Basis of provisional allotments

The basis of the provisional allotment shall be one (1) Rights Share for every two (2) Shares in issue and held by the Qualifying Shareholders at the close of business on the Record Date at the Subscription Price payable in full on acceptance and otherwise on the terms and subject to the conditions set out in the Prospectus Documents.

Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by lodging a duly completed PAL and a cheque or a banker's cashier order for the sum payable for the Rights Shares being applied for with the Registrar on or before the Latest Time for

LETTER FROM THE BOARD

Acceptance. Any holding (or balance of holdings) of less than two (2) Shares will not entitle the holders to be provisionally allotted a Rights Share. Please refer to the arrangement as referred to in the section headed “Fractional entitlements of the Rights Shares” below.

Qualifying Shareholders

The Rights Issue is only available to the Qualifying Shareholders. To qualify for the Rights Issue, a Shareholder must be registered as a member of the Company and not being an Excluded Shareholder as at the close of business on the Record Date.

The last day of dealings in the Shares on a cum-rights basis was Friday, 8 March 2024. The Shares have been dealt with on an ex-rights basis from Monday, 11 March 2024.

Qualifying Shareholders who take up their pro rata assured entitlement in full will not suffer any dilution to their interests in the Company. **If a Qualifying Shareholder does not take up any of his/her/its entitlement in full under the Rights Issue, his/her/its proportionate shareholding in the Company may be diluted.**

Rights of Overseas Shareholders

The Prospectus Documents to be issued in connection with the Rights Issue will not be registered or filed under the applicable securities law of any jurisdiction other than (a) Hong Kong; and (b) the PRC in accordance with the CSRC Notice and, if necessary, the Trial Administrative Measures. Overseas Shareholders may not be eligible to take part in the Rights Issue as explained below.

As at the Latest Practicable Date, there were 12 Overseas Shareholders with registered addresses situated in the PRC, 3 Overseas Shareholders with registered addresses situated in the BVI and 1 Overseas Shareholder with registered addresses situated in the Republic of Seychelles, holding in aggregate 93,981,750 Shares (representing approximately 20.88% of the issued Shares).

The Company has, in compliance with Rule 13.36(2)(a) of the Listing Rules, made necessary enquiries regarding the feasibility of extending the Rights Issue to the Overseas Shareholders. Based on legal advice provided by the legal advisers as to PRC law, BVI law and Republic of Seychelles law engaged by the Company respectively as at the Latest Practicable Date and having considered the circumstances, the Board is of the opinion that there is no legal restriction or requirement of any relevant regulatory body or stock exchange in the PRC, BVI and Republic of Seychelles with respect to extending the Rights Issue to the Overseas Shareholders with registered addresses in the PRC, BVI and Republic of Seychelles. Accordingly, the Rights Issue will be offered to the Overseas Shareholders in the PRC, BVI and Republic of Seychelles and they are considered as Qualifying Shareholders.

LETTER FROM THE BOARD

If a Shareholder resident in the PRC or in the BVI or in the Republic of Seychelles and/or any other PRC or BVI or Republic of Seychelles resident (including both individuals and companies) wishes to invest in the nil-paid Rights Shares or the fully-paid Rights Shares, he/she/it shall be responsible for complying with the relevant laws of the PRC or of the BVI or of the Republic of Seychelles. The Company will not be responsible for verifying the PRC or BVI or Republic of Seychelles legal qualification of such Shareholder and/or resident and thus, should the Company suffer any losses or damages due to non-compliance with the relevant laws of the PRC or of the BVI or of the Republic of Seychelles by any such Shareholder and/or resident, the Company shall not be obliged to issue the nil-paid Rights Shares or the fully-paid Rights Shares to any such Shareholder and/or resident, if issuing the nil-paid Rights Shares or the fully-paid Rights Shares to them is not compliant with the relevant laws or requirements of the PRC or of the BVI or of the Republic of Seychelles.

As at the Latest Practicable Date, there were no Excluded Shareholders. Since the register of members is closed from Wednesday, 13 March 2024 to Tuesday, 19 March 2024, there will be no Excluded Shareholders as at the Record Date. Accordingly, there will be no Excluded Shareholders for the purpose of the Rights Issue.

The Excluded Shareholders (which are excluded from the Rights Issue) will not have any entitlement under the Rights Issue. However, arrangements will be made for the Rights Shares, which would otherwise have been provisionally allotted to the Excluded Shareholders, to be sold in their nil-paid form as soon as practicable after dealings in the nil-paid Rights Shares commence, if a premium (net of expenses) can be obtained. The proceeds of such sale, less expenses, will be paid pro-rata (but rounded down to the nearest cent) to the Excluded Shareholders in Hong Kong dollars, except that the Company will retain individual amounts of less than HK\$100 for its own benefit. Any unsold entitlement of Excluded Shareholder(s) to the Rights Shares, and any Rights Shares provisionally allotted but not accepted by the Qualifying Shareholders or otherwise not subscribed for by transferees of nil-paid Rights Shares, will be made available for excess applications by the Qualifying Shareholders (other than the PRC Southbound Trading Investors) under the EAF(s).

