CHARACTERISTICS OF THE GEM OF THE STOCK EXCHANGE

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

5. PROPOSED REFRESHMENT OF SCHEME MANDATE LIMIT OF THE SHARE OPTION SCHEME

The existing Share Option Scheme was adopted by the Company on 10 August 2011 (“Adoption Date”) as approved by way of a Shareholders’ resolution (“2011 Resolution”) passed on 5 August 2011. Apart from the Share Option Scheme, the Group has no other share option scheme currently in force. The purpose of the Share Option Scheme is to enable the Group to grant Options to the eligible participants (including, amongst others, employees of the Group) as incentives or rewards for their contribution to the Group, promotion of improved services to the Group and/or establishment of stronger business relationships between the Group and such participants.

The maximum number of Shares which may be issued upon exercise of all Options which may be granted under the Share Option Scheme shall not exceed 75,635,500 Shares (the “Initial Scheme Mandate Limit”), being 10% of the Shares in issue as at the date of the passing of the 2011 Resolution. The Initial Scheme Mandate Limit was refreshed at the 2016 AGM and the Directors were authorised to grant Options to subscribe for a maximum total of 109,536,050 Shares representing 10% of the issued Shares as at date of the 2016 AGM. Since the Adoption Date and up to the Latest Practicable Date, a total of 109,500,000 Options were granted, out of which 27,787,500 Options had been exercised, 2,612,500 Options had lapsed, 500,000 Options had been cancelled, and 78,600,000 Options remained outstanding as at the Latest Practicable Date.

Since the refreshment of the Scheme Mandate Limit on 28 September 2016, the issued share capital of the Company had been increased from 1,095,360,500 Shares to 1,450,963,725 Shares as at the Latest Practicable Date as a result of, amongst others, issue of new Shares upon exercise of Options granted under the Share Option Scheme as mentioned above, and through conversion of convertible note and placing carried out and completed in recent years on 29 November 2016, 20 June 2017 and 30 April 2018 respectively. The number of Shares in issue on the date of the 2016 AGM which forms the basis for the Existing Scheme Mandate Limit merely represents approximately 75% of the Shares in issue as at the Latest Practicable Date.

Pursuant to the terms of the Share Option Scheme and Rule 23.03(3) of the GEM Listing Rules, the Company may seek approval from its Shareholders in a general meeting for refreshing the 10% Scheme Mandate Limit under the Share Option Scheme. However, the total number of Shares which may be issued upon exercise of all Options to be granted pursuant to the Share Option Scheme under the refreshed Scheme Mandate Limit must not exceed 10% of the Shares in issue as at the date of approving refreshment of the Scheme Mandate Limit. Options previously granted under the Share Option Scheme (including those outstanding, cancelled, lapsed in accordance with the Share Option Scheme or exercised Options) will not be counted for the purpose of calculating the Scheme Mandate Limit as refreshed. The limit on the number of Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other schemes of the Company (or

LETTER FROM THE BOARD

its subsidiaries) must not exceed 30% of the relevant class of shares of the Company (or its subsidiaries) in issue from time to time. No options may be granted under any schemes of the Company (or its subsidiaries) if this will result in the limit being exceeded.

By reason of the substantial enlargement of the share capital of the Company in recent years as aforesaid, and in anticipation of the growing need to provide incentives to, and recognize the contribution of, the eligible participants (including without limitation the Group's employees) under the Share Option Scheme by way of granting Options, the Board proposes to seek approval of the Shareholders at the AGM to refresh the 10% Scheme Mandate Limit, with a view to adjusting the Scheme Mandate Limit in order to render it accurately corresponding to the latest share capital of the Company, and also allowing more flexibility in granting Options to eligible participants under the Share Option Scheme. The Directors consider that refreshment of the Scheme Mandate Limit is in the interests of the Company and the Shareholders as a whole.

