LETTER FROM THE BOARD

MISCELLANEOUS

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully
By order of the Board
Youth Champ Financial Group Holdings Limited
He Luling
Chairman

This appendix serves as an explanatory statement, as required under Rule 10.06(1)(b) of the Listing Rules, to provide the Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the grant of the Repurchase Mandate to the Directors.

1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, there were a total of 172,800,000 Shares in issue.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no new Shares are issued and no Shares are repurchased for the period from the Latest Practicable Date up to and including the date of the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase up to a maximum of 17,280,000 Shares, representing 10% of the issued share capital of the Company as at the Latest Practicable Date.

3. REASONS FOR THE REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase Shares on the Stock Exchange or any other stock exchange on which the Shares are listed. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association, the Bye-laws, the Companies Act, other applicable laws of Bermuda and the Listing Rules. A listed company is prohibited from repurchasing its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. Under the Companies Act, repurchases by the Company may only be made out of the capital paid up on the relevant Shares, out of the funds of the Company which would otherwise be available for dividend or distribution, or out of the proceeds of a fresh issue of Shares made for the purposes of the repurchase. Any premium payable on a repurchase over the par value of the relevant Shares may only be provided for out of funds of the Company which would otherwise be available for dividend or distribution or out of the Company's share premium account before the relevant Shares are repurchased.

5. MATERIAL ADVERSE IMPACT IN THE EVENT OF REPURCHASE IN FULL

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period, it might have a material adverse impact on the working capital and/or gearing position of the Company as compared with the position as at 31 March 2019, being the date of its latest published audited financial statements were made up. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

6. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the twelve calendar months immediately preceding (and including) the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>

May	1.91	1.83
June	1.89	1.84

* There was no trading of Shares during the month.

7. UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make repurchases under the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda and in accordance with the regulations set out in the memorandum of association of the Company and the Bye-laws.

8. DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates, have any present intention to sell any Shares to the Company under the Repurchase Mandate if the same is approved by the Shareholders at the Annual General Meeting.

No core connected person of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company nor has any such connected person undertaken not to sell any Shares held by him/her/it to the Company, in the event that the grant of the Repurchase Mandate to the Directors is approved by the Shareholders at the Annual General Meeting.

9. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If as a result of a share repurchase a Shareholder's proportionate interest in the voting rights of the Company increases pursuant to the Repurchase Mandate, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

The Directors do not intend to exercise the power to repurchase Shares to an extent which would render any Shareholder or group of Shareholders obliged to make a mandatory offer under Rule 26 of the Takeovers Code, or the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.
