## Company Operation Information (Cont.)

According to statistics, property sales in China rose by 7.7% year on year by sales value and increased by 13.7% year on year by GFA sold in January 2018, with the transaction volume hitting a new high under the state policy on the regulation and control of the property market, which was summed up in a slogan "Properties are something to live in, not to speculate on". Meanwhile, the real estate developers stepped up efforts to acquire lands for property development projects through mergers and acquisitions.

### Contracted sales increased by 101.2% year on year to RMB1.62 billion

In terms of the geographical distribution of Fantasia's contracted sales in January, contracted sales in cities like Shenzhen, Wuhan, Chengdu and Nanjing continued to grow. In particular, property projects such as Xiang Men Di and Jiatianxia in Chengdu, Jiatianxia in Shenzhen and Hailrun Garden in Nanjing recorded significant growth in both sales volume and average selling prices ("ASP"), which are at a relatively high level in the local markets. The Group also continued to record stable growth in sales in other core markets such as central and southern China.

### Colour Life signs contract with Darwin International Hotel Property Company and its strategy for development through minority stakes in property projects gathers steam

On 12 January, Colour Life Services Group Co., Limited ("Colour Life") and Beijing Darwin International Hotel Property Management Limited ("Darwin Property")(达尔文国际酒店物业) signed a strategic cooperation agreement. This marks Colour Life's first foray into the market of Beijing and can pave the way for the company's expansion in northern China. On the other hand, Darwin Property will also extend its cooperation to more different industries to form a more comprehensive community-based services system.

Colour Life's strategy for development through minority stakes in property projects has been gathering steam. In the first half of 2017, Colour Life has undertaken strategic cooperation with 28 property management companies, including Lanzhou Chengguan Property Co. Ltd. (兰州城关物业服务集团有限 公司), Jiangsu Zhong Zhu Service Development Co. Ltd. (江苏中住物业服务开发) and Hubei Yunfan Property Co. Ltd. (湖北云帆物业服务有限公司). Colour life and those companies have achieved consensus on coordinated, joint development. Under the agreements, Colour Life would provide platforms, technologies and capital to support its business partners. Presently, Colour Life is planning to enrich its community-based services and improve their quality. It also seeks to enter stage of development where it can pursue quality growth and optimize its business mix so as to spearhead the innovation of communitybased services as part of the modern economy.

As one of the world's leading community integrated service operators, Fantasia has taken great efforts to understand the users' needs and wants and has dedicated itself to providing home owners with a wider choice of community-based services and products with a human touch. Pan Jun emphasized that fantasia had to grow together with the community service industry and make every effort to create a "community +" ecosystem of businesses as an organic whole.
