DISCLOSEABLE AND CONNECTED TRANSACTION

ACQUISITION OF THE ENTIRE ISSUED SHARE CAPITAL OF SHIJIAZHUANG PHARMA GROUP INNER MONGOLIA ZHONGKANG SUGAR CO. LIMITED

On 30 August 2007 (after trading hours), Zhonghe Pharmaceutical entered into the Agreement with the Vendors to conditionally acquire the entire equity interest in Zhongkang Sugar from the Vendors at an aggregate consideration of RMB130,000,000.

The Acquisition constitutes a discloseable transaction of the Company under the Listing Rules as the applicable percentage ratios exceed 5% but are below 25%. As SPG and its associates (as defined in the Listing Rules) beneficially own an aggregate of approximately 50.926% of the issued share capital of the Company, the Acquisition also constitutes a connected transaction of the Company and is subject to the reporting, announcement and independent shareholders' approval requirements.

In view of the interests of the SPG Group in the Acquisition, the SPG Group and its associates will abstain from voting in relation to the resolution approving the Acquisition at the EGM. An Independent Board Committee will be appointed to advise the Independent Shareholders on whether or not the terms of the Acquisition are in the interests of the Company and are fair and reasonable so far as the Shareholders as a whole are concerned. An independent financial adviser will be appointed to advise the Independent Board Committee regarding the terms of the Acquisition.

A circular containing further details of the Acquisition, letter from the Independent Board Committee, an opinion of the independent financial adviser together with a notice convening the EGM to approve the Acquisition will be despatched to the Shareholders as soon as practicable.

THE AGREEMENT

Date

30 August 2007 (after trading hours)

Parties

Vendors: SPG
 Hong Yuan

Purchaser: Zhonghe Pharmaceutical

Asset to be acquired

Subject to the terms and conditions of the Agreement, Zhonghe Pharmaceutical has conditionally agreed to acquire 100 per cent. of the equity interest in Zhongkang Sugar.

Consideration

The Consideration amounts to RMB130,000,000 and shall be payable by Zhonghe Pharmaceutical to the Vendors in cash from internal resources of the Group upon Completion.

The Consideration was determined following arm's length negotiations between all parties to the Agreement. The Consideration of RMB130,000,000 represents a price earnings multiple of 6.5 based on the Guaranteed Profit. In arriving at the Consideration, the Board has made reference to the valuation of other companies listed on the Stock Exchange which engaged in similar business as that of Zhongkang Sugar and considers that the Consideration is comparable to the valuation of these comparable companies.

Conditions precedent

Completion of the Agreement is conditional upon the fulfillment of the following conditions:

- (a) Zhonghe Pharmaceutical having conducted a due diligence investigation in respect of Zhongkang Sugar including but not limited to its business, legal aspects, properties and accounts and Zhonghe Pharmaceutical being satisfied with the results of such due diligence investigation;
- (b) the approval by the Independent Shareholders of the Agreement and the transactions contemplated thereunder at an EGM to be held in accordance with the requirements of the Listing Rules; and
- (c) (if required) all approvals and consents required for the Acquisition having been obtained from governmental or regulatory authorities (including but not limited to the Ministry of Commerce of the PRC Government).

In the event that not all the above conditions have been fulfilled within 3 months from the date of the Agreement, i.e. 30 November 2007 (or by such later date(s) as the parties to the Agreement may agree in writing), the Vendors and Zhonghe Pharmaceutical may terminate the Agreement. Save for condition (a) which can be waived by Zhonghe Pharmaceutical, none of the conditions precedent can be waived by the parties to the Agreement.

Completion

Completion shall take place on the thirtieth day after the date on which all the conditions of the Agreement have been fulfilled or such other date as shall be agreed between the parties to the Agreement. Upon Completion, Zhongkang Sugar will be indirectly wholly owned by the Company and its financial results will be consolidated in the financial results of the Company.

Profit Guarantee

Pursuant to the Agreement, the Vendors have guaranteed to Zhonghe Pharmaceutical that the audited net profit of Zhongkang Sugar for the year ending 31 December 2007 will not be less than RMB20,000,000 (the “**Guaranteed Profit**”) according to the generally accepted accounting principles and standards in Hong Kong. In the event that such guarantee cannot be fulfilled, the Vendors will reimburse Zhonghe Pharmaceutical with an amount equal to the shortfall between the Guaranteed Profit and the actual net profit of Zhongkang Sugar for the year ending 31 December 2007 times a multiple of 6.5 in cash. The maximum amount to be reimbursed by the Vendors to Zhonghe Pharmaceutical is RMB130,000,000.

Pursuant to the Agreement, the Vendors and Zhonghe Pharmaceutical shall, within 5 days from the date of the audited accounts of Zhongkang Sugar for the year ended 31 December 2007, confirm in writing the exact amount to be reimbursed by the Vendors to Zhonghe Pharmaceutical. The Vendors shall reimburse Zhonghe Pharmaceutical within 10 days from the date of the confirmation. In the event such reimbursement is required to be made by the Vendors, the investment cost in Zhongkang Sugar will be reduced by the reimbursement so received and the related goodwill arising from the Acquisition will be reduced accordingly in the consolidated financial statements of the Company.

