5. A circular containing the information regarding, inter alia, the directors proposed to be re-elected, and the general mandates to issue shares and to repurchase shares of the Company will be sent to members of the Company.

This Appendix serves as an explanatory statement required to be sent to Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate.

### **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 4,350,313,206 Shares.

Subject to the passing of the Repurchase Resolution and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company would be allowed under the Repurchase Resolution to repurchase a maximum of 435,031,320 Shares (representing 10% of the issued share capital of the Company as at the date of passing the Repurchase Resolution).

### **2. SHAREHOLDERS' APPROVAL**

The Listing Rules provide that all proposed repurchases of securities by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate or by a specific approval of a particular transaction.

Such authority may only continue in force during the period from the passing of the resolution until whichever is the earlier of: (i) the conclusion of the next annual general meeting of the company, (ii) the expiration of the period within which the next annual general meeting of the company is required by law to be held, or (iii) the passing of an ordinary resolution by shareholders in general meeting of the company revoking or varying such mandate.

### **3. REASONS FOR REPURCHASES**

The Director believe that it is in the best interests of the Company and the Shareholders to seek a general authority from Shareholders to enable the Directors to repurchase the Shares on the market.

Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the value of the net assets and/or earnings and/or dividend per share.

### **4. FUNDING OF REPURCHASES**

Repurchases must be funded out of the funds legally available for the purpose in accordance with the Company's constitutive documents, including memorandum and articles of association, and the applicable laws of the Cayman Islands, being profits available for distribution and the proceeds of a fresh issue of shares made for the purpose of the repurchases. It is envisaged that the funds required for any repurchase would be derived from profits available for distribution.

The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company. However, there might be an adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements as at 31 December 2016) in the event that the Repurchase Mandate was exercised in full.

## 5. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date were as follows:

Month	Share Prices (per share)

## 6. TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the register maintained by the Company pursuant to section 336 of Part XV of the Securities and Futures Ordinance shows the following interests in Shares being 5% or more of the issued share capital of the Company:

	<i>Notes</i>	<b>No. of Shares</b>	<b>Percentage of issued capital as at the Latest Practicable Date</b>	<b>Percentage of 3,915,281,886 issued capital if Repurchase Proposal is exercised in full</b>
Sincere View International Limited	(1)	1,377,261,515	31.66%	35.18%
Full Day Limited	(2)	1,840,128,000	42.30%	47.00%
Hon Kwok Lung	(3)	3,222,263,515	74.07%	82.30%
Lam Suk Ying	(3)	3,222,263,515	74.07%	82.30%

*Note:*

- (1) Mr. Hon Kwok Lung holds 80% and his wife, Ms. Lam Suk Ying holds 20% interests in Sincere View International Limited ("Sincere View"), which is a substantial shareholder of the Company holding 1,377,261,515 shares of the Company.

Based on the above shareholding, in the event the Directors would exercise in full the power to repurchase Shares pursuant to the Repurchase Mandate and if there is no other change in the issued Shares, the shareholding of Mr. Hon Kwok Lung and parties acting in concert with him will increase from approximately 74.07% to approximately 82.30% and such increase will not give rise to an obligation to make a general offer under Rule 26 of the Takeovers Code.

Save as aforesaid, the Board is not aware of any consequences which would arise under the Takeover Code as a result of an exercise of the Repurchase Mandate.

The Directors will not exercise the Repurchase Mandate to the extent that would result in the number of Shares held by the public being reduced to less than 25%.

## 7. GENERAL

None of the Directors or, to the best of their knowledge, having made all reasonable enquiries, any of their associates, have any present intention, if the Repurchase Mandate is exercised, to sell any Shares to the Company or its subsidiaries.
