

## Mr. Gao Ping Meets with Mr. Wang Shisen, GM of Huaihe Energy

On September 20, 2022, Mr. Gao Ping, President of CPID, met with Mr. Wang Shisen, GM of Huaihe Energy (Group) Co., Ltd. in Huainan, Anhui Province, and both sides had an in-depth exchange of views on coal supply and clean energy industry layout. Mr. Li Xiangyang, Deputy GM of Huaihe Energy, attended the meeting.

On behalf of CPID, Mr. Gao expressed his gratitude to Huaihe Energy for its continuous support, and said that Huaihe Energy was an important strategic partner of CPID, and both sides had established a good relationship of mutual trust in the long-term cooperation and set a model of coal-power cooperation. Mr. Gao hoped that both sides would further broaden their cooperation, strengthen strategic collaboration in clean energy, integrated smart energy, energy storage, green electric transportation and other fields, and make contributions to the national energy supply, rural revitalization and the realization of the carbon peaking and carbon neutrality goals.

On behalf of Huaihe Energy, Mr. Wang extended a warm welcome to Mr. Gao and his delegation, and said that Huaihe Energy would do its best to ensure the coal supply to CPID. Mr. Wang hoped that both sides would shore up the confidence in clean development, give full play to their respective advantages, and continue to strengthen communication and collaboration in clean energy and integrated smart energy, so as to achieve mutual benefits and win-win outcome.

The relevant departmental leaders of CPID, the leaders of Pingwei Power Generation Company, and the relevant personnel of Huaihe Energy's Coal Sales Center, Strategic Investment Department and Power Generation Group, participated in the activity.