INFORMATION ON ZHONGKANG SUGAR

Zhongkang Sugar is a company incorporated in the PRC established on 19 April 2004. The total equity interest in Zhongkang Sugar is owned as to 99% by SPG and as to 1% by Hong Yuan. Zhongkang Sugar is principally engaged in the manufacture and sale of corn refined products (including liquid glucose and corn syrup). The Group has been the largest customer of Zhongkang Sugar since its establishment.

According to the valuation report of Zhongkang Sugar prepared by an independent PRC valuer based on depreciated replacement cost method, the net asset value of Zhongkang Sugar as at 31 July 2007 was RMB84,044,816 (equivalent to approximately HK\$86,566,160).

According to the audited accounts of Zhongkang Sugar for the seven months ended 31 July 2007 prepared in accordance with the generally accepted accounting principles in the PRC, its audited profit for the seven months ended 31 July 2007 was RMB7,510,077 (equivalent to approximately HK\$7,735,379). The audited results of Zhongkang Sugar for the two years ended 31 December 2006 based on the generally accepted accounting principles in the PRC are set out below:—

	For the financial year ended 31 December	
	2005 <i>RMB</i>	2006 <i>RMB</i>
Net profit (loss) before taxation	(956,084)	3,450,942
Net profit (loss) after taxation	(956,084)	3,450,942

REASONS FOR AND BENEFITS OF THE ACQUISITION

The operations of Zhongkang Sugar are complementary and related to the business of the Group. Almost all of the liquid glucose and corn syrup used by the production plants of the Group in Inner Mongolia are sourced from Zhongkang Sugar. The amount of purchases of liquid glucose and corn syrup by the Group from Zhongkang Sugar for the two years ended 31 December 2006 amounted to approximately RMB89,926,000 (equivalent to approximately HK\$92,623,780) and RMB159,333,000 (equivalent to approximately HK\$164,112,990) respectively.

The production site of Zhongkang Sugar is adjacent to the plants of the Group in Inner Mongolia. In addition, Zhongkang Sugar is the only manufacturer in neighbouring area that is capable of producing quality liquid glucose and corn syrup which meets the quantity requirement of the plants of the Group in Inner Mongolia. Although there are other corn refined product manufacturers in other areas of the PRC, sourcing from other manufacturers would mean high production cost for the Group as it would need to incur extra transportation costs to transport the raw materials to the plants of the Group in Inner Mongolia. Vertical integration as a result of the Acquisition will ensure a reliable and efficient supply of high quality raw materials at lower cost.

As disclosed in the announcements of the Company dated 31 December 2004 and 21 February 2005 and the circular of the Company dated 24 January 2005, the Group entered into continuing connected transactions

with Zhongkang Sugar in relation to the purchase of liquid glucose and corn syrup from Zhongkang Sugar for a period of 3 years from 1 January 2005 to 31 December 2007. The transactions were approved by the independent Shareholders at the extraordinary general meeting of the Company held on 21 February 2005. Upon completion of the Acquisition, these transactions will cease to be continuing connected transactions of the Company. The number of existing continuing connected transactions of the Group will be greatly reduced.

The Directors (excluding the independent non-executive Directors who have been appointed as members of the Independent Board Committee to advise the Independent Shareholders in respect of the Acquisition, who will provide their views after considering the opinion of the independent financial adviser) consider that the terms of the Acquisition have been negotiated on an arm's length basis and on normal commercial terms and the terms thereof are fair and reasonable and are in the best interests of the Group and the Shareholders as a whole.

General

The principal activity of the Company is investment holding. The principal activities of the subsidiaries of the Company are manufacture and sales of pharmaceutical products.

The Acquisition constitutes a discloseable transaction of the Company under the Listing Rules as the applicable percentage ratios exceed 5% but are below 25%. As SPG and its associates (as defined in the Listing Rules) beneficially own an aggregate of approximately 50.926% of the issued share capital of the Company, the Acquisition also constitutes a connected transaction of the Company and is subject to the reporting, announcement and independent shareholders' approval requirements.

In view of the interests of the SPG Group in the Acquisition, the SPG Group and its associates will abstain from voting in relation to the resolution approving the Acquisition at the EGM. An Independent Board Committee will be appointed to advise the Independent Shareholders on whether or not the terms of the Acquisition are in the interests of the Company and are fair and reasonable so far as the Shareholders as a whole are concerned. An independent financial adviser will be appointed to advise the Independent Board Committee regarding the terms of the Acquisition.

A circular containing further details of the Acquisition, letter from the Independent Board Committee, an opinion of the independent financial adviser together with a notice convening the EGM to approve the Acquisition will be despatched to the Shareholders as soon as practicable.
