OTHER TERMS OF THE INVESTMENT AGREEMENTS

Conditions

The Capital Increase is conditional upon the satisfaction of the following conditions:

- (a) the Investors having received approvals from its board of directors/executive director, shareholders (if necessary) or similar authorised organisations;
- (b) if the Investor is a State-owned enterprise, such approval from the State-owned Assets Administration Bureau or its authorised departments;
- (c) other approvals from the supervisory departments of the Investors;
- (d) the shareholder of Kailong Real Estate having approved the Capital Increase and the amendments to the articles of association of Hengda Real Estate; and
- (e) the Board (and if necessary, the Shareholders) having approved the Capital Increase.

Basis of determining the equity interest attributable to the Investors

The aggregate amount of the Capital Increase is RMB30 billion, which will be contributed to the equity capital of Hengda Real Estate and its capital reserve.

The amount of Capital Increase was determined after arm's length negotiations with reference to, among others, the net asset value of Hengda Real Estate as at 30 June 2016, the land reserves of Hengda Real Estate and the development potentials of such projects, the contracted sales performance of Hengda Real Estate, with reference to the appreciation in value of the land of Hengda Real Estate as indicated by CBRE Limited, an independent third party valuer, in its preliminary valuation report dated 1 September 2016 on the land and properties held by Hengda Real Estate as at June 2016, prevailing market conditions, and the development strategy of Hengda Real Estate and potential synergy and benefits of the Proposed Reorganisation.

The pro forma net asset value attributable to shareholders of Hengda Real Estate was determined to be approximately RMB198 billion, which is the revalued net asset value attributable to shareholders and made up by the sum of net asset value attributable to shareholders Hengda Real Estate as at 30 June 2016 as adjusted by the post-tax land appreciation value attributable to the shareholders of Hengda Real Estate and excluding the value of investment property.

LETTER FROM THE BOARD

The post-tax land appreciation value attributable to the shareholders of Hengda Real Estate is derived from the market value of the land reserve held by Hengda Real Estate, estimated by residual approach as at 30 June 2016 from the preliminary valuation report prepared by CBRE Limited minus the book value of such lands as at 30 June 2016 and adjusted for potential tax obligations including estimated value-added tax, land appreciation tax and income tax.

Timing for the contribution

The Capital Increase amount is payable by the Investor within 3 business days from the signing of the Investment Agreement. The parties agreed to complete the capital verification procedures and process the registration of the Capital Increase with the 市場監督管理局 (Market Supervisory Administration Bureau) within 20 business days from the receipt of the Capital Increase amount by Hengda Real Estate.

Performance Undertaking and Indemnity

Performance Undertaking

Under the terms of the Investment Agreements, Kailong Real Estate and Hengda Real Estate have undertaken to the Investors that the net profit of Hengda Real Estate for the three financial years of 2017, 2018 and 2019 shall not be less than RMB24.3 billion, RMB30.8 billion and RMB33.7 billion, respectively.

The Performance Indemnity was based on the internal budget and the work plans of the Company.

The Company will disclose the bases and assumptions in arriving at the performance indemnity undertaking of Hengda Real Estate for the three financial years of 2017, 2018 and 2019 under the Performance Undertaking by way of further announcement. The professional advisers of the Company are currently carrying out reviews of such bases and assumptions and it is expected that the further announcement will be made on or before 31 March 2017.

Dividend payment prior to the entering into of the Reorganisation Agreement

The parties agreed that prior to the entering into of the Reorganisation Agreement and subject to the dividend payment not adversely affecting the ability of Hengda Real Estate to continue to operate, Hengda Real Estate will distribute at least 60% of its net profit for each of the financial years under the Performance Undertaking Period to its shareholders.

LETTER FROM THE BOARD

If the net profit of Hengda Real Estate for a financial year in the Performance Undertaking Period is less than the Performance Undertaking Amount for that financial year, the proportional dividend to be paid by Hengda Real Estate to the Investors will be adjusted upward by using the following formula:

$$\text{Percentage ratio of the proportional dividend payable to the Investors} = \frac{\text{Percentage of equity interest held by the Investors}}{(\text{actual net profit of Hengda Real Estate for that financial year/the Performance Undertaking Amount for that year})}$$

If the percentage ratio calculated by the above formula is greater than 100%, then the distribution to the Investors will be based on 100%.

Dividend payment after the entering into of the Reorganisation Agreement

The above dividend payment arrangement will lapse upon the execution of the Reorganisation Agreement. Upon the execution of the Reorganisation Agreement, dividend payment will be in accordance with the applicable requirements of the CSRC and the terms of the Reorganisation Agreement.