The Company reserves the right to treat as invalid any acceptance of Rights Shares where it believes that such acceptance or application would violate the applicable securities or other laws or regulations of any territory or jurisdiction. Accordingly, Overseas Shareholders and beneficial owners of the Shares who are residing outside Hong Kong should exercise caution when dealing in the Shares and the nil-paid Rights Shares.

The Rights Issue does not constitute or form part of any offer or invitation to sell or issue, or any solicitation of any offer to acquire, nil-paid Rights Shares or fully-paid Rights Shares or to take up any entitlements to nil-paid Rights Shares or fully-paid Rights Shares in any jurisdiction in which such an offer or solicitation is unlawful. Shareholders and beneficial owners of the Shares (including, without limitation, their respective agents, custodians, nominees and trustees) should inform themselves of and observe any such restrictions. Any failure to comply with these restrictions may constitute a violation of the securities laws of any such jurisdiction.

LETTER FROM THE BOARD

Overseas Shareholders in the BVI

This Prospectus does not constitute and shall not be construed as an offer or solicitation to the public in the BVI to subscribe for the Rights Shares. The Rights Shares shall not be acquired for the account or benefit of any person who is a resident of, or who is domiciled in, the BVI, other than a BVI Business Company (as defined under the BVI Business Companies Act (as amended from time to time)) incorporated in the BVI that is not resident in the BVI, nor carry on any activities which would require it to be licensed under BVI financial services legislation.

Rights of PRC Southbound Trading Investors

According to the “Stock Connect Southbound Shareholding Search” available on the Stock Exchange’s website, as of the Latest Practicable Date, China Clear held 37,974,845 Shares, representing approximately 8.44% of the total number of Shares in issue.

The PRC Southbound Trading Investors may participate in the Rights Issue through China Clear. China Clear will provide nominee services for the PRC Southbound Trading Investors to (a) sell their nil-paid Rights Shares on the Stock Exchange; and/or (b) subscribe for their provisional allotment in respect of Shares held on the Record Date at the Subscription Price under the Rights Issue in accordance with the relevant laws and regulations. However, China Clear will not support applications by such PRC Southbound Trading Investors for excess Rights Shares under the Rights Issue through the Shanghai-Hong Kong Stock Connect or Shenzhen-Hong Kong Stock Connect. In addition, the PRC Southbound Trading Investors (or the relevant China Clear participants as the case may be) whose stock accounts are credited with nil-paid Rights Shares could only sell those nil-paid Rights Shares on the Stock Exchange under Shanghai-Hong Kong Stock Connect or Shenzhen-Hong Kong Stock Connect but could not purchase any other nil-paid Rights Shares nor transfer any nil-paid Rights Shares to other PRC Southbound Trading Investors.

The PRC Southbound Trading Investors should consult their intermediaries (including brokers, custodians, nominees or China Clear participants) and/or other professional advisers for details of the logistical arrangements as required by China Clear and provide such intermediary with instructions on the acceptance and/or sale of the nil-paid Rights Shares. Such instructions should be given in advance of the relevant dates stated under the section headed “Expected Timetable” of this Prospectus and otherwise in accordance with the requirements of the intermediary of the PRC Southbound Trading Investors and/or China Clear in order to allow sufficient time to ensure that such instructions are given effect.

According to the PRC legal adviser of the Company, as the Prospectus Documents are not intended to be filed with or approved by the CSRC other than in accordance with the CSRC Notice and, if necessary, the Trial Administrative Measures, the Rights Shares in nil-paid and fully-paid forms issued to the PRC Southbound Trading Investors may not be offered or sold directly or indirectly in the PRC to any person or entity, unless through Shanghai-Hong Kong Stock Connect or Shenzhen-Hong Kong Stock Connect, or such person or entity has otherwise been exempt by or has obtained the necessary and appropriate approvals from the relevant PRC authorities in accordance with the applicable PRC laws and regulations.

LETTER FROM THE BOARD

The Prospectus Documents may not be publicly distributed in or forwarded to the PRC or used in connection with any offer for subscription or sale of the Rights Shares (in nil-paid and fully-paid forms) in the PRC, except that the same may be despatched to China Clear or to the extent in compliance with applicable PRC laws and regulations, and the Prospectus Documents may not be made publicly available in the PRC.

Procedures for acceptance and payment and/or transfer

A PAL and a EAF will be sent to the Qualifying Shareholder(s) by post in printed form which entitles the Qualifying Shareholder(s) to whom it is addressed to subscribe for the number of the Rights Shares shown therein.

