

Mr. He Xi Meets with Mr. He Jianbo, Party Secretary of Zhongning County

On January 4, 2022, Mr. He Xi, Chairman of CPID and Chief Engineer (New Energy) of SPIC, met with Mr. He Jianbo, Deputy Director of Zhongwei Municipal People's Congress and Party Secretary of Zhongning County, and his delegation at the headquarters in Beijing.

Mr. He Xi extended a warm welcome to Mr. He Jianbo and his delegation, briefly introduced the industrial situation and advantages of CPID in green electric transportation, battery swap for heavy trucks and energy storage, and had an in-depth exchange on CPID's investment intention in Zhongning County. Mr. He Xi said that CPID would continue to increase its investment in Zhongning County on new energy, battery swap for trucks, energy storage and rural revitalization in cooperation with its strategic partners, so as to drive the development of local industries and help Zhongning County achieve high-quality economic development.

Mr. He Jianbo thanked Mr. He Xi for the warm reception, and expressed his hope that CPID would give full play to its advantages in capital, technology, industry and management to implement projects of green electric transportation, energy storage, new energy base, modern agriculture and land renovation in Zhongning County and boost the replacement and upgrading of Zhongning County's green industry.

The leaders of the Industrial Park Management Committee, Party Committee Office, Development and Reform Bureau, and Bureau of Industry and Information of Zhongning County, and Mr. Zhao Yonggang, Vice President of CPID, attended the meeting.
