MOST VALUABLE COMPANIES IN HONG KONG**

- For immediate release -
Hong Kong, 7 November 2012

Dorsett Hospitality International has added another feather to its fast-growing cap by being named as a winner of the prestigious *Hong Kong's Most Valuable Company Award 2012*.

The award with winners being bestowed the *Trophy of Excellence* by Mediazone Group, comprises 33 industry categories such as banking and finance, property developers, hotels, insurance, jewellery, motoring, public utilities and travel agencies.

Mediazone is a publisher and global media consulting company. It is widely known for its regional publications and supplies editorial material to more than 200 newspapers and magazines Asia-wide, as well as for the world-first, Newsroom in the Sky.

Each year, the board of editors along with researchers and analysts from the highly-regarded publication select the winners from thousands of international and local brands with business presence in Hong Kong. Amongst the judging criteria include readers' recognition, business performance over the last decade, achievements or contributions of the company to their respective industries, integrity, market leadership and corporate social responsibility initiatives.

"Being accorded this sought-after recognition by the business sphere here in Hong Kong speaks volume about Dorsett Hospitality International's growth in our comparatively short history," said Dorsett Hospitality International's Senior Vice President of Sales & Marketing, Mr. Philip Schaetz.

Schaetz added: "We are honoured to be recognised as amongst Hong Kong's "most valuable companies" as this clearly reflects our commitment in providing exceptional service and great value to our guests. At Dorsett Hospitality International, we are always looking for innovative ways to provide better guest experience."