If the Qualifying Shareholders wish to accept all the Rights Shares provisionally allotted to them as specified in the PAL, they must lodge the PAL in accordance with the instructions printed thereon, together with a remittance for the full amount payable on acceptance, with the Registrar in Hong Kong, Union Registrars Limited, at Suites 3301–04, 33/F., Two Chinachem Exchange Square, 338 King’s Road, North Point, Hong Kong by no later than 4:00 p.m. on Monday, 8 April 2024 (or, under bad weather conditions, such later date as mentioned in the paragraph “Effect of bad weather and/or extreme conditions on the latest time for acceptance of and payment for the Rights Shares” in the section headed “Expected Timetable” in this Prospectus). All remittances must be made in Hong Kong dollars by cheques which must be drawn on an account with, or by banker’s cashier orders which must be issued by, a licensed bank in Hong Kong and made payable to “GREEN ECONOMY DEVELOPMENT LIMITED — RIGHTS ISSUE ACCOUNT” and crossed “Account Payee Only”.

It should be noted that unless the PAL, together with the appropriate remittance, has been lodged with the Registrar by no later than 4:00 p.m. on Monday, 8 April 2024, whether by the original allottee or any person in whose favour the rights have been validly transferred, that provisional allotment and all rights thereunder will be deemed to have been declined and will be cancelled and such Rights Shares will be available for excess application under the EAF by other Qualifying Shareholders (other than the PRC Southbound Trading Investors). The Company may, at its sole discretion, treat a PAL as valid and binding on the person(s) by whom or on whose behalf it is lodged even if the PAL is not completed in accordance with the relevant instructions. The Company may require such incomplete PAL to be completed by the relevant applicants at a later stage.

If the Qualifying Shareholders wish to accept only part of his/her/its provisional allotment or transfer part of his/her/its rights to subscribe for the Rights Shares provisionally allotted to him/her/it under the PAL or to transfer part or all of his/her/its rights to more than one person, the original PAL must be surrendered and lodged for cancellation no later than 4:00 p.m. on Tuesday, 26 March 2024, with the Registrar, who will cancel the original PAL and issue new PAL(s) in the denominations required which will be available for collection from the Registrar, at Suites 3301–04, 33/F., Two Chinachem Exchange Square, 338 King’s Road, North Point, Hong Kong, after 9:00 a.m. on the second Business Day after the date of surrender of the original PAL. It should be noted

LETTER FROM THE BOARD

that Hong Kong ad valorem stamp duty is payable in connection with the transfer of your rights to subscribe for the relevant Rights Shares to the transferee(s) and the acceptance by the transferee(s) of such rights.

The Company reserves the right to refuse to register any transfer in favour of any person in respect of which the Company believes such transfer may violate applicable legal or regulatory requirements.

The PAL contains further information regarding the procedures to be followed for acceptance and/or transfer of the whole or part of the provisional allotment of the Rights Shares by the Qualifying Shareholders. All cheques or banker's cashier orders accompanying completed PALs will be presented for payment immediately upon receipt and all interests earned on such monies (if any) will be retained for the benefit of the Company. Completion and lodgement of the PAL with a cheque or a banker's cashier order, whether by a Qualifying Shareholder or by any nominated transferees, will constitute a warranty by the applicant that the cheque or the banker's cashier order will be honoured on first presentation. Without prejudice to the other rights of the Company in respect thereof, the Company reserves the right to reject any PAL in respect of which the cheque or banker's cashier order is dishonoured on first presentation, and in that event the provisional allotment and all rights thereunder will be deemed to have been declined and will be cancelled. You must pay the exact amount payable upon application for the Rights Shares, underpaid application will be rejected. In the event of overpaid application, a refund cheque, without interest, will be made out to you if the overpaid amount is at least HK\$100.

No action has been taken by the Company to permit the offering of the Rights Shares or the distribution of the Prospectus Documents in any territory or jurisdiction outside Hong Kong. Accordingly, no person receiving the Prospectus Documents in any territory or jurisdiction outside Hong Kong may treat it as an offer or invitation to apply for Rights Shares, unless in the relevant territory or jurisdiction where such an offer or invitation could lawfully be made without compliance with any registration or other legal or regulatory requirements. Subject as referred to below, it is the responsibility of anyone outside Hong Kong wishing to make an application for the Rights Shares to satisfy himself/herself/itself, before subscribing for the provisionally allotted Rights Shares, as to the full observance of the laws and regulations of all relevant territories and jurisdictions, including the obtaining of any governmental or other consents and to pay taxes and duties required to be paid in such territory or jurisdiction in connection therewith. Any acceptance of the offer of the Rights Shares by any person will be deemed to constitute a representation and warranty from such person to the Company that these local laws and requirements have been or will be fully complied with. For the avoidance of doubt, neither HKSCC nor HKSCC Nominees Limited will give, or be subject to, any of the above representation or warranty. If you are in doubt as to your position, you should consult your own professional advisers. The Company reserves the right to refuse to accept any application for the Rights Shares where it believes that doing so would violate the applicable securities legislation or other laws and regulations of any territory or jurisdiction.

