In light of the foregoing, written Shareholders' approval may be accepted in lieu of holding a general meeting pursuant to Rule 14.44 of the Listing Rules. The Company has obtained written Shareholder's approval in respect of the Sale and Leaseback Arrangement from China Chengtong Hong Kong Company Limited, which is a controlling shareholder (as defined in the Listing Rules) of the Company holding 3,169,656,217 issued shares of the Company, representing approximately 53.14% of the issued share capital of the Company as at the date of this announcement. Accordingly, no general meeting of the Company will be convened for the purpose of approving the Sale and Leaseback Arrangement.

A circular containing, among other things, (i) information on the Sale and Leaseback Arrangement, and (ii) other information required under the Listing Rules will be despatched to the Shareholders on or before 11 January 2024, which is within 15 business days after the publication of this announcement.

The lease interest rate will be subject to review on 1 January every year. In the event that the LPR changes, the lease interest rate will be adjusted to a rate at the aforesaid fixed premium over the new LPR, except in the case where the Lessee has an overdue lease payment and has not paid all overdue payments and liquidated damages, the interest rate to be applied will not be adjusted when the LPR is reduced.

The Lessee shall pay a one-off service fee of RMB1.52 million (equivalent to approximately HK\$1.66 million) (“**Service Fee**”) to Chengtong Financial Leasing on the date of the payment of the Purchase Price under the Sale and Leaseback Agreements for the preliminary services provided by Chengtong Financial Leasing. The Service Fee is non-refundable.

The lease payment (including the interest rate to be determined in accordance with the applicable LPR and the premium) and Service Fee applicable to the Sale and Leaseback Arrangement have been agreed between the parties after arm’s length negotiation taking into account a number of factors, such as the amount of lease principal, the lease term, the overall return rate attained by the Group taking into account the amount of lease interests and Service Fee, the prevailing market conditions and the movement of the LPR.
