## **REASONS FOR THE ISSUE OF THE CONVERTIBLE BONDS**

As mentioned in the Announcement, the Board is of the view that the redemption of the Previous Convertible Bonds has enabled the Company to enter into the Subscription Agreement on more favourable terms to the Group as compared with the Previous Convertible Bonds in term of, *inter alia*, the effective interest rate. The Previous Convertible Bonds requires the Company to pay interest of 7% per annum payable in arrears every six months and an up-front handling fee of 1% per annum whilst only interest of 8% per annum payable in arrears every six months is required to be paid by the Company for the Convertible Bonds. If the up-front handling fee is taken into account, the effective interest rate of the Convertible Bonds is lower than the effective interest rate of the Previous Convertible Bonds.
