The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review on the draft unaudited consolidated management accounts of the Group for the year ended 31 December 2015 (the “**Year**”), the Group is expected to record a material increase in its profit attributable to the equity holders of the Company for the Year of not less than 50% as compared to that of approximately RMB476.50 million for the corresponding period of 2014.
