China Telecom to Offer iPhone 4S in China on March 9

BEIJING – February 21, 2012 – China Telecom today announced it will offer iPhone 4S to customers in China beginning Friday, March 9. iPhone 4S will be available starting at RMB 0 for the 16GB, 32GB and 64GB models on select contracts in China Telecom's authorized stores and online at www.189.cn. Online reservations will be available beginning Friday, March 2.

iPhone 4S is the most amazing iPhone yet, packed with incredible new features including Apple's dual-core A5 chip for blazing fast performance and stunning graphics; an all new camera with advanced optics and full 1080p HD resolution video recording. iPhone 4S comes with iOS 5, the world's most advanced mobile operating system; and iCloud, a breakthrough set of free cloud services that work with your iPhone, iPad, iPod touch, Mac or PC to automatically and wirelessly store your content in iCloud and push it to all your devices.

"We are really happy to offer the amazing new iPhone 4S," said Mr. Yang Xiaowei, executive vice president of China Telecom. "We believe iPhone 4S on China Telecom's advanced 3G network will create great excitement among our customers."
