

**China Comservice was awarded "The Best Risk Management Company" by
FORTUNE China in their first list of Best Listed Companies**

The list of Best Listed Companies by *Fortune China* was jointly launched with Pan-Pacific Group and Keywise Capital Management Company. The short-listed companies are mainly A-share and H-share listed Chinese companies, and they are categorized into 10 major industrial sectors according to Global Industry Classification Standard (GICS), namely Telecommunication Services, Consumer Discretionary, Industrials, Utilities, Financials, Energy, Consumer Staples, Information Technology, Health Care and Materials. The final award-winning companies are selected after comprehensive assessments by industry experts, and the awards include "The Best Investment Return Company" Awards, "The Best Risk Management Company" Awards and "The Best Strategic Innovation Company" Awards.
