CHARACTERISTICS OF GEM

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination of GEM is publication on the internet website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website at www.hkgem.com in order to obtain up-to-date information on GEM-listed issuers.

LETTER FROM THE BOARD

GENERAL MANDATES

At the annual general meeting of the Company held on 23 April 2007 (“2007 AGM”), the Directors were granted by the then Shareholders (i) a general unconditional mandate to allot, issue and deal with Shares not exceeding 20% of the aggregate nominal value of the share capital of the Company in issue as at the date of passing such resolution i.e. 555,800,000 Shares; (ii) a general unconditional mandate to repurchase Shares with an aggregate nominal value not exceeding 10% of the aggregate nominal value of the share capital of the Company in issue as at the date of passing such resolution; and (iii) to extend the general mandate mentioned in (i) above by an amount representing the aggregate nominal amount of the securities of the Company repurchased by the Company pursuant to the mandate to repurchase securities referred to (ii) above.

550,000,000 Shares have been issued and allotted in June 2007 pursuant to a placing and subscription agreement entered in June 2007 at a price of HK\$0.200 per Share pursuant to the general mandate to issue Shares granted at the 2007 AGM.

Further, at the extraordinary general meeting of the Company held on 8 August 2007, ordinary resolutions were passed to give (a) a general unconditional mandate to the Directors to allot, issue and deal with new shares not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of such resolution i.e. 665,882,000 Shares and (b) to extend the general mandate mentioned above. No Shares have been repurchased pursuant to the repurchase mandate granted.

330,000,000 Shares and 335,000,000 Shares have been issued and allotted in September 2007 pursuant to the placing and subscription agreements entered in August 2007 and September 2007 at a price of HK\$0.190 per Share and HK\$0.162 per Share, respectively, pursuant to the general mandate to issue Shares granted at the extraordinary general meeting of the Company held on 8 August 2007.

The Directors were granted at an extraordinary general meeting of the Company held on 25 March 2008 (1) a general and unconditional mandate to allot, issue and deal with new Shares up to 20% of the aggregate nominal share capital of the Company in issue as at the date of passing the relevant resolution i.e. 1,198,323,000 Shares and (2) to extend the general mandate mentioned above.

The above general mandate will lapse at the conclusion of the AGM.

At the AGM, an ordinary resolution will be proposed that the Directors be given the Issue Mandate, i.e. a general and unconditional mandate to allot, issue and deal with new Shares up to 20% of the aggregate nominal share capital of the Company in issue as at the date of passing the relevant resolution.

Another ordinary resolution will also be proposed to give the Directors the Repurchase Mandate, i.e. a general and unconditional mandate to exercise all powers of the Company to repurchase Shares on the Stock Exchange up to a maximum of 10% of the nominal share capital of the Company in issue as at the date of passing the relevant resolution.

LETTER FROM THE BOARD

The Issue Mandate and the Repurchase Mandate would expire the earliest of: (i) the conclusion of the next annual general meeting of the Company; or (ii) at the end of the period within which the Company is required by any applicable law of the Cayman Islands or the Articles to hold its next annual general meeting; or (iii) the revocation, variation or renewal of such mandates by ordinary resolution of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

Assume no further Shares are to be issued or repurchased prior to the AGM, the Issue Mandate will grant to the Directors an authority to issue up to 1,198,323,000 Shares.

EXPLANATORY STATEMENT

An explanatory statement containing all relevant information relating to the proposed Repurchase Mandate is set out in Appendix I to this circular. The explanatory statement is to provide you with the information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution to grant to the Directors the Repurchase Mandate at the AGM.

RE-ELECTION OF DIRECTORS

APPENDIX I EXPLANATORY STATEMENT ON REPURCHASE MANDATE

This appendix serves as an explanatory statement, as required pursuant to Rule 13.08 of the GEM Listing Rules, to provide you with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution at the AGM to approve the Repurchase Mandate.

1. PROVISIONS OF THE GEM LISTING RULES

(a) Shareholders' approval

All proposed repurchase of securities on the GEM by a company with its primary listing on GEM must be approved in advance by an ordinary resolution, either by way of general mandate or by special approval in relation to a particular transaction.

(b) Source of funds

Any repurchases must be financed out of funds legally available for the purpose and in accordance with the Company's constitutional documents and the laws of the jurisdiction in which the Company is incorporated or otherwise established.

(c) Connected parties

Under the GEM Listing Rules, a company shall not knowingly repurchase securities from a connected person (as defined under the GEM Listing Rules) and a connected person shall not knowingly sell his shares to the company. As at the Latest Practicable Date and to the best of the knowledge of the Directors who have made all reasonable enquiries, none of the Directors or their associates has a present intention to sell Shares to the Company or has undertaken not, in the event that the Repurchase Mandate is approved by the Shareholders, to sell shares to the Company.

2. EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, the issued share capital of the Company comprised of 5,991,615,000 Shares.

Subject to the passing of ordinary resolution numbered 5 set out in the notice of the AGM and on the basis that no further Shares are issued by the Company prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 599,161,500 Shares, being 10% of the total issued Shares as at the Latest Practicable Date, during the period from the date of the passing of ordinary resolution numbered 5 up to the earliest of (i) the conclusion of the next annual general meeting of the Company; or (ii) at the end of the period within which the Company is required by any applicable law of the Cayman Islands or the Articles to hold its next annual general meeting; or (iii) the revocation, variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders in general meeting prior to the next annual general meeting of the Company.

3. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

4. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Memorandum and Articles of Association, the GEM Listing Rules and the applicable laws of the Cayman Islands. The Company may not repurchase securities on the GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

5. GENERAL

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements of the Company for the year ended 31 December 2007) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing levels which in the opinion of the Directors are from time to time appropriate for the Company. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

6. UNDERTAKING

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates, have any present intention to sell any Shares to the Company under the Repurchase Mandate if the same is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the Company's Memorandum and Articles of Association and the applicable laws of the Cayman Islands.

7. THE TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase in the shareholder's interest, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

APPENDIX I EXPLANATORY STATEMENT ON REPURCHASE MANDATE

As at the Latest Practicable Date, Mr. Tse Young Lai holds 1,198,323,000 Shares, representing 20% of the issued Shares. In the event that the Directors exercise in full the Repurchase Mandate, the interest of Mr. Tse Young Lai in the Shares would be increased to approximately 22.22% of the issued Shares. Such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Code. In fact, the Directors do not have a present intention to exercise the Repurchase Mandate to such an extent as would result in the number of Shares held by the public being reduced to less than 25%.

8. SHARES REPURCHASE MADE BY THE COMPANY

No repurchases of Shares have been made by the Company, whether on the Stock Exchange or otherwise, in the six months preceding the Latest Practicable Date.

9. CONNECTED PERSON

No connected person (as defined in the GEM Listing Rules) has notified the Company that he has a present intention to sell any Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

10. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange in each of the previous twelve months up to the Latest Practicable Date were as follows:-

	Shares
