LISTING RULES FOR REPURCHASE OF SECURITIES

The relevant sections of the Listing Rules which permit companies with a primary listing on the Stock Exchange to repurchase their securities on the Stock Exchange subject to certain restrictions are summarised below.

SHAREHOLDERS' APPROVAL

The Listing Rules provide that all proposed repurchases of securities by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by a specific approval of a particular transaction.

NUMBER OF REPURCHASED SHARES

It is proposed that the Proposed Repurchase Mandate will authorise the repurchase by the Company not exceeding 10 per cent. of the aggregate nominal amount of the issued share capital of the Company as at the date of the Annual General Meeting. As at the Latest Practicable Date, the Company had in issue 4,168,000,000 Shares.

Subject to the passing of the resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares are issued (whether generally or pursuant to the exercise of conversion rights attaching to the convertible bond for 210,344,828 Shares outstanding) or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 416,800,000 Shares during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law (or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in general meeting).

Any Shares repurchased pursuant to the Proposed Repurchase Mandate must be fully-paid up.

SOURCE OF FUNDS

Repurchases must be funded out of funds legally available for the purpose and in accordance with the Company's memorandum of association and Bye-Laws and the applicable laws of the jurisdiction in which the Company is incorporated or otherwise established. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant Shares, or the profits that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of Shares made for such purpose. The amount of premium payable on a repurchase may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the share premium or contributed surplus accounts of the Company. It is envisaged that the Company would derive the funds from such sources.

REASON FOR REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase the Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

The exercise of the Proposed Repurchase Mandate in full would not have a material adverse impact on the working capital position and gearing position of the Company as compared with the position as disclosed in the Company's latest published audited financial statements for the year ended 31 December 2008. The Directors do not propose to exercise the mandate to repurchase Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company as compared with the position disclosed in the latest published audited financial statements or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

CONNECTED PARTIES

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates have any present intention to sell Shares to the Company or its subsidiaries, in the event the Proposed Repurchase Mandate is approved by the Shareholders.

No connected person, as defined in the Listing Rules, has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so in the event the Company is authorised to make repurchase of Shares.

UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make purchases pursuant to the Proposed Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Hong Kong Code on Takeovers and Mergers (the "**Takeovers Code**"). Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Ever Achieve Enterprises Limited (“EAEL”) held 1,011,615,665 Shares, representing approximately 24.27 per cent. of the issued share capital of the Company. Assuming that there are no alternations to the existing shareholdings of the Company, the exercise of the Proposed Repurchase Mandate in full in accordance with the terms of the ordinary resolution to be proposed at the Annual General Meeting, will not give rise to an obligation for EAEL to make a mandatory offer under Rule 26 of the Takeover Code.

The Listing Rules prohibit a company from making repurchases on the Stock Exchange if the result of such repurchases would be that less than 25 per cent. (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors have no present intention to exercise the power to repurchase Shares on the Stock Exchange pursuant to the Proposed Repurchase Mandate to such an extent as to result in the number of Shares held by the public falling below 25 per cent.

GENERAL

The Company has not repurchased any securities of the Company on the Stock Exchange in the six months immediately prior to the Latest Practicable Date.
