Mr. Han has entered into an appointment letter with the Company for a term of one year commencing on 2 October 2020, which was renewed for one year from 2 October 2021. Pursuant to the Articles of Association, the Directors shall retire from office by rotation provided that each Director shall be subject to retirement at an annual general meeting at least once every three years.

As at the Latest Practicable Date, Mr. Han had no interest in the Shares within the meaning of Part XV of the SFO.

Save as disclosed above, Mr. Han does not hold any directorship in other public companies the securities of which are listed on any securities market in Hong Kong or overseas in the last three years and does not have any relationships with any Directors, senior management, substantial or controlling shareholders of the Company and he has confirmed that there is no other information to be disclosed pursuant to Rules 13.51(2)(h) to (v) of the Listing Rules and there are no other matters that need to be brought to the attention of the Shareholders in connection with his re-election.

Mr. Han has given a confirmation in writing of his independence to the Company pursuant to Rule 3.13 of the Listing Rules. The Board, through the assessment and recommendation by the Nomination Committee, has considered him to be independent.

The following is the explanatory statement required to be sent to the Shareholders under the Listing Rules to enable them to make an informed decision on whether to vote for or against the ordinary resolution in relation to the Proposed Share Repurchase Mandate to be proposed at the AGM.

1. SHARE REPURCHASE PROPOSAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 7,792,645,623 fully paid-up Shares. It is proposed that up to a maximum of 10% of the fully paid-up Shares in issue at the date of passing of the Share Repurchase Resolution to approve the Proposed Share Repurchase Mandate may be repurchased by the Directors. Subject to the passing of the Share Repurchase Resolution and on the basis that no further Shares are issued prior to the AGM, the Company would be allowed under the Proposed Share Repurchase Mandate to repurchase up to a maximum of 779,264,562 fully paid-up Shares during the proposed repurchase period.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to have a general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASES

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association and the Companies Law. The Companies Law provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Companies Law. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Shares are repurchased in the manner provided for in the Companies Law.

In the event that the proposed share repurchases were to be carried out in full at any time during the proposed repurchase period, there might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited consolidated financial statements contained in the annual report of the Company for the year ended 31 December 2021 and taking into account the financial position of the Company as at the Latest Practicable Date. However, the Directors do not propose to exercise the Proposed Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

4. DIRECTORS' UNDERTAKING AND CONNECTED PERSONS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, the exercise of the power of the Company to make repurchases pursuant to the Proposed Share Repurchase Mandate will be in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules) have a present intention, in the event that the Share Repurchase Resolution is approved by the Shareholders, to sell Shares to the Company.

No connected persons (as defined in the Listing Rules) at the Company have notified the Company that they have a present intention to sell any Shares held by them to the Company, or have undertaken not to do so, in the event that Share Repurchase Resolution is approved by the Shareholders.

5. EFFECT OF TAKEOVERS CODE AND PUBLIC FLOAT REQUIREMENTS

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of a Share repurchase, any such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of shareholders' interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Market Victor Limited, Novel Ventures Limited, Island Century Limited and Well Advantage Limited, all of which are indirectly wholly-owned by Mr. Zhang Zhi Rong, the ultimate controlling shareholder of the Company, held 81,936,000 Shares, 106,288,000 Shares, 119,313,000 Shares and 27,756,000 Shares respectively, representing in aggregate 335,293,000 Shares or approximately 4.30% of the total issued share capital of the Company. Together with 4,940,629,436 Shares held by the discretionary family trust, Century Glory Family Trust, Mr. Zhang Zhi Rong's aggregate interests was 5,275,922,436 shares or approximately 67.70% of the total issued share capital of the Company. In the event that the Proposed Share Repurchase Mandate is exercised in full, which is considered by the Directors to be unlikely in the current circumstances, Mr. Zhang Zhi Rong would (assuming that there is no change in the relevant shareholdings) beneficially hold in aggregate 5,275,922,436 Shares, representing approximately 75.23% of the total issued share capital of the Company. Such increase in the interest of Mr. Zhang Zhi Rong in the Company would reduce the amount of Shares held by the public to less than 25% of the total issued share capital of the Company but would not give rise to an obligation to make a mandatory general offer under Rules 26 and 32 of the Takeovers Code. The Directors have no intention to repurchase Shares to such an extent which will result in the amount of the Shares held by the public to be reduced to less than 25%.

In addition, in exercising the Proposed Share Repurchase Mandate (whether in full or otherwise), the Directors will ensure that the Company complies with the requirements of the Listing Rules, including the minimum percentage of the Shares being held in public hands.

6. SHARE REPURCHASES MADE BY THE COMPANY

There was no repurchase of Shares made by the Company or any of its subsidiaries during the six months immediately preceding the Latest Practicable Date.

7. MARKET PRICES

During each of the 12 months preceding and up to the Latest Practicable Date, the highest and lowest prices at which the Shares were traded on the Stock Exchange were as follows:

Year	Month	Highest	Lowest
		Price HK\$	Price HK\$
2021	July	0.232	0.201
	August	0.255	0.200
	September	0.250	0.183
	October	0.250	0.211

	April	0.198	0.165