If, for any reasons, the Reorganisation Agreement is terminated after its execution, Hengda Real Estate will make up for any shortfall in dividend paid to the Investors during the period between the execution of the Reorganisation Agreement and its termination in accordance with the terms of the Investment Agreements as if the Reorganisation Agreement has not been entered.

Repurchase obligation or compensation

If the Proposed Reorganisation as contemplated under the Reorganisation Agreement is not completed by 31 January 2020 and the failure to complete is not attributable to the relevant Investor, the relevant Investor will have the right within two months of the expiry of such deadline to request Kailong Real Estate to either:

- (i) repurchase the equity interest held by the relevant Investor at its original investment cost; or
- (ii) transfer shares in Hengda Real Estate to the relevant Investor without consideration in accordance with the following formula as compensation:

$$\text{Percentage of equity in Hengda Real Estate to be transferred by Kailong Real Estate to the relevant Investor as compensation} = \frac{\text{Percentage interest in Hengda Real Estate held by the relevant Investor on the signing of the compensation agreement (excluding any additional interest acquired by the relevant Investor after the date of the relevant Investment Agreement)}}{x 50\%}$$

LETTER FROM THE BOARD

Undertaking of the Investors

Each of the Investors has undertaken to Kailong Real Estate and Hengda Real Estate that for a period of three years from completion of the Capital Increase or immediately prior to the completion of the Proposed Reorganisation (whichever is earlier), it will not transfer its interests in Hengda Real Estate or create any encumbrances over such interests without the consent of Kailong Real Estate. From the date of completion of the Capital Increase to completion of the Proposed Reorganisation, the Investor will not alter its direct or indirect interests in Hengda Real Estate or carry out any acts which would adversely affect the Proposed Reorganisation.

INFORMATION ABOUT HENGDA REAL ESTATE

Hengda Real Estate is a limited liability company established in the PRC and is principally engaged in the business of property development in the PRC.

According to the unaudited financial statements of Hengda Real Estate, the financial results of Hengda Real Estate for the two years ended 31 December 2014 and 2015 are as follows:

	For the year ended 31 December	
	2014	2015
	(unaudited) <i>RMB million</i>	(unaudited) <i>RMB million</i>
Net profit before tax	24,532	29,233
Net profit after tax	18,341	21,335

The consolidated net asset value of Hengda Real Estate as at 30 June 2016 was RMB63,654 million.

The Directors currently intend to apply the proceeds from the Capital Increase of RMB 30 billion in the following manners:

Purpose	Amount	% of the proceeds	Timing
	<i>RMB million</i>		
(i) Repayment of indebtedness of Hengda Real Estate	12,000	40	Within 12 months of completion of the Capital Increase
(ii) Acquisition of new projects	12,000	40	Within 12 months of completion of the Capital Increase

LETTER FROM THE BOARD

Purpose	Amount <i>RMB million</i>	% of the proceeds	Timing
(iii) General working capital	6,000	20	Within 12 months of completion of the Capital Increase
Total	<u><u>30,000</u></u>	<u><u>100</u></u>	

The Company may adjust its development plans in response to changing market conditions and thus may adjust and reallocate the use of proceeds accordingly. The Company will publish further announcements to update the Shareholders of any significant adjustment or changes to the planned use of proceeds as and when appropriate.

REASON FOR THE CAPITAL INCREASE, PROPOSED A SHARE LISTING

The Company announced on 3 October 2016 that Kailong Real Estate and Hengda Real Estate have entered into a cooperation agreement with Shenzhen Real Estate and Shenzhen Investment pursuant to which the parties agreed to work towards the entering into of the Reorganisation Agreement with regard to the Proposed Reorganisation. Under the Proposed Reorganisation, Shenzhen Real Estate will, by way of issue of Renminbi ordinary shares and/or payment of cash consideration, acquire all of the interest in Hengda Real Estate from Kailong Real Estate. Upon completion of the Proposed Reorganisation, Kailong Real Estate will become the controlling shareholder of Shenzhen Real Estate and the Proposed Reorganisation will enable the Company to effectively list the real estate related assets on the Shenzhen Stock Exchange A-share market.

The Capital Increase will serve to raise fund as well as to allow the Group to maintain the public float of Shenzhen Real Estate upon completion of the Proposed Reorganisation.

Given that the Capital Increase was being made after arm's length negotiations, and that the Investment Agreements were concluded based on normal commercial terms, the Directors (including the independent non-executive Directors) consider that the Capital Increase was made on normal commercial terms, the terms of which are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

The Company does not rule out the introduction of further investors to Hengda Real Estate in the near future. The Company will disclose any such further investments in compliance with the Listing Rules when binding investment agreements have been entered into.