LETTER FROM THE BOARD

If any of the conditions of the Rights Issue as set forth in the paragraphs under “Conditions of the Rights Issue” above is not fulfilled by the latest time for the Rights Issue to become unconditional, the remittance received in respect of acceptances of the Rights Shares will be returned to the Qualifying Shareholders or such other persons to whom the Rights Shares in the nil-paid form have been validly transferred or, in the case of joint acceptances, to the first-named person without interest, by means of cheques despatched by ordinary post at the risk of such Qualifying Shareholders or such other persons to their registered addresses by the Registrar on Tuesday, 16 April 2024.

It should be noted that no receipt will be issued in respect of any PAL and/or remittances received.

Application for excess Rights Shares

Qualifying Shareholders (other than the PRC Southbound Trading Investors) are entitled to apply for, by way of excess application:

- (i) any unsold Rights Shares created by aggregating fractions of the Rights Shares; and
- (ii) any nil-paid Rights Shares provisionally allotted but not accepted by the Qualifying Shareholders or otherwise not subscribed for by renounees or transferees of nil-paid Rights Shares.

(i) and (ii) are collectively referred to as “Untaken Rights”.

Applications for the excess Rights Shares may be made by completing the EAF and lodging the same with a separate remittance for the excess Rights Shares being applied for with the Registrar on or before 4:00 p.m. on Monday, 8 April 2024. The Directors will, subject to the compliance with the Listing Rules (including but not limited to the public float requirement under Rule 8.08(1)(a) of the Listing Rules), allocate any excess Rights Shares at their discretion on a fair and equitable basis on the following principles:

- (i) any excess Rights Shares will be allocated to the Qualifying Shareholders (other than the PRC Southbound Trading Investors) applying such excess Rights Shares on a pro-rata basis by reference to the number of the excess Rights Shares applied for under each application;
- (ii) no reference will be made to the Rights Shares subscribed through applications by PAL(s) or the existing number of Shares held by Qualifying Shareholders;
- (iii) no preference will be given to applications for topping up odd-lot holdings to whole-lot holdings; and
- (iv) pursuant to Rule 7.21(3)(b) of the Listing Rules, the Company will also take steps to identify the applications for the excess Rights Shares made by any Controlling Shareholder or its associates (together, the “**Relevant Shareholders**”), whether in their

LETTER FROM THE BOARD

own names or through nominees. The Company shall disregard the Relevant Shareholders' applications for the excess Rights Shares to the extent that the total number of the excess Rights Shares they have applied for exceeds a maximum number equivalent to the total number of Rights Shares offered under the Rights Issue minus the number of Rights Shares taken up by the Relevant Shareholders under their provisional allotment to the Rights Shares.

If the aggregate number of Rights Shares not taken up by the Qualifying Shareholders and/or transferees of nil-paid Rights Shares under PAL(s) is greater than the aggregate number of the excess Rights Shares being applied for under EAF(s), the Directors will allocate to each Qualifying Shareholder who is not a PRC Southbound Trading Investor applying for the excess Rights Shares the actual number of the excess Rights Shares being applied for.

Shareholders whose Shares are held by a nominee company (or which are deposited in CCASS) should note that for the purpose of the Rights Issue, the Board will regard a nominee company (including HKSCC Nominees Limited) as a single Shareholder according to the register of members of the Company. Accordingly, the Shareholders should note that the aforesaid arrangement in relation to the allocation of the excess Rights Shares will not be extended to beneficial owners individually.

In the event that the Board notes unusual patterns of excess applications and has reason to believe that any excess applications may have been made with the intention to abuse the mechanism, such application(s) for the excess Rights Shares may be rejected at the sole discretion of the Board.

Qualifying Shareholders (other than the PRC Southbound Trading Investors) who wish to apply for the excess Rights Shares in addition to their provisional allotment must complete and sign an EAF (in accordance with the instructions printed thereon) and lodge it, together with a separate remittance for the amount payable on application in respect of the excess Rights Shares applied for, with the Registrar in Hong Kong, Union Registrars Limited, at Suites 3301-04, 33/F., Two Chinachem Exchange Square, 338 King's Road, North Point, Hong Kong by no later than 4:00 p.m. on Monday, 8 April 2024. All remittances must be made in Hong Kong dollars by cheques which must be drawn on a bank account with, or by banker's cashier orders which must be issued by, a licensed bank in Hong Kong and made payable to "GREEN ECONOMY DEVELOPMENT LIMITED — EXCESS APPLICATION ACCOUNT" and crossed "Account Payee Only".

