The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Share Buy-back Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 434,804,000 Shares.

Subject to the passing of the ordinary resolution set out in item 6 of the notice of the Annual General Meeting in respect of the granting of the Share Buy-back Mandate and on the basis that the issued share capital of the Company remains unchanged during the period from the Latest Practicable Date to the date of the Annual General Meeting, i.e. being 434,804,000 Shares, the Directors would be authorized under the Share Buy-back Mandate to repurchase, during the period in which the Share Buy-back Mandate remains in force, a total of 43,480,400 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting.

2. REASONS FOR SHARE BUY-BACK

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to buy-back Shares on the Stock Exchange.

Shares buy-back may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders as a whole.

The Share Buy-back Mandate will only be exercised when the Directors believe that such buy-back will benefit the Company and the Shareholders as a whole. The Directors have no present intention to buy-back any Shares.

3. FUNDING OF SHARE BUY-BACK

The Company may only apply funds legally available for share buy-back in accordance with its memorandum and Articles of Association, the laws of the Cayman Islands and/or any other applicable laws, as the case may be. The Company will not buy-back the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange.

4. IMPACT OF SHARE BUY-BACK

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2016) in the event that the Share Buy-back Mandate was exercised in full at any time during the proposed buy-back

period. However, the Directors do not intend to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company. The number of Shares to be bought back on any occasion and the price and other terms upon which the same are bought back will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during each of the following months were as follows:

Month	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2016		
April	2.35	1.8
May	2.14	1.8
June	1.89	1.62
July	1.91	1.69
August	2.02	1.71
September	2.02	1.85
October	3.05	1.58
November	3.15	2.09
December	2.29	1.95
2017		
January	2.1	1.79
February	2.04	1.75
March	1.82	1.48
April (up to the Latest Practicable Date)	1.5	1.46

6. GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates has any present intention to sell any Shares to the Company or its subsidiaries in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to repurchase Shares pursuant to the Share Buy-back Mandate in accordance with the Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands.

7. EFFECT OF THE TAKEOVERS CODE

If as a result of a buy-back of Shares pursuant to the Share Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge and belief of the Directors, as at the Latest Practicable Date, Mr. Wang Yong Hong and parties acting in concert with him were interested in 326,089,600 Shares representing approximately 75% of the total issued share capital of the Company. In the event that the Directors exercise the proposed Share Buy-back Mandate in full, the aggregate shareholding of Mr. Wang Yong Hong and his parties acting in concert with him would be increased to 83.33% of the issued share capital of the Company and such increase will not give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

The Directors do not propose to exercise the Share Buy-back Mandate to such an extent as would, in the circumstances, result in the aggregate number of Shares held by the public Shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

8. SHARE BUY-BACK MADE BY THE COMPANY

During the six months preceding the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise).
