GENERAL MANDATE FOR BUY-BACK OF SHARES

(a) Share Capital

As at the Latest Practicable Date, the number of issued shares of the Company was 5,536,633,709 Shares. Subject to the passing of the resolution granting the proposed Buy-back Mandate and on the basis that no further Shares will be issued or repurchased before the AGM, the Company will be allowed under the Buy-back Mandate to buy back a maximum of 553,663,370 ordinary Shares (representing 10% of the said total number of issued Shares).

(b) Reasons for Buy-backs

The Directors believe that it is in the best interests of the Company and its Shareholders to have a general authority from the Shareholders to enable the Directors to buy back securities of the Company in the market. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the value of the Company's securities and/or its earnings per Share and will only be made when the Directors believe that such buy-backs will benefit the Company and its Shareholders.

(c) Funding of Buy-backs

Buy-backs of Shares must be funded out of funds legally available for the purpose in accordance with the Articles and the laws of Hong Kong, being profits available for distribution or the proceeds of a fresh issue of shares made for the purpose of the buy-backs, and it is envisaged that the funds required for any buy-backs would be derived from such sources.

There could be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements as at 31 December 2020) in the event that the Buy-back Mandate is exercised in full. However, the Directors do not propose to exercise the Buy-back Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

(d) Disclosure of Interests

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates, has any present intention to sell Shares to the Company if the Buy-back Mandate is approved by the Shareholders.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Company is authorised by the Shareholders to make buy-backs of Shares.

(e) Undertaking of the Directors

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make buy-backs pursuant to the Buy-back Mandate in accordance with the Listing Rules, the laws of Hong Kong and the Articles.

(f) Market Prices of Shares

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the twelve months preceding the Latest Practicable Date were as follows:

(g) Buy-back of Shares

During the six months immediately preceding the Latest Practicable Date, neither the Company nor any of its subsidiaries repurchased any of the Shares (whether on the Stock Exchange or otherwise).

(h) General

Upon the exercise of the power to buy back Shares pursuant to the Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company will increase. Such increase will be treated as an acquisition for the purposes of the Codes on Takeovers

and Mergers and Share Buy-backs (the “**Takeovers Code**”). As a result, a Shareholder or a group of Shareholders, acting in concert could, depending on the level of increase of shareholding interest obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, CTS (Holdings) beneficially owned, directly and indirectly, approximately 61.15% of the issued share capital of the Company. If the Buy-back Mandate is exercised in full, the beneficial interests of CTS (Holdings) in the Company may be increased to approximately 67.94% of the issued share capital of the Company. The Directors consider that such buy-backs made under the Buy-back Mandate will not give rise to an obligation for CTS (Holdings) to make a mandatory offer under Rule 26 of the Takeovers Code. Moreover, the Directors have no present intention to exercise the power of the Company to buy back Shares to such an extent as would result in the number of Shares in public hands falling below 25%. Save as disclosed above, the Directors are not aware of other consequences that may arise under the Takeovers Code as a result of a buy-back of the Shares.