An announcement of results of acceptance of and excess applications for the Rights Issue will be published on the websites of the Stock Exchange and the Company on Monday, 15 April 2024. If no excess Rights Shares are allotted to a Qualifying Shareholder who has applied for the excess Rights Shares, the remittance tendered on application is expected to be returned to the Qualifying Shareholder in full without interest by means of cheques despatched by ordinary post at the risk of such Qualifying Shareholders to their registered addresses by the Registrar on Tuesday, 16 April 2024. If the number of the excess Rights Shares allotted to a Qualifying Shareholder is fewer than

LETTER FROM THE BOARD

that applied for, the surplus application monies without interest are also expected to be returned by refund cheque to that Qualifying Shareholder by ordinary post at the risk of such Qualifying Shareholders to their registered addresses by the Registrar on Tuesday, 16 April 2024.

Fractional entitlements of the Rights Shares

In any event, fractions of the Rights Shares will not be provisionally allotted to any of the Qualifying Shareholders. Fractional entitlements will be rounded down to the nearest whole number of Rights Shares. All nil-paid Rights Shares created from the aggregation of fractions of the Rights Shares will be provisionally allotted (in nil-paid form) and sold in the market for the benefit of the Company if a premium (net of expenses) can be obtained, and the Company will retain the proceeds from such sale. Any unsold fractions of Rights Shares will be made available for excess application by the Qualifying Shareholders (other than the PRC Southbound Trading Investors) as described in the paragraph headed “Application for excess Rights Shares” above.

Arrangement on odd lot trading

Upon completion of the Rights Issue, the board lots of the Company will remain as 10,000 Shares. In order to facilitate the trading of odd lots of Shares which will arise upon completion of the Rights Issue, the Company has appointed Lego Securities Limited to stand in the market and provide matching services on a best effort basis for the holders of odd lots of Shares during the period from 9:00 a.m. on Wednesday, 17 April 2024 to 4:00 p.m. on Wednesday, 8 May 2024 (both days inclusive).

Shareholders who wish to take advantage of this facility either to dispose of their odd lots of the Shares or to top up their odd lots to a full board lot may directly or through their brokers contact Mr. Kelvin Li of Lego Securities Limited at Room 1506, 15/F, Wheelock House, 20 Pedder Street, Central, Hong Kong (telephone: (852) 2128 9433) during office hours (i.e., from 9:00 a.m. to 6:00 p.m.) within such period.

Holders of Shares in odd lots should note that the matching services mentioned above are on a best effort basis only and successful matching of the sale and purchase of odd lots of Shares is not guaranteed and will depend on there being adequate number of odd lots of Shares available for matching. Shareholders are advised to consult their professional advisers if they are in doubt about the above arrangements.

Status of the Rights Shares

The Rights Shares, when allotted and issued, shall rank *pari passu* in all respects with the Shares then in issue. Holders of fully-paid Rights Shares will be entitled to receive all future dividends and distributions which are declared, made or paid by the Company after the date of allotment and issue of the Rights Shares in their fully-paid form.

LETTER FROM THE BOARD

Share certificates and refund cheques for the Rights Issue

Subject to the fulfillment of the conditions of the Rights Issue, share certificates for all fully-paid Rights Shares are expected to be posted to those entitled thereto by ordinary post to their registered addresses, at their own risk, on Tuesday, 16 April 2024.

Refund cheques in respect of wholly or partially unsuccessful applications for excess Rights Shares (if any) are expected to be posted on Tuesday, 16 April 2024 by ordinary post to the applicants' registered addresses, at their own risk.

Application for listing of the Rights Shares

The Company has applied to the Listing Committee of the Stock Exchange for the listing of, and the permission to deal in, the Rights Shares, in both their nil-paid and fully-paid forms.

The board lot size of the nil-paid Rights Shares will be the same as that of the fully-paid Rights Shares, i.e. 10,000 Shares in one board lot.

Rights Shares will be eligible for admission into CCASS

Subject to the granting of the listing of, and permission to deal in, the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange, as well as compliance with the stock admission requirements of HKSCC, the Rights Shares in both their nil-paid and fully-paid forms will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement dates of the dealings in the Rights Shares in both their nil-paid and fully-paid forms or such other dates as may be determined by HKSCC.

Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. Shareholders should seek advice from their licensed securities dealer(s) or professional adviser(s) for details of those settlement arrangements and how such arrangements will affect their rights and interests.

Stamp duty and other applicable fees

Dealing in the Rights Shares in both their nil-paid and fully-paid forms which are registered in the register of members of the Company in Hong Kong will be subject to the payment of stamp duty, Stock Exchange trading fee, SFC transaction levy, AFRC transaction levy or any other applicable fees and charges in Hong Kong.

Taxation

Shareholders are advised to consult their professional advisers if they are in doubt as to the taxation implications of the receipt, purchase, holding, exercising, disposing of or dealing in, the nil-paid Rights Shares or the fully-paid Rights Shares.

LETTER FROM THE BOARD

Non-underwritten basis

Subject to the fulfillment of the conditions of the Rights Issue, the Rights Issue will proceed on a non-underwritten basis irrespective of the level of acceptance of the provisionally allotted Rights Shares and the level of subscription of the excess Rights Shares. There is no minimum subscription level and no minimum amount is required to be raised under the Rights Issue. There is also no statutory requirement regarding minimum subscription level in respect of the Rights Issue.

