#### Notes:

#### 1. Basis of Preparation and Adoption of New and Revised Hong Kong Financial Reporting Standards

The financial statements of the Group have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants, accounting principles generally accepted in Hong Kong and the applicable disclosure required by the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and by the Companies Ordinance.

The accounting policies used in the preparation of the financial statements are consistent with those used in the annual financial statements for the year ended 31 December 2010 except the changes mentioned below.

In the current year, the Group has adopted all the new and revised HKFRSs that are relevant to its operations and effective for its accounting year beginning on 1 January 2011. HKFRSs comprise Hong Kong Financial Reporting Standards ("HKFRS"); Hong Kong Accounting Standards ("HKAS"); and Interpretations. The adoption of these new and revised HKFRSs did not result in significant changes to the Group's accounting policies and amounts reported for the current year and prior years.

The Group has not applied the new HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of these new HKFRSs but is not yet in a position to state whether these new HKFRSs would have a material impact on its results of operations and financial position.

- Deficits write-back/(deficits) on revaluation of resort and recreational properties;
- Finance costs; and
- Income tax expense.

Segment assets do not include interest in an associate. Segment liabilities do not include interest-bearing bank and other borrowings.

## CHAIRMAN'S STATEMENT

I am pleased to present the annual results of ENM Holdings Limited (the "Company") and its subsidiaries (collectively referred to as the "Group") for the year ended 31 December 2011.

#### FINANCIAL RESULTS

Turnover from continuing operations for the year was HK\$333,485,000 (2010: HK\$289,058,000), an increase of 15% as compared to last year. The increase was mainly driven by the growth in the fashion retail business and the dividend income of HK\$17,797,000 received from SinoPay.com Holdings Limited.

Profit for the year amounted to HK\$36,221,000 (2010: HK\$48,012,000), a decrease of 25% on the year before. Such decrease was mainly attributable to the fair value losses on investments in the financial instruments resulting from the downturn in the global financial market. However, during the year, the Group recovered the prior year's disputed services fee of approximately HK\$43,205,000 from the discontinued telecommunications operation which was one-off and non-recurring income. Moreover, the fashion retail business performed well during the year and recorded a 139% growth in operating profit for the year.

#### **BUSINESS REVIEW**

#### **Retail Fashion - Swank**

#### Hong Kong

The year 2011 has provided Swank with another fruitful year. Sales reached HK\$273,328,000, a 9% increase over 2010 despite the closure of "Galliano" shop and the renovation of "The Swank" shop for 5 weeks during August/September in Harbour City. Gross profit increased by 19% while gross profit margin was 5% better at 58%. This was mainly due to the improved sell-through resulting in fewer discounts offered during sales period. Profit before tax arrived at HK\$29,146,000, an 88% increase over the previous year.

Mainland tourists continued to be the driving force of the retail business and more focused merchandising contributed to the improved sell-through. Two new boutiques were added to our staple at the end of February 2012, "Just Cavalli" in Pacific Place and Time Square. A second boutique of "Brunello Cucinelli" will be opened in Harbour City in May 2012 followed by the second boutique of "Paule Ka" to be opened at the end of 2012 or early 2013. Swank in Pacific Place will be closed for renovation this summer and will reopen in September 2012.

In 2012, we remain cautious but optimistic. The fragile European economy is affecting China's export and could possibly lead to the reduction of spending by the Mainland tourists.

#### Beijing

After 2.5-year of operation, Swank Beijing continues to gain strength and recognition in Beijing. Sales reached RMB11,142,000, a growth of 17% over the previous year. Loss of RMB3,800,000 in 2010 was narrowed to the breakeven point with a marginal profit in 2011.

The luxury retail market continues to grow in China, coupled with the fact that Swank Beijing identity gaining recognition. These have created opportunities for Swank Beijing to establish our foothold in Xian this summer. Our first in-house brand "Cesare di Pino" will open its first boutique in Beijing Jinbao Place Shopping Centre in May/June 2012, with design and production of 100% from Italy.

All these developments have created a hint of excitement within the Swank group.

#### **Resort and Recreational Club Operations**

#### Hong Kong Hilltop Country Club ("Hilltop")

Hilltop is one of Hong Kong's earliest private clubs. Situated in Tsuen Wan with a total site area of over 400,000 square feet, it is ideally suited for recreational and outdoor activities, conferences and dining.

Operating results of Hilltop showed significant improvement during the first half of 2011. However, due to license requirement, Hilltop needs to revise business composition and the revenue was adversely affected during the second half of the year. For the whole year of 2011, Hilltop reported a slight decrease in reveune compared to 2010.

#### VivaSha Club Resort ("VivaSha")

Located in the Putao district of Shanghai with gross floor area of 41,000 square meters, VivaSha is a complex of clubhouse, convention center and 298 hotel rooms, and is operated by Shanghai Landis Hospitality Management Ltd., a 35%-owned associate of the Company.

The oversupply of hotel rooms in the Shanghai hotel industry after the 2010 Shanghai World Expo caused the revenue of VivaSha hotel section sales dropped from HK\$18,280,000 in 2010 to HK\$8,616,000 in 2011. Food and Beverage sales and Club Membership business remain stable. Total sales of VivaSha for 2011 were HK\$43,770,000. In view of oversupply situation in hotels and expected costly maintenance, VivaSha's management has anticipated the business would remain challenging in coming years.
