Lease payment

The total amount of lease payment over the Lease Term is estimated to be approximately RMB171.59 million (equivalent to approximately HK\$207.62 million) which shall be paid by the Lessee to Chengtong Financial Leasing in ten (10) instalments on a half yearly basis during the Lease Term.

The total amount of lease payment is calculated on the then outstanding lease principal amount (being initially the amount of Purchase Price to be paid by Chengtong Financial Leasing) with a floating interest rate to be determined at a premium over the five-year loan prime rate as promulgated by the National Interbank Funding Center under the authority of the People's Bank of China (“**LPR**”) from time to time. In the event that

the LPR changes during the Lease Term, adjustments will be made to such lease interest rate on an annual basis on 1 January every year except in the case where the Lessee has overdue lease payment and has not paid all overdue payments and liquidated damages, the interest rate applied will not be adjusted when the LPR is reduced. The interest rate has been agreed after arm's length negotiations between the parties with reference to the Purchase Price payable by Chengtong Financial Leasing for the purchase of the Facilities and the credit risks associated with the Finance Lease Arrangement.

Lessee's right to repurchase the Facilities

Upon the expiry of the Lease Term, subject to the Lessee having paid all the lease payments and any other payables (if any) to Chengtong Financial Leasing in accordance with the terms of the Finance Lease Agreements, the Lessee shall have the right to repurchase the Facilities at a nominal consideration of RMB1.00.

Security money

The Lessee agrees to pay a sum of RMB7.50 million (equivalent to approximately HK\$9.08 million) as security money for the performance of its obligations under the Finance Lease Agreements.

If the Lessee fails to fully perform any obligation under the Finance Lease Agreements, Chengtong Financial Leasing has the right to apply the security money to set off against any amount owed by the Lessee to it in the following order: liquidated damages, other payables including but not limited to damages (if any), outstanding and prospective lease payments and repurchase price. If the Lessee has fully performed all its obligations under the Finance Lease Agreements, Chengtong Financial Leasing shall return the security money to the Lessee upon the expiry of the Lease Term and the Lessee's presentation of the receipt of the security money.

When the amount payable by the Lessee under the Finance Lease Agreements is less than the balance of the security money, the Finance Lease Agreements may be early terminated upon the Lessee's application. The Lessee shall then present the receipt of the security money to Chengtong Financial Leasing upon which the security money shall be used to set off the lease payments and other payables under the Finance Lease Agreements and any remaining balance of the security money shall be returned to the Lessee.

Guarantee

The Guarantor has provided a guarantee in favour of Chengtong Financial Leasing for all amounts payable by the Lessee under the Finance Lease Agreements, including but not limited to liquidated damages, outstanding and prospective lease payment, repurchase price and other payables. The guarantee is irrevocable and continuing in nature.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, the Guarantor and its ultimate beneficial owner are Independent Third Parties, and the Guarantor is principally engaged in the businesses of investment and asset management, financial consulting, investment holding, leasing, construction of urban infrastructures and land-use improvement.

REASONS FOR AND BENEFITS OF THE FINANCE LEASE ARRANGEMENT

The Group is principally engaged in leasing, bulk commodity trade, property development, property investment and marine recreation services and hotel business. The Group's leasing business is mainly carried out through Chengtong Financial Leasing as its principal business.

The entering into of the Finance Lease Arrangement is in the ordinary and usual course of business of Chengtong Financial Leasing and it is expected that Chengtong Financial Leasing will earn an income of approximately RMB21.59 million (equivalent to approximately HK\$26.12 million), being the difference between the estimated total lease payments under the Finance Lease Arrangement and the Purchase Price to be paid by Chengtong Financial Leasing for the Facilities.

The Directors are of the view that the terms of the Finance Lease Arrangement are fair and reasonable and are in the interests of the Company and the shareholders of the Company as a whole.