As the Rights Issue will proceed on a non-underwritten basis, the Shareholder who applies to take up all or part of his/her/its entitlement under the PAL(s) may unwittingly incur an obligation to make a general offer for the Shares under the Takeovers Code. Accordingly, the Rights Issue will be made on terms that the Company will provide for the Shareholders to apply on the basis that if the Rights Shares are not fully taken up, the application of any Shareholder (except for HKSCC Nominees Limited) for his/her/its assured entitlement under the PAL or for excess Rights Shares under the EAF (where applicable) can be scaled down to a level which does not trigger an obligation on part of the relevant Shareholder to make a general offer under the Takeovers Code in accordance with the note to Rule 7.19(5)(b) of the Listing Rules.

Mr. Zhu Feng, an executive Director and a substantial Shareholder, has expressed to the Board his intention to subscribe for, and procure Ensure Prestige Limited to subscribe for, in full the Rights Shares to be provisionally allotted to him and Ensure Prestige Limited, and Mega Start Limited, a Shareholder which is indirectly wholly-owned by Mr. Chan Chit, an executive Director, has expressed to the Board its intention to subscribe for in full the Rights Shares to be provisionally allotted to it. Further, Mr. Zhu Feng has also indicated his intention in applying for excess Rights Shares himself and/or through Ensure Prestige Limited. As at the Latest Practicable Date, save for the above and the Optionholder's Undertakings, the Board has not received any information or other undertakings from any Shareholders of their intention to take up or not to take up the securities of the Company to be offered to them under the Rights Issue.

USE OF PROCEEDS AND REASONS FOR AND BENEFITS OF THE RIGHTS ISSUE

The Group is principally engaged in the provision of building construction services, property maintenance services, alterations, renovation, upgrading and fitting-out works services, trading of materials, and transportation services.

Assuming all Rights Shares to be issued under the Rights Issue have been taken up in full, the gross proceeds from the Rights Issue will be approximately HK\$36.2 million. The net proceeds from the Rights Issue (after deduction of estimated professional fees and other related expenses of approximately HK\$1.7 million) are estimated to be approximately HK\$34.5 million, which are intended to be applied in following manner on or before 31 March 2025:

- (i) as to approximately 35% or HK\$12.1 million for investment in other business opportunities to be identified by the Group from time to time; and

LETTER FROM THE BOARD

- (ii) as to approximately 65% or HK\$22.4 million for general administrative expenses and other general working capital purposes, such as overhead expenses including salary, rental and other expenses of the Company.

As at the Latest Practicable Date, the Company has not identified any particular potential business opportunities and currently does not have any negotiation, agreement, arrangement and understanding (concluded or otherwise) in relation thereof.

In the event that the Rights Issue is not subscribed in full, the net proceeds will be allocated on a pro-rata based on the proposed uses abovementioned. The net proceeds from the Rights Issue are expected to be used to support the on-going business development of the Group and also for the Group's general working capital purpose to enhance the Group's capital base and financial position. Such intended use of proceeds is not expected to change regardless of the subscription level of the Rights Issue.

The Board has considered other fundraising alternatives before resolving to the proposed Rights Issue, including but not limited to debt financing, placing and open offer. As debt financing would result in additional interest burden, particularly given the recent global interest rate hikes, and result in a higher gearing ratio of the Group and subject the Group to repayment obligations, the Board does not consider any debt financing by the Company to be optimal for the Group. In addition, debt financing may not be achievable on favourable terms in a timely manner. As for placing of new Shares, taking into account that (i) a placing is relatively smaller in scale as compared to fund raising through rights issue; and (ii) it would lead to immediate dilution in the shareholding interest of existing Shareholders without offering them the opportunity to participate in the enlarged capital base of the Company, which is not the intention of the Company, it was not considered by the Board to be the most suitable fundraising method for the Company. As for open offer, while it is similar to a rights issue, offering Qualifying Shareholders to participate, it does not allow free trading of rights entitlements in the open market unlike a rights issue, which would allow Shareholders to have more flexibility in dealing with the Shares and the nil-paid rights attaching thereto.

On the other hand, the Directors consider raising funds by way of the Rights Issue is more appropriate as the Rights Issue will enable the Company to strengthen its working capital base and enhance its financial position, while at the same time, allowing the Qualifying Shareholders to maintain their proportional shareholdings in the Company. The Rights Issue, being pre-emptive in nature, would allow all Qualifying Shareholders to participate in the future development of the Company and at the same time offer more flexibility to the Qualifying Shareholders to choose whether to maintain, increase or decrease their respective pro rata shareholdings in the Company by taking up only their respective rights entitlement, acquiring additional rights entitlement or disposing of their rights entitlements in the open market (subject to availability).

