

## **Mr. Guo Deying Rewarded *Shenzhen Mayor Award***

China Wireless Technologies Limited (the Company) proudly announces that Mr. Guo Deying, the CEO and the Chairman of the Company, was awarded *Mayor Award of Shenzhen* by the Shenzhen Municipal Government with RMB one million. Meanwhile, Yulong Telecommunication Scientific (Shenzhen) Company Limited (Yulong), a wholly-owned subsidiary of the Company also received the title of *Leading Enterprise for Technology Innovation*. This honor highlights the Company in the research of GSM/CDMA dual-mode smartphone, which is a technological breakthrough around the world in the mobile industry.

Mayor Xu Zhongheng with Mr. Guo Mayor

Other 3 people from the native well-known enterprises received *Shenzhen Mayor Award* this year, including Mr. Robert Xu, Chairman of the Board of Directors of Kingdee International Software Co. Ltd. (268.HK), Mr. Simon Chen, the CEO of EVOC Intelligent Technology Co., Ltd., (8285.HK), and Mr. Deng Guoshun, CEO of Netac Technology Co., Ltd. Mr. Guo gratefully accepted the Shenzhen Mayor Award from Mayor Xu Zhongheng (in the photo).

In addition, Yulong has attained numerous awards from the regional government in recent years, which has underlined its contribution on the research and development on the dual-mode smartphone in the industry. And the technology of GSM/CDMA

dual-mode smartphone was awarded as *2<sup>nd</sup> Prize of State Scientific and Technological Progress Award* in 2007.

The Municipal Government had set up *Shenzhen Mayor Award* in 2004, which is arranged to reward those technological personnel with outstanding contributions to the development of the city's hi-tech industries.
