## LETTER FROM THE BOARD

---

**Transferability:**

The Convertible Notes are freely transferable to third party(ies), provided that the Noteholders must inform and obtain written consent from the Company of each transfer or assignment made by them and the proposed assignee or transferee shall have given the Company a written confirmation that he is not a connected person, and the Company will notify the Stock Exchange if it becomes aware of any dealing in the Convertible Notes by any connected person of the Company.

**Redemption:**

The Convertible Notes are not redeemable at the option of the Noteholders. The Company shall have the right to redeem any portion of the Convertible Notes outstanding at an amount equals to the principal amount of the Convertible Notes together with any interest accrued thereon in its sole and absolute discretion at any time prior to the maturity date of the Convertible Notes. Unless previously converted or redeemed as provided in the Conditions, the Company shall redeem all outstanding Convertible Notes on the Existing Maturity Date.

**Event of default:**

The Convertible Notes contain an event of default provision which provides that on occurrence of certain events of default (e.g. repayment overdue, insolvency, liquidation and suspension of trading on the Stock Exchange for a continuous period of 30 trading days due to the fault of the Company) specified in the Convertible Notes, each Noteholder shall be entitled to demand for immediate repayment of the principal amount outstanding under the relevant Convertible Notes.

**THE AMENDMENT DEED**

On 25 March 2014, the Company entered into the Amendment Deed with each of the Noteholders whereby the parties agreed to the Amendments as follows:-

1. the Maturity Date of the Convertible Notes shall be extended from 15 April 2014 to 15 April 2016; and
2. the interest to be accrued on the outstanding principal of the Convertible Notes for the period from 16 April 2014 to 15 April 2016 shall be payable annually (as opposed to semi-annually under the existing terms and conditions of the Convertible Notes).

---

## LETTER FROM THE BOARD

---

Save as the above mentioned amendments, each and every term and condition under the Convertible Notes shall remain unchanged and valid.

To avoid any changes to be made to the register of the Noteholders prior to the Amendments becoming unconditional, it is stipulated in the Amendment Deed that the Noteholders could not transfer any of the Convertible Notes from execution of the Amendment Deed to the Effective Date.

To the best of the Director's knowledge, information and belief having made all reasonable enquiries, the Noteholders are third parties independent of and not connected with the Company and its connected persons.

The Amendments are conditional upon:

1. passing of resolution by the Shareholders approving, authorising and ratifying the entering into of the Amendment Deed and performance by the Company of all transactions contemplated thereunder at the SGM;
2. approval from the Stock Exchange of the Amendments in accordance with Rule 28.05 of the Listing Rules; and
3. the Listing Committee granting listing of, and permission to deal in, the Shares to be issued pursuant to the Convertible Notes as amended by the Amendment Deed.

The Amendment Deed was arrived at after arms length negotiation between the Company and the Noteholders.

If any of the conditions precedent set out in the Amendment Deed are not fulfilled on or before 31 May 2014 or such later date as may be agreed between the Noteholders and the Company, the Amendment Deed will lapse and become null and void and the parties thereto will be released from all obligations thereunder, save the liabilities for any antecedent breaches thereof.

Given the conditions precedent may not take place before the Existing Maturity Date, the Noteholders have agreed to, jointly or severally, irrevocably waive all their rights (if any), whether contractual or otherwise, to bring any claim and/or commence any proceedings against the Company for any remedies and/or reliefs for any breach of the Terms and Conditions committed by the Company in connection with the expiry of the Existing Maturity Date during the period from the Existing Maturity Date up to and inclusive of 31 May 2014. In the event that the Amendment Deed becomes unconditional after the Existing Maturity Date, the Amendments are deemed to be effective from the Existing Maturity Date.

---

## **LETTER FROM THE BOARD**

---

An application will be made to the Listing Committee for approval of the Amendments in accordance with Rule 28.05 of the Listing Rules and for the listing of, and permission to deal in, the Conversion Shares to be issued pursuant to the terms and conditions of the Convertible Notes as amended by the Amendment Deed.