LETTER FROM THE BOARD

The Board considers that the terms of the Rights Issue are fair and reasonable and in the best interest of the Shareholders as a whole as it allows the Qualifying Shareholders to maintain their respective pro rata shareholding interests in the Company and to continue to participate in the future development of the Company and it will improve the capital base and gearing ratio of the Company.

In addition, prior to proceeding with the Rights Issue, the Company had explored the viability of an underwritten rights issue. The Company had consulted multiple securities firms and the substantial Shareholders to arrange underwriting services in respect of the Rights Issue. Unfortunately, the Company had received negative feedback due to the prevailing market conditions. Further, the Board considered that the current state of the Hong Kong capital market is expected to command a high underwriting fee for the Rights Issue. Despite the Rights Issue is not underwritten, the Board took into account the fact that two Shareholders, namely Mr. Zhu Feng and Mega Start Limited, which held approximately 23.86% of the issued share capital of the Company in aggregate as at the Latest Practicable Date, have expressed their intentions to subscribe for in full the Rights Shares to be provisionally allotted to them. Mr. Zhu Feng has also expressed his intention to apply for excess Rights Shares.

Having considered (i) the prospects of other fundraising alternatives; (ii) the expected costs and unfavourable feedback received in connection with underwriting services; (iii) the proposed terms of the Rights Issue (including the Subscription Price); and (iv) the intentions of Mr. Zhu Feng and Mega Start Limited in respect of the Rights Issue, the Board took the view that raising capital through the Rights Issue on a non-underwritten basis is fair and reasonable and in the interests of the Company and the Shareholders as a whole.

However, those Qualifying Shareholders who do not take up the Rights Shares to which they are entitled should note that their shareholdings will be diluted.

As at 31 January 2024, performance bonds amounting to approximately HK\$12,979,000 were given by banks or insurance companies in favour of some of the Group's customers as security for the due performance and observances of the Group's obligations under the construction contracts entered into between the Group and these customers.

In addition, certain subsidiaries of the Company are defendants in certain claims, lawsuits, arbitrations and potential claims relating to subcontracting fees, damages of personal injuries and breach of construction contracts. The Directors considered that the possibility of any outflow in settling the legal claims is remote, after due consideration of each case and with reference to legal advice.

Save as disclosed above, the Group did not have any other material contingent liabilities.

Operating lease commitment

As at 31 January 2024, the outstanding lease commitments relating to the office of the Group amounted to approximately HK\$95,000.

As at 31 January 2024, the Group did not have any material capital commitment.

Disclaimers

Save as aforesaid or otherwise disclosed herein, and apart from intra-group liabilities, normal trade and other payables and contract liabilities, as at 31 January 2024, the Group did not have any material debt securities issued and outstanding, or authorised or otherwise created but unissued, or term loans, other borrowings or indebtedness in the nature of borrowings, including bank overdrafts and liabilities under acceptance (other than normal trade bills), acceptance credits, hire purchase commitments, mortgages, charges or other material contingent liabilities or guarantees.

3. WORKING CAPITAL STATEMENT

As at 31 January 2024, there were loans advanced by Mr. Wong Law Fai (“**Mr. Wong**”), the managing director of Wan Chung Construction Company Limited (“**Wan Chung**”), a wholly-owned subsidiary of the Company, to the Company’s wholly-owned subsidiaries, Magic Choice Holdings Limited (“**Magic Choice**”) and Wan Chung. As at 31 January 2024, the amounts of outstanding principals owed by Magic Choice and Wan Chung to Mr. Wong amounted to HK\$102,124,000 and HK\$105,000,000, respectively. The loans were unsecured and bear interest at 13% per annum. The maturity dates of the loans to Magic Choice and Wan Chung are 31 October 2024 and 30 September 2025, respectively.

The Directors would like to draw attention to the fact that the sufficiency of working capital of the Group in the next twelve months from the date of this Prospectus would depend upon the following:

- (i) whether the Group can renew or extend the loans from Mr. Wong for at least 12 months from the loan maturity dates;
- (ii) whether the Group can drawdown loans from available banking facilities provided by the banks as and when needed and whether the Group can continuously fulfil the loan covenants; and
- (iii) whether the Rights Issue can be successfully proceeded.

If the Group cannot reach renewal or extension agreements regarding the loans due to Mr. Wong, the Group will have insufficient working capital for its present requirements. As at the Latest Practicable Date, the Group has not received any notification from Mr. Wong for the loan renewal or extensions.

To ensure a sufficient level of working capital, the Company will seek to renew or extend the loan maturity dates of the loans due to Mr. Wong, to renew the Group’s banking facility in the amount of approximately HK\$69.5 million and to proceed the Rights Issue successfully. On this basis, the Directors have estimated the Group’s cash requirements by preparing a Group cashflow forecast for the next twelve months from the date of this Prospectus on the assumptions that (i) the Group would be able to renew or extend the loans from Mr. Wong for at least 12 months from the

loan maturity dates; (ii) the Group would drawdown loans from available banking facilities provided by the banks as and when needed and the Group would continuously fulfil the loan covenants; and (iii) the Rights Issue would be successfully proceeded, and are of the opinion that the Group has sufficient working capital for its present requirement, that is for at least the next twelve months from the date of the Prospectus in the absence of any unforeseen circumstances.

