INSIDE INFORMATION ANNOUNCEMENT: GROWTH IN REVENUE AND BUSINESS UPDATE

This announcement is made by Enviro Energy International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Reference is made to the Company’s annual report for the year ended 31 December 2017, which was published on 27 April 2018. As disclosed in the annual report, it is the intention of the management of the Group to step up its effort to improve the financial performance of the Group’s existing businesses, and to explore investment opportunities in the properties investment, investment holding and trading of building materials segments with a view to bringing substantial value to the shareholders of the Company.

In such connection, the board of directors (“**Board**”) of the Company is pleased to announce that based on the unaudited management accounts of the Group for the five months ended 31 May 2018, the revenue of trading of building materials segment amounted to over RMB150.3 million (equivalent to approximately HK\$184.9 million), representing an increase of approximately HK\$135.3 million, or 273%, from HK\$49.6 million in respect of the same business segment for the year ended 31 December 2017 (and the Group’s total revenue for the year ended 31 December 2017 amounted to about HK\$54.5 million). Management of the Group expects that the momentum of the Group’s revenue attributable to such business segment will continue.

The Board also announces that in connection with the Group's properties investment business segment, management of the Group has been in discussion with certain third parties (who are independent of and not connected with the Company and its connected persons (within the meaning ascribed to such term in the Listing Rules)) about possible acquisitions of investment properties (or companies which hold investment properties) which are located in Guangdong province. Due diligence work in connection with such potential acquisitions is in progress. If the due diligence results are considered by the management to be satisfactory and the parties may reach common consensus to terms in respect of any of such potential acquisitions, the Group will enter into acquisition agreement(s) in order to expand its portfolio of investment properties. If any acquisition agreement is entered into, further announcement will be made by the Company in accordance with the applicable laws and the Listing Rules. There is, however no assurance that any of such potential acquisitions will realize.

Shareholders and potential investors should exercise caution when dealing in shares of the Company.

By Order of the Board
