

Mr. He Xi Meets Mr. Li Minji, Chairman of Hua Xia Bank

On August 17, 2023, Mr. He Xi, Chief Engineer (New Energy) of SPIC and Secretary of the Party Committee and Chairman of CPID, met with Mr. Li Minji, Secretary of the Party Committee and Chairman of Hua Xia Bank, and his delegation at the CPID headquarters. Mr. Gao Ping, Vice Secretary of the Party Committee and President of CPID, Mr. Shou Rufeng, Member of the Party Committee and Vice President of CPID, and Mr. Li Daying, President of Hua Xia Bank Beijing Branch, attended the meeting.

Mr. He welcomed Mr. Li and his delegation and briefly introduced the development history and strategic layout of CPID, focusing on CPID's active fulfillment of the national requirement for "building a new power system with new energy as the mainstay", and mentioned that CPID has adhered to the innovation-driven approach in recent years, proactively focused on the main track of clean energy, actively cultivated new-type energy storage, color PV power, green power transportation, smart agriculture, intrinsically safe materials for energy storage and other emerging green energy industries, and accumulated certain advantages in talent and technology. Mr. He said that CPID and Hua Xia Bank have a broad space for cooperation in financial sectors such as financing and investment business, and hoped that both sides could further strengthen communication and exchange, and actively seek all-round cooperation.

Mr. Li Minji thanked CPID for the warm welcome, and highlighted the characteristics and advantages of Hua Xia Bank and its subsidiaries in fund management, trust and equity investment, financing, etc. Mr. Li Minji expressed his hope to further expand the credit line and scope of cooperation with CPID, fully support CPID's green transition and innovative development, and realize win-win cooperation.

Under the common witness of the representatives, Mr. Shou and Mr. Li Daying signed the strategic cooperation agreement on behalf of CPID and Hua Xia Bank Beijing Branch respectively.

Both sides will make full use of their own resources and advantages to carry out cooperation, further deepen the all-round strategic cooperation in resource integration, corporate financial business, other financial services, resource interoperability and sharing, rural revitalization and development, etc., work hand in hand for mutual benefit and win-win situation, and jointly promote the enterprise's high-quality development to a new level.

The meeting was attended by the heads of the Accounting and Finance Department, Capital Operation Department, China Power Guorui, Xinyuan Smart Energy Storage and CP Nongchuang of CPID.