4. MATERIAL ADVERSE CHANGES

As at the Latest Practicable Date, the Directors were not aware of any material adverse change in the financial or trading position of the Group since 31 March 2023, being the date to which the latest published audited consolidated financial statements of the Company were made up.

5. BUSINESS REVIEW AND PROSPECTS

The Group is principally engaged in the (i) provision of building construction services, property maintenance services; (ii) alterations, renovation, upgrading and fitting-out works services (collectively “A&A works”); (iii) trading of materials; and (iv) transportation services.

Building construction, property maintenance and A&A works

During the six months ended 30 September 2023, the Group’s revenue generated from building construction services and property maintenance services increased by approximately HK\$26.9 million compared to the same period in 2022, primarily due to a large scale property maintenance contract which was in full swing operation for the period. During the six months ended 30 September 2023, the Group’s revenue from A&A works decreased by approximately HK\$91.1 million compared to the same period in 2022, primarily due to the recognition of more revenue from several large scale A&A works projects which were in full swing operation in the same period in 2022.

Despite the slight improvement of inbound tourism and local consumption, the pace of recovery of Hong Kong economy has become somewhat slower than expected. While the Government has showed a clear commitment to long term investment in the construction industry, the highest interest rate would still be the major challenge to the private construction sector. The Group therefore are less optimistic and would expect a marginal growth in the construction market only. The Group are exploring more business opportunities in the public work sector, the shortage of labour supply and aging workers are still the major risks for the Group going forward. The Group would review and select suitable technologies and implement them in the project management. These would further streamline our project administration and would make the site management more efficient and effective.

The Group would continue to look about other construction business opportunities in order to lower the Group’s business risk.

Trading of material business

During the six months ended 30 September 2023, the Group's sales of materials such as iron ores, cast iron and coal increased by approximately HK\$356.3 million.

I. *Rationality of the existence of trade agent market*

Given that domestic iron and steel enterprises purchase iron ore from foreign iron ore enterprises through a dual system, some qualified large steel enterprises adopt the benchmark price, while small unqualified steel enterprises adopt the spot price that is higher than the benchmark price. The international trade of iron ore is characterised by strong professionalism, frequent market fluctuations and unstable supply, which is extremely risky for buyers. Therefore, most small iron and steel enterprises entrust trader agents to import iron ore, and some large iron and steel enterprises with direct purchase agreements also entrust reputable trader agents to import iron ore, so as to ensure the stability of iron ore supply. This is the value of the existence of the iron ore trade agent market.

II. *Industry status and trend*

Policy factor: According to the Outline of 14th Five-Year Plan for the Development of Iron Ore Industry of China, it is clearly required that the growth of iron ore industry shall increase 70% by 2021, which have made each local government correspondingly introduce local policies to improve the industry penetration.

Economic factor: Currently, the market size of iron ore has reached RMB500 billion, with a steady upward trend of the overall market. With the effective control of the epidemic, the demand for the iron and steel industry has increased, which was driven by gradual implementation of major national infrastructure projects and the recovery of the demand of downstream markets like automobile. It has increased the profit of the steel and improved the enthusiasm of the iron and steel enterprises to increase production, thereby generating strong demand for iron ores. The trade of iron ore and even the steel industry will continuously have a strong development under the effect of China's macro policies.

III. *Development plan of the Company's business (partly selected from the business plan)*

The Group's corporate development goal: The Group will establish a port of ore blending integration platform based on modern supply chain management. Through scientific blending of ore, the final blended ore products can meet the production demand of various steel enterprises, so as to provide stable raw material supply guarantee for iron and steel enterprises. The Group will strive to develop into a core supply chain enterprise of large domestic iron and steel enterprises. Through the advantages of call auction, the Group will save logistics costs in multiple logistics links such as import order, shipping, port yard, scientific ore blending and inland transshipment. In the future, the Group will become a professional iron ore product and service integrator and service and product agent in iron ore industry. It will develop a supply chain management software system with independent

intellectual property rights, by using modern network information technology and listed company platform, so as to realise the integration of supply chain in the industry, optimise the cost, and achieve the smooth coordination of logistics, capital flow and information flow, as well as obtaining greater revenue from management services for the Group.

In the long run, the trading business will continue to generate income and contribute profit to the Group. Looking forward, the Group would continue to explore and strive to diversify and develop its trading businesses in 2024.

Transportation service business

During the six months ended 30 September 2023, the Group's revenue generated from transportation of materials of approximately HK\$14.1 million. The Group commenced transportation service business during the year ended 31 March 2023 and expects the continuing development of the business would generate constable revenue and profit to the Group.