As at the Latest Practicable Date, the Company had an aggregate of 1,450,963,725 Shares in issue. Subject to the passing of the resolution for approval of the refreshment of the Scheme Mandate Limit and on the basis that no further Shares will be issued or repurchased prior to the AGM, under the refreshed Scheme Mandate Limit, the Directors will be authorised to grant Options to subscribe for a maximum total of 1,450,963,725 Shares, representing 10% of the issued Shares as at the date of the AGM. As at the Latest Practicable Date, the Company had not proposed further grant of Options.

The refreshment of the Scheme Mandate Limit is conditional upon:

- (i) the passing of an ordinary resolution at the AGM to approve the refreshment of the Scheme Mandate Limit by the Shareholders; and
- (ii) the GEM Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, such number of Shares, representing 10% of the number of the issued Shares as at the date of the AGM which may fall to be allotted and issued pursuant to the exercise of Options granted under the refreshed Scheme Mandate Limit pursuant to the Share Option Scheme.

Application will be made to the Stock Exchange for the approval mentioned in paragraph (ii) above.

6. ANNUAL GENERAL MEETING

The notice of the AGM is set out on pages 17 to 21 of this circular. At the AGM, resolutions will be proposed to approve, inter alia, the granting of the Repurchase Mandate and Issue Mandate and the extension of the Issue Mandate by the addition thereto of the number of Shares repurchased pursuant to the Repurchase Mandate, the re-election of Directors and the refreshment of Scheme Mandate Limit of the Share Option Scheme. A form of proxy for use at the AGM is enclosed with this circular and such form of proxy is also published on the GEM

LETTER FROM THE BOARD

website (www.hkgem.com) and the Company's website (www.cbg.com.hk). In order to be valid, the form of proxy together with any power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power of attorney or authority, must be deposited at the Company's branch share registrar in Hong Kong, Tricor Tengis Limited at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong not less than 48 hours before the time appointed for holding the AGM or any adjourned meeting thereof. The completion and return of the form of proxy will not preclude Shareholders from attending and voting in person at the AGM or any adjournment thereof, should they so wish.

7. VOTING BY POLL

Pursuant to Rule 17.47(4) of the GEM Listing Rules, any vote of shareholders at a general meeting must be taken by poll. Therefore, all resolutions proposed at the AGM shall be voted by poll.

8. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

9. RECOMMENDATION

The Directors consider that the resolutions as set out in the notice of AGM for (i) the granting of the Repurchase Mandate and the Issue Mandate, (ii) the re-election of Directors, and (iii) the proposed refreshment of the Scheme Mandate Limit of the Share Option Scheme, as proposed above are all in the best interests of the Company and the Shareholders and accordingly recommend the Shareholders to vote in favour of all such resolutions at the AGM.

10. GENERAL INFORMATION

Your attention is also drawn to the additional information set out in the appendices to this circular.

Yours faithfully,
For and on behalf of the Board of
CHINA BRILLIANT GLOBAL LIMITED
Zhang Chunhua
Chairman

The following is the explanatory statement required to be sent to Shareholders under the GEM Listing Rules in connection with the proposed Repurchase Mandate:

This explanatory statement contains all information pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules which is set out as follows:

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,450,963,725 Shares.

Subject to the passing of the ordinary resolution set out in item 4 of the notice of AGM respect of the granting of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the date of the AGM, the Directors would be authorised under the Repurchase Mandate to repurchase a maximum of 145,096,372 Shares, representing 10% of the issued Shares of the Company as at the date of passing of the resolution approving the Repurchase Mandate, during the period up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) the revocation, variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

2. REASONS FOR REPURCHASES

The Directors believe that the granting of the Repurchase Mandate is in the interests of the Company and the Shareholders.

Repurchases of Shares may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per share. The Directors are seeking the granting of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and articles of association, the GEM Listing Rules and the applicable laws of the Cayman Islands. The Company may not purchase Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 March 2018) in the event that the proposed repurchase of Shares was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. MARKET PRICES

The highest and lowest prices at which the Shares were traded on the GEM during the previous twelve months preceding the Latest Practicable Date were as follows:

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules, the Memorandum and Articles of Association of the Company and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates have any present intention to sell any Shares to the Company under the Repurchase Resolution if such is approved by the Shareholders.
