Unless otherwise stated, capitalised terms used herein shall bear the same meanings as those defined in the Prospectus.

To the best of the Directors’ knowledge, information and belief after having made all reasonable enquiries, (i) each of the placees and where appropriate, their respective ultimate beneficial owners, is independent of and not a connected person of the Company; and (ii) none of the placees has become a substantial shareholder of the Company (as defined under the Listing Rules) upon completion of the placing of the Placing Shares.

Based on the subscription results of the Rights Issue and the placing results of the Compensatory Arrangements, the Rights Shares to be allotted and issued amounted to 1,499,999,994 Rights Shares, representing 100% of the total number of Rights Shares offered for subscription under the Rights Issue.