LETTER FROM THE BOARD

FINANCIAL EFFECTS TO THE GROUP AS A RESULT OF THE CAPITAL INCREASE

Immediately following the Capital Increase, the effective shareholding of the Company in Hengda Real Estate will be diluted from 100% to approximately 86.84%. Notwithstanding such dilution, Hengda Real Estate will remain as a non-wholly owned subsidiary of the Company and its financial results, assets, liabilities and cash flows will continue to be consolidated into the Company's consolidated financial statements in accordance with the Hong Kong Financial Reporting Standards. As Kailong Real Estate has agreed with a repurchase obligation provided that the Proposed Reorganisation as contemplated under the Reorganisation Agreement is not completed by 31 January 2020, the Capital Increase in Hengda Real Estate will be treated as a financial liability and will not result in the recognition of any gain or loss in the Company's consolidated financial statements. Upon completion of the Proposed Reorganisation, the Capital Increase will then be classified as equity of the Group. The Directors are of the view that the Capital Increase would enhance the prospect of the Group, and is thus in the interests of the Company and the Shareholders as a whole.

GENERAL

The Group is principally engaged in the development of large scale residential properties and integrated commercial properties in the PRC.

LISTING RULES IMPLICATIONS

The Capital Increase constitutes a deemed disposal of the Company under Chapter 14 of the Listing Rules. As the applicable percentage ratios under Rule 14.07 of the Listing Rules in respect of the Capital Increase is more than 25% but less than 75%, the Capital Increase constitutes a major transaction for the Company and is subject to the reporting, announcement and shareholders' approval requirements under Chapter 14 of the Listing Rules. As no shareholder is interested in the transaction and is required to abstain from voting at the general meeting convened for the approval of the Capital Increase, the Company has approved the Capital Increase by the written approval of Xin Xin, a shareholder holding approximately 68.45% of the issued share capital of the Company as at the date of this announcement, pursuant to Rule 14.44 of the Listing Rules and is exempted from the requirement to convene a shareholders' meeting for the approval of the Capital Increase.

China Evergrande Group

Suite 1501–1507,
 One Pacific Place,
 88 Queensway,
 Hong Kong

Dear Sirs,

In accordance with instructions from China Evergrande Group (the “Company) to value the certain properties in which Hengda Real Estate Group and its subsidiaries (collectively referred to as “the Group”) have interests in the People’s Republic of China (the “PRC”) and Hong Kong, we confirm that we have carried out inspections, made relevant enquiries, and obtained such further information as we consider necessary for the purpose of providing you with our opinion of the market value of such properties as of 30 November 2016 (the “Valuation Date”).

Valuation Basis, Assumptions and Methodology

Our valuation is prepared in accordance with “The HKIS Valuation Standards (2012 Edition)” (“the Standards”) published by The Hong Kong Institute of Surveyors (“the HKIS”), the RICS Valuation — Professional Standards of Royal Institution of Chartered Surveyors and is complied with International Valuation Standards (IVS).

Our valuation is made on the basis of market value which is defined by the International Valuation Standards and followed by the HKIS as “the estimated amount for which an asset or liability should exchange on the Valuation Date between a willing buyer and a willing seller in an arm’s-length transaction after proper marketing and where the parties had each acted knowledgeably, prudently and without compulsion.”

We have also complied with all the requirements contained in the Companies Ordinance, Chapter 5, Practice Note 12 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”).

Our valuation has been made on the assumption that the owner sells the property on the open market without the benefit or burden of a deferred term contract, leaseback, joint venture, management agreement or any similar arrangement, which would serve to affect the values of the properties.

No allowance has been made in our valuation for any charges, mortgages or amounts owing neither on the property nor for any expenses or taxation which may be incurred in effecting sale. Unless otherwise stated, it is assumed that the properties were free from encumbrances, restrictions and outgoings of an onerous nature which could affect their values.

We have valued the properties in Group I which are held by the Group for sale, the properties in Group II which are held by the Group for owner occupation, and the properties in Group V which are held by the Group for future development by the Direct Comparison Approach on the assumption that each property can be sold in their existing state. Comparison is based on prices realized on actual transactions and/or asking prices of comparable properties. Comparable properties with similar sizes, characteristics and locations are analyzed, and carefully weighed against all respective advantages and disadvantages of each property in order to arrive at a fair comparison of value.

We have valued portions of the properties in Group II which are held and operated by the Group as hotel, by Discounted Cash Flow Approach and analysed the long term return that is likely to be derived from a property with a combination of both income and capital growth over an assumed investment horizon. In undertaking this analysis, a wide range of assumptions are made including a target or pre-selected internal rate of return, net property income, income growth, potential capital expenditure, costs associated with the initial purchase of the property and also its disposal at the end of the investment period.

