CONTINUING CONNECTED TRANSACTIONS

The Board would like to announce that the continuing connected transactions under the Original Contracts, which are conducted in the ordinary course of business of the Group and as disclosed in the Prospectus, have continued or are expected to continue following the expiration of the Original Contracts on 31 December 2007. As such, the Renewed Contracts have been entered into upon the same terms and conditions as those in the Original Contracts with the same Connected Persons.

In addition, the Subcontracting Agreement has been entered into whereby members of the Group have subcontracted certain garment manufacturing process to Zhejiang Huaxide. As Zhejiang Huaxide is a connected person of the Company, the transactions contemplated under the Subcontracting Agreement will constitute non-exempt continuing connected transactions for the Company.

The annual consideration under each of the Renewed Contracts and the Subcontracting Agreement is expected not exceeding 2.5% of the applicable ratio (other than the equity ratio which is not applicable because there are no Shares to be issued) set forth in Chapter 14 of the Listing Rules. Hence, each of the Renewed Continuing Connected Transactions and the Subcontracting Agreement is exempt from the independent Shareholders' approval requirement under Chapter 14A of the Listing Rules and is only subject to the reporting and announcement requirements set forth in rules 14A.45 to 14A.47 of the Listing Rules.

The Directors, including the independent non-executive Directors, confirm that the Renewed Contracts and the Subcontracting Agreement are entered into in the interests of the Group and the Shareholders as a whole and that the proposed annual caps for the Renewed Contracts and the Subcontracting Agreement are fair and reasonable.

BACKGROUND INFORMATION

The Board would like to announce that the continuing connected transactions under the Original Contracts, which are conducted in the ordinary course of business of the Group and as disclosed in the Prospectus, have continued or are expected to continue following the expiration of the Original Contracts on 31 December 2007. As such, the Renewed Contracts have been entered into upon the same terms and conditions as those in the Original Contracts with the same Connected Persons.

In addition, the Subcontracting Agreement has been entered into whereby members of the Group have subcontracted certain garment manufacturing process to Zhejiang Huaxide. As Zhejiang Huaxide is a connected person of the Company, the transactions contemplated under the Subcontracting Agreement will constitute non-exempt continuing connected transactions for the Company.

Renewed Continuing Connected Transactions

As disclosed in the Prospectus, members of the Group entered into the Original Contracts with the Connected Persons whereby members of the Group purchase various materials, such as silk fabric, velour and plastic bags and hangers, from the Connected Persons and lease part of the factory building and staff quarters from Yuhang Huaming, being one of the Connected Persons. All of the Original Contracts were expired on 31 December 2007. Members of the Group continued leasing the factory building and staff quarters from Yuhang Huaming and purchase of various materials from Huasheng Accessories during the six months ended 30 June 2008 in the amount of HK\$0.9 million and HK\$5.7 million, respectively. Members of the Group did not purchase any materials from Hangzhou Fuze and Hangzhou Huaze during the six months ended 30 June 2008, but the Directors expect that such purchase will be made during the second half of 2008. The Renewed Contracts were therefore entered into on 24 July 2008 with the same Connected Persons upon the same terms and conditions as those in the Original Contracts, except that the annual cap of each of the Renewed Continuing Connected Transactions for each of three years ending 31 December 2010 is revised as follows:—

Renewed Continuing Connected Transactions	Annual cap for the year ended	Actual amount for the year ended	Actual amount for the six months ended 30 June	Annual caps for the year ended 31 December		
	31 December 2007	31 December 2007	ended 30 June 2008	2008	2009	2010
	<u>(HK\$ million)</u>	<u>(HK\$ million)</u>	<u>(HK\$ million)</u>	<u>(HK\$ million)</u>	<u>(HK\$ million)</u>	<u>(HK\$ million)</u>
Lease of factory building and staff quarters from Yuhang Huaming	1.4 (Note 1)	1.5 (Note 2)	0.9	2.0	2.0	2.0
Purchase of silk fabric from Hangzhou Fuze (Note 3)	6.6 (Note 1)	0.1	—	2.3	2.8	3.4
Purchase of velour from Hangzhou Huaze (Note 3)	8.5 (Note 1)	2.3	—	6.8	8.0	9.1
Purchase of plastic bags and hangers from Huasheng Accessories	12.1 (Note 1)	10.8	5.7	15.9	17.6	19.3

Notes:–

- (1) These annual caps were disclosed in the Prospectus and are set forth herein for reference only. The Directors confirm that the annual caps for the Original Contracts for the three years ended 31 December 2007 were not exceeded.
- (2) This amount is based on the exchange rate of HK\$1.0=RMB0.879 as at the date of this announcement. Based on the average exchange rate, the actual amount did not exceed the annual cap.
- (3) These purchase transactions will occur during the second half of 2008.

The annual cap of the amount payable to Yuhang Huaming is based on the stipulated amount of rent in the relevant lease agreement. The anticipated amounts of purchase from Hangzhou Fuze and Hangzhou Huaze of silk fabric and velour, which are materials for specific kinds for garment for autumn/winter season, are based on the anticipated demand from customers in light of the latest fashion trends and the historical level of purchase in the previous years. Because of the business growth of the Group, the usage of accessories will increase. Hence, the amount of purchase of plastic bags and hangers from Huasheng Accessories is expected to increase gradually over the years ending 31 December 2010.

Pursuant to the Renewed Contracts, payments will be settled by members of the Group by way of cheque/bank transfer on a monthly basis upon satisfaction of the materials delivered or for the rental payable to Yuhang Huaming, at the end of each month.