As at the Latest Practicable Date, the Convertible Notes are convertible into 1,022,727,272 Shares at a conversion price of HK\$0.22 per Share, representing approximately 22.72% of the existing issued share capital of the Company and approximately 18.51% of the enlarged share capital of the Company assuming that the Convertible Notes are converted in full and no change in the shareholding structure of the Company. Such Conversion Shares may be issued upon exercise of the conversion right of the Convertible Notes pursuant to a specific mandate to be sought at the SGM.

The Directors consider that the terms of the Amendment Deed are fair and reasonable and the Extension is in the interests of the Company and its Shareholders as a whole.

### **CONVERSION PRICE**

The conversion price of HK\$0.22 per Conversion Share represents:

- (i) a premium of approximately 53.85% to the closing price of HK\$0.1430 per Share as quoted on the Stock Exchange on 25 March 2014, the date of the Amendment Deed;
- (ii) a premium of approximately 59.65% to the average closing price of HK\$0.1378 per Share as quoted on the Stock Exchange for the last five (5) trading days of the Shares prior to the date of the Amendment Deed; and
- (iii) a premium of approximately 5.77% to the closing price of HK\$0.2080 per Share as quoted on the Stock Exchange on the Latest Practicable Date.

### **OUTSTANDING CONVERSION SHARES**

As at the Latest Practicable Date, the Convertible Notes are convertible into 1,022,727,272 Shares at a conversion price of HK\$0.22 per Conversion Share, representing approximately 22.72% of the existing issued share capital of the Company and approximately 18.51% of the enlarged share capital of the Company assuming that the Convertible Notes are converted in full and no change in the shareholding structure of the Company. Such Conversion Shares may be issued upon exercise of the conversion right of the Convertible Notes pursuant to a specific mandate to be sought at the SGM.

## LETTER FROM THE BOARD

### EFFECTS ON THE SHAREHOLDING STRUCTURE

The existing shareholding structure of the Company as at the Latest Practicable Date and the effect on the shareholding structure of the Company upon conversion of the Convertible Notes in full are set out below:

	<b>As at the Latest Practicable Date</b>		<b>Immediately after conversion of the Convertible Notes in full</b>	
	<i>No. of Shares</i>	<i>Approximate %</i>	<i>No. of Shares</i>	<i>Approximate %</i>
A Director and his associate ( <i>Note 1</i> )	285,287,500	6.34%	285,287,500	5.16%
Noteholders	132,075,535	2.93%	1,154,802,807	20.90%
Other public Shareholders	4,084,498,517	90.73%	4,084,498,517	73.94%
 Total	 4,501,861,552	 100.00%	 5,524,588,824	 100.00%

*Note:*

1. Such Shares were held by Mr. Li Ming, an executive Director, of which 253,512,500 Shares, were directly held by him and 31,775,000 Shares were indirectly held by Lead Dragon Limited, a company incorporated in the British Virgin Islands and wholly owned by him.

### REASONS FOR AND BENEFITS OF ENTERING INTO THE AMENDMENT DEED

The Convertible Notes would mature on 15 April 2014 unless extended. The Amendments and Extension effectively allow the Group to refinance the debts under the Convertible Notes under the same term for two years. Such refinancing would allow the Group to retain capital to fund its operation. The Directors consider that the Amendments and the Extension will provide more flexibility for the Group to plan its working capital requirement.

### INFORMATION OF THE GROUP

The Group is principally engaged in shipbuilding related business and investments in securities.

### SPECIAL GENERAL MEETING

A notice convening the SGM at Units 1702-03,17/F., China Merchants Tower, Shun Tak Centre, 168-200 Connaught Road Central, Hong Kong on 9 May 2014, Friday at 10:00 a.m., at which resolutions will be proposed for the purposes of considering and if thought fit, approving the Amendment Deeds and the transactions contemplated thereunder, is set out on pages 10 and 11 of this circular.

---

## **LETTER FROM THE BOARD**

---

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, no Shareholders have any material interest in the Amendments and no Shareholders are required to abstain from voting if the Company is to convene a general meeting to approve the Amendments.

A form of proxy for use at the SGM is enclosed with this circular. Completion and return of the form of proxy shall not preclude you from attending and voting at the SGM or any adjourned meeting should you so wish.
