### 2. REPURCHASE AND ISSUANCE MANDATES

The Listing Rules contain provisions to regulate the repurchase by companies with primary listings on the Stock Exchange of their own shares on the Stock Exchange.

At the annual general meeting of the Company held on 24 May 2016, general mandates were given to the Directors to exercise the powers of the Company to undertake repurchases of the Company's fully paid up Shares of up to a maximum of 726,456,626 Shares, being 10% of the issued share capital of the Company on the date of passing the relevant ordinary resolution at the annual general meeting and to allot, issue and deal with new Shares of up to 1,452,913,253 Shares, being 20% of the issued share capital of the Company on the date of passing the relevant ordinary resolution at the annual general meeting. Such general mandates will continue in force until the conclusion of the forthcoming Annual General Meeting.

Hence, ordinary resolutions will be proposed at the Annual General Meeting:

- (i) to grant a general mandate to the Directors to exercise the powers of the Company to undertake repurchases of the Company's fully paid up Shares up to a maximum of 10% of the issued share capital of the Company on the date of passing the relevant ordinary resolution (the "**Repurchase Mandate**");
- (ii) to grant a general mandate to the Directors to allot, issue and deal with new Shares up to a maximum of 20% of the issued share capital of the Company on the date of passing the relevant ordinary resolution (the "**Issuance Mandate**"); and
- (iii) to extend the Issuance Mandate by the number of Shares repurchased by the Company under the Repurchase Mandate.

The Repurchase Mandate and the Issuance Mandate will continue in force until the conclusion of the next annual general meeting of the Company or any earlier date as referred to in resolution nos. 4A and 4B set out in the notice of Annual General Meeting. Based on 7,264,566,267 Shares in issue as at the Latest Practicable Date and assuming no further Shares are issued and no Shares are repurchased after the Latest Practicable Date and up to the date of the Annual General Meeting, the Directors will be able to repurchase up to a total of 726,456,626 Shares if the Repurchase Mandate is granted at the Annual General Meeting and to allot, issue and deal with up to a total of 1,452,913,253 Shares if the Issuance Mandate is granted at the Annual General Meeting.

### 6. GENERAL INFORMATION

Your attention is also drawn to the additional information set out in the Appendix I (Explanatory Statement on the Repurchase Mandate) and Appendix II (Details of Retiring Directors proposed to be re-elected at the Annual General Meeting) to this circular.

### 7. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully,  
By Order of the Board  
**China Best Group Holding Limited**  
**Mr. Li Yang**  
*Deputy Chairman*

*The following is the explanatory statement required to be sent to the Shareholders under the Listing Rules to enable them to make an informed decision on whether to vote for or against the ordinary resolution in relation to the granting of the Repurchase Mandate to be proposed at the Annual General Meeting.*

### **1. REASONS FOR SHARE REPURCHASE**

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole for the Directors to have general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made if the Directors believe such repurchases will benefit the Company and the Shareholders.

### **2. SHARE CAPITAL**

As at the Latest Practicable Date, the issued and fully paid up share capital of the Company comprised 7,264,566,267 Shares of HK\$0.05 each.

Subject to the passing of the ordinary resolution to approve the Repurchase Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the Annual General Meeting, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 726,456,626 Shares, representing not more than 10% of the issued share capital of the Company.

### **3. FUNDING OF REPURCHASES**

In repurchasing Shares under the Repurchase Mandate, the Company may only apply funds legally available for such purpose in accordance with its Bye-laws, the Listing Rules and the applicable laws of Bermuda. Under applicable laws, share repurchases may only be made out of the capital paid up on the relevant Shares or out of the funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purposes of the repurchase; and any premium, if any, payable may only be provided for out of funds of the Company which would otherwise be available for dividend or distribution or out of the Company's share premium account before the Shares are repurchased.

There might be material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited consolidated financial statements of the Company for the year ended 31 December 2016, being the date of the most recent published audited accounts of the Company, in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

#### 4. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which the Shares have been traded on the Stock Exchange during each of the previous 12 months preceding the Latest Practicable Date were as follows:

**5. DISCLOSURE OF INTEREST OF DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS**

None of the Directors nor, to the best of their knowledge and having made all reasonable enquiries, any of their respective close associates, have any present intention to sell any Shares to the Company under the Repurchase Mandate, in the event the Repurchase Mandate is approved by Shareholders.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she has a present intention to sell Shares to the Company or has undertaken not to do so in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules, the Bye-laws and the applicable laws of Bermuda.

**6. EFFECT OF THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING**

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, the Shareholders who were interested in 5% or more of the issued share capital of the Company, according to the register of interests required to be kept by the Company under section 336 of the SFO, were as follows:

Based on such interests and assuming that no further Shares are issued or repurchased prior to the Annual General Meeting, in the event that the Directors exercise in full the power to repurchase Shares pursuant to the Repurchase Mandate, the interests of the Shareholders in the Company would be at most increased by approximately 2.75%. Nevertheless, based on the table shown above and assuming that the Repurchase Mandate is exercised in full and the interests of the Shareholders would be increased by 2.75% at most, the effect solely brought about by such increase would not give rise to any obligation on the part of any Shareholder to make a mandatory offer in accordance with Rule 26 and 32 of the Takeovers Code.

Save as aforesaid, the Directors are not aware of any consequences which will arise under the Takeovers Code as a consequence of any repurchases made pursuant to the Repurchase Mandate.

The Directors will not make any repurchase of Shares on the Stock Exchange if the repurchase would result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.