For the completed properties in Group III and Group VII which are held by the Group for investment, the properties are valued by Direct Comparison Approach assuming sale of each of these properties in its existing state by making references to comparable sale transactions and/or asking prices of comparable properties in the relevant markets. Where appropriate, we have also valued the properties using the Income Capitalization Approach by capitalization of the net rental income derived from the existing tenancies with due allowance for the reversionary income potential of the property.

In valuing the portion of the properties in Group III and properties in Group IV which are under development, we have assumed that they will be developed and completed in accordance with the latest development proposal provided to us by the Group. In arriving at our opinion of value, we have adopted the comparison approach by making reference to comparable sales evidence as available in the relevant market and have also taken into account the accrued construction cost and professional fees relevant to the stage of construction as at the valuation date and the remainder of the cost and fees that are expected to be incurred for completing the development. We have relied on the accrued construction cost and professional fees information provided by the Group according to the different stages of construction of the subject properties as at the valuation date and we did not find any material inconsistency from those of other similar developments.

For the properties in Group VI which are contracted to be held by the Group, as for which the Group has entered into agreements with relevant owner of the property or government authority or entered into share transfer agreements, but for which the Group has not yet obtained the State-owned Land Use Rights Certificates and/or the payment of the land premium has not yet been fully settled as of the Valuation Date, we have attributed no commercial value to such properties.

Source of Information

We have relied on information provided by the Group, in particular, but not limited to the sales records, planning approvals, statutory notices, easements, development scheme, construction costs, development time schedules, site area and floor area, tenancy schedules, interests attributable to the Group and other relevant information. No on-site measurement has been taken. Dimensions, measurements and areas included in the property summaries are only approximations. We have taken every reasonable care both during reviewing the information provided to us and in making relevant enquiries. We have no reason to doubt the truth and accuracy of the information provided to us by the Group, which is material to the valuation. We were also advised by the Group that no material facts have been omitted from the information provided to us.

In the course of our valuation for the properties in the PRC, we have relied on the legal opinion provided by the Group's PRC legal advisor, King & Wood Mallesons (the "PRC Legal Opinion"). We have been provided with extracts from title documents relating to such properties. We have not, however, inspected the original documents to verify ownership or any amendment which did not appear on the copies handed to us. All documents have been used for reference only. Unless otherwise stated, in valuing the Properties, we have prepared our valuation on the basis that the owners have proper title to the properties and have free and uninterrupted rights to use, occupy or assign the properties for the whole of the unexpired terms as granted.

We have had no reason to doubt the truth and accuracy of the information provided to us by the Group. We have also sought confirmation from the Group that no material factors have been omitted from the information supplied. We consider that we have been provided with sufficient information to arrive at an informed view, and we have no reason to suspect that any material information has been withheld.

Property Inspection

We made inspection of the properties for this valuation. In the course of our inspection, we did not notice any serious defects. However, we have not carried out any structural survey nor any tests were made on the building services. Therefore, we are not able to report whether the properties are free of rot, infestation, or any other structural defects. During our inspection, we have not carried out investigations on the site to determine the suitability of the ground conditions and the services for any future development.

We have not carried out site measurements to verify the correctness of the areas of the properties. We have assumed that the areas shown on the documents and official site plan are correct. Our valuation is on the basis that these aspects are satisfactory. All documents and contracts have been used as reference only and all dimensions, measurements and areas are approximations.

Inspection of the properties was carried out in the period between July 2016 and December 2016 by our technical staff including Ms. Jennifer Ip, Mr. Edmond Wong, Ms. Joey Gong, Mr. Kaiser Lo, Mr. Timothy Yim, Ms. Coco Zhu, Ms. Clara Shi, Mr. Leo Lei, Mr. Jimmy Wu, Ms. Jessica Chen, Ms. Nicole Liu, Ms. Mao Yan, Ms. Petal Wang, etc. They are Chartered Surveyors/ China Real Estate Appraisers and/or have more than 2 to 5 years' experience in the valuation of properties in the PRC and possess academic background in subjects relating to real estate valuation.

Currency

Unless otherwise stated, all monetary figures stated in this report are in Renminbi (RMB) or in Hong Kong Dollars (HKD), the official currency of the PRC and Hong Kong in relation to the properties in the PRC and Hong Kong respectively.

Summary Disclosure

In accordance with the requirements in rule 5.02B of Chapter 5 of the Rules Governing the Listing of Securities issued by The Stock Exchange of Hong Kong Limited, as the values of the property interests as at the valuation date are less than 5% of the total property interests, we present the property information and valuation in the format of summary disclosure.

We enclose herewith our summary of values.

Yours faithfully,
For and on behalf of
CBRE Limited
