GENERAL INFORMATION

Your attention is also drawn to the additional information set out in the Appendices to this circular.

Yours faithfully,
On behalf of the Board
Greater China Holdings Limited
Ma Xiaoling
Chairman

This is an explanatory statement given to all Shareholders relating to an ordinary resolution to be proposed at the Annual General Meeting for approving the Repurchase Mandate. This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules which is set out as follows:

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company was 285,989,133 Shares.

Subject to the passing of the ordinary resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 28,598,913 Shares, being 10% of the entire issued share capital of the Company.

2. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, they believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and its Shareholders as such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value of the Company and its assets and/or earnings per Share. Shareholders can be assured that the Directors would only make such repurchases in circumstances where they consider them to be in the best interests of the Company.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and Bye-laws and the laws of Bermuda. The laws of Bermuda provide that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the funds of the company that would otherwise be available for distribution by way of dividend or distribution or the proceeds of a fresh issue of shares made for the purpose. The amount of premium payable on repurchase may only be paid out of either the funds of the company that would otherwise be available for distribution by way of dividend or distribution or out of the share premium account of the company. Should the Directors consider it desirable, they would be able to finance the repurchase out of funds borrowed against any of the abovementioned accounts. In addition, under the laws of Bermuda, no repurchase by a company of its own shares may be effected if, on the date on which the repurchase is to be effected, there are reasonable grounds for believing that the company is, or after the repurchase would be, unable to pay its liabilities as they become due. In accordance with the laws of Bermuda, the shares so repurchased would be treated as cancelled but the aggregate amount of authorised share capital would not be reduced.

On the basis of the consolidated financial position of the Company as at 31 December 2006 (being the date to which the latest published audited financial statements of the Company have been made up) and in particular the working capital position of the Company at that time and the number of Shares now in issue, the Directors consider that there might be a material adverse impact on the working capital position or the gearing position of the Company in the event that the Repurchase Mandate were to be exercised in full during the Repurchase Mandate period. No repurchase would be made in circumstances that would have a material adverse impact on the working capital position or the gearing position of the Company (as compared with the position disclosed in the latest published audited financial statements).

4. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the following months up to and including the Latest Practicable Date are as follows:

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the Listing Rules, the memorandum of association and Bye-laws of the Company and the laws of Bermuda.