Subcontracting Agreement

Zhejiang Huaxide was established on 11 July 2007 and commenced its business on 1 December 2007. The principal business of Zhejiang Huaxide is production and sales of garment products principally for independent third parties. Nevertheless, because of peak seasons of the Group, members of the Group have engaged Zhejiang Huaxide occasionally to provide subcontracting service upon the same terms and conditions as those provided to independent third parties. Such sub-contracting service has been provided since February 2008 and in this connection, the Subcontracting Agreement was entered into on 24 July 2008. Because of the reasons set forth under “General information on the Connected Persons and Zhejiang Huaxide” below, Zhejiang Huaxide is a connected person of the Company and as such, transactions between other members of the Group and Zhejiang Huaxide constitute continuing connected transactions for the Company. The amount of subcontracting fee paid for the six months ended 30 June 2008 was HK\$0.8 million. Based the business growth of the Group and the seasonality factor, the Directors anticipate that the annual subcontracting fee payable by the Group to Zhejiang Huaxide under the Subcontracting Agreement until the year ending 31 December 2010 is expected to be not more than HK\$5.7 million, HK\$12.0 million and HK\$14.0 million, respectively.

REASONS FOR, AND BENEFITS OF, THE RENEWED CONTINUING CONNECTED TRANSACTIONS AND THE SUBCONTRACTING AGREEMENT

Renewed Continuing Connected Transactions

The Renewed Continuing Connected Transactions are not new, but represent continuation of the transactions in existence on the date of the Prospectus. As disclosed in the Prospectus, the Stock Exchange has granted a waiver from strict compliance with the announcement requirement under rule 14A.35(3) of the Listing Rules, and the Company has duly complied with the reporting requirement under rules 14A.45 and 14A.46 of the Listing Rules in respect of those continuing connected transactions under the Original Contracts. In light of this background and the facts that members of the Group have long-term business relationship with the Connected Persons and that the terms and conditions of the Renewed Contracts are identical to those in the Original Contracts, the Directors, including the independent non-executive Directors, consider that the Renewed Continuing Connected Transactions are entered into in the interests of the Group and the Shareholders as a whole and the proposed annual caps for the Renewed Continuing Connected Transactions for the three years ending 31 December 2010 are fair and reasonable.

Subcontracting Agreement

Zhejiang Huaxide is a non wholly-owned subsidiary of the Company. Hence, the Directors consider that entering into the Subcontracting Agreement will provide additional production flexibility to members of the Group during peak seasons without making substantial amount of investment on plant and machinery dedicated exclusively for the production requirements of the Group. The results of operations of Zhejiang Huaxide will be consolidated into the accounts of the Group. On this basis, the Directors, including the independent non-executive Directors, consider that the transactions set forth in the Subcontracting Agreement are entered into in the ordinary course of business of the Group upon normal commercial terms and are fair and reasonable.

Implications under the Listing Rules

As set forth under “General information on the Connected Persons and Zhejiang Huaxide” below, Yuhang Huaming, Huangzhou Fuze, Hangzhou Huaze, Huasheng Accessories and Zhejiang Huaxide are connected persons of the Company. Hence, any transaction between other members of the Group and any of these entities constitutes a connected transaction for the Company.

The amount of rental paid to Yuhang Huaming and the subcontracting fee paid to Zhejiang Huaxide during the six months ended 30 June 2008 were within the *de minimis* threshold set forth in rule 14A.33(3) of the Listing Rules. The lease agreement with Yuhang Huaming is not subject to any announcement requirement under rule 14A.33(3) of the Listing Rules, and the inclusion of which in this announcement is for reference only.

As at the date of this announcement, the amount of sub-contracting fee paid to Zhejiang Huaxide has not exceeded the *de minimis* threshold set forth in rule 14A.33(3) of the Listing Rules.

There was no purchase transaction between members of the Group and each of Hangzhou Fuze and Hangzhou Huaze during the first six months ended 30 June 2008 and as at the date of this announcement.

During the six months ended 30 June 2008, the purchase transactions between members of the Group and Huasheng Accessories in the amount of HK\$5.6 million fall within the scope of rule 14A.34 of the Listing Rules, but the relevant Renewed Contract was only signed on 24 July 2008. On this basis, the Directors accept that the Company has not fully complied with the requirements under rule 14A.47 of the Listing Rules since the end of April 2008 when the amount of purchase exceeded the *de minimis* threshold set forth in rule 14A.33(3) of the Listing Rules. The Company is therefore in breach of the requirements under rule 14A.35(1) of the Listing Rules.

The annual consideration under each of the Renewed Contracts and the Subcontracting Agreement is expected not exceeding 2.5% of the applicable ratio (other than the equity ratio which is not applicable because there are no Shares to be issued) set forth in Chapter 14 of the Listing Rules. Hence, each of the Renewed Continuing Connected Transactions and the Subcontracting Agreement is exempt from the independent Shareholders' approval requirement under Chapter 14A of the Listing Rules and is only subject to the reporting and announcement requirements set forth in rules 14A.45 to 14A.47 of the Listing Rules.

Aggregation of transactions

With regard to the aggregation of the transactions contemplated under the Renewed Contracts and the Subcontracting Agreement, the Directors confirm that the counterparties under each of the Renewed Contracts and the Subcontracting Agreement are independent from each other with different products/services required by the Group. On this basis, and consistent with the disclosure in the Prospectus, the transactions under the Renewed Contracts and the Subcontracting Agreement should not be aggregated for the purpose of Chapter 14A of the Listing Rules. The Renewed Contracts represent continuation of the transactions under the Original Contracts with particulars disclosed in the Prospectus and the previous annual reports of the Company.
