The Rank Group Plc

Proposed issue of Ordinary Shares to raise approximately £70 million

The Rank Group Plc ("**Rank**", the "**Company**" or the "**Group**"), today announces its intention to conduct a placing of new ordinary shares of 13^{8/9} pence each in the capital of the Company ("**Ordinary Shares**") (the "**Placing Shares**") (the "**Placing**"). All of the directors of the Company and certain members of the executive management team intend to participate in the Placing, acquiring approximately 470,000 Ordinary Shares in aggregate.

In addition to the Placing, there will be an offer made by the Company on the PrimaryBid platform of new Ordinary Shares (the "**Retail Shares**") at the Placing Price (as defined below) (the "**Retail Offer**"), to provide retail investors with an opportunity to participate in the equity fundraise. A separate announcement will be made regarding the Retail Offer and its terms.

It is intended that the Placing and Retail Offer (together, the "**Fundraise**") will result in the Company raising total gross proceeds of approximately £70 million. The total number of Placing Shares and Retail Shares are expected to represent approximately 19.9% of the Company's existing issued share capital.

The Placing is being conducted through an accelerated bookbuild process (the "**Bookbuild**") which will be launched immediately following this announcement. The Placing is subject to the terms and conditions set out in the appendix (the "**Appendix**") to this announcement (which forms part of this announcement, such announcement and the Appendix together being this "**Announcement**"). The price at which the Placing Shares are to be placed (the "**Placing Price**") will be determined following the close of the Bookbuild.

The Retail Shares will be subscribed for on the basis of the terms and conditions of the Retail Offer, rather than pursuant to the terms and conditions of the Placing contained in the Appendix to this Announcement.

Peel Hunt LLP ("**Peel Hunt**") and Goodbody Stockbrokers UC ("**Goodbody**") are acting as joint sponsors and joint bookrunners (together, the "**Banks**").

Highlights of the Placing

- Seeking to raise gross proceeds of approximately £70 million
- The proceeds of the Fundraise will strengthen the Company's balance sheet, in order to maintain appropriate liquidity covenant headroom on its debt facilities under various trading scenarios, provide ample working capital to operate through

this challenging trading environment, and enable the Company to continue to deliver on its transformation 2.0 programme

- Conditional upon successful completion of the Fundraise and compliance with other conditions of a customary nature, the Company's lending banks have agreed to extend the £50 million minimum liquidity test until March 2022
- The Fundraise is conditional, inter alia, upon the passing of the Resolutions at the General Meeting (as each term is defined below). If the Resolutions are passed and the other conditions to the Placing are satisfied, it is expected that dealings in the Placing Shares will commence at 8.00 a.m. (London time) on 24 November 2020

Reasons for the Placing and Use of Proceeds

Rank entered the COVID-19 lockdown period with significant momentum to revenues and profits driven by its transformation strategy, a tightly controlled cost base and a strong balance sheet. For the eight-month (pre-COVID-19) period to 29 February 2020, like-for-like underlying operating profit was up 61% compared to the same period in the prior year. However, the lockdown had a material impact on the Company, given venues comprise a significant proportion of profits.

Throughout the COVID-19 pandemic, the Company has taken decisive action to preserve cash and protect its balance sheet. Despite the challenging trading environment, following the phased reopening of venues starting in July and August, the Company had begun to see encouraging performance.

However, given the combination of venues being closed from late March 2020 until July/August 2020 and the assumptions made by management in its base case forecast, the Company anticipated the possibility of breaching its 31 December 2020 bank covenant test and, as announced on 10 September 2020, took action to address this possibility by securing a temporary waiver of its existing bank covenants in favour of a minimum liquidity test of £50 million (cash and available facilities) to be tested in September and December 2020 and March 2021.

On 22 September 2020, Her Majesty's Government (the "**Government**") announced that certain leisure businesses (including casinos and bingo halls) must be closed between 10 p.m. and 5 a.m. from 24 September 2020 (the "**Curfew**"), as part of the effort to address rising cases of COVID-19 in England. Given the importance of late-night trade to its business, particularly to Grosvenor, this restriction has negatively impacted Rank's trading since that date. On 31 October 2020, the Government announced a national lockdown in England from 5 November 2020 to 2 December 2020 (the "**Lockdown**") which will result in all of the Group's venues in England closing for that period.

The Curfew, the Lockdown and other further measures from the Government, alongside a broader reduction in consumer confidence caused by the pandemic, is expected to continue to negatively impact the Company's liquidity position in the coming months, and the Group is not expecting to achieve monthly positive cash generation from its venues whilst the Lockdown remains in place.

The Company is, therefore, looking to further strengthen its balance sheet through the Fundraise, in order to maintain appropriate liquidity covenant headroom on its debt facilities under various trading scenarios, provide ample working capital to operate through this challenging environment, and enable the Company to continue to deliver on its transformation 2.0 programme. Conditional upon successful completion of the Fundraise, the Company's lending banks have agreed to extend the £50 million minimum liquidity test until March 2022.

Trading update for the quarter to 30 September 2020

Rank today announces Group like-for-like ("**LFL**") net gaming revenue ("**NGR**") was down 52% for the quarter ended 30 September 2020 ("**Q1**"), with total NGR down 47%.

LFL NGR	Q1 2020/21
Grosvenor venues	(74)%
Mecca venues	(45)%
International venues	(26)%
Digital	(3)%
Group	(52)%

Venues

Grosvenor venues LFL NGR declined by 74% in the quarter with trading days down by 55% as a result of lockdown and regional closures. Grosvenor's venues started reopening from 15 August and, once open, performed ahead of expectations. On 24 September 2020, the Curfew in England was introduced resulting in Grosvenor's casinos needing to close between the hours of 10

p.m. and 5 a.m. As expected, the Curfew has had a material impact on Grosvenor's business which has historically generated half of its NGR after 10 p.m.

Mecca venues LFL NGR declined by 45% in the quarter with trading days down by 25%. Mecca's venues started reopening from 4 July in England with the majority open by the end of August. Despite ongoing social distancing measures and capacity constraints, reopening revenues were ahead of the Group's expectations and continued to improve as visit numbers gradually increased through the period. The Curfew has had only a small impact on Mecca's revenues.

International venues NGR was down 26% in the quarter, with Enracha NGR down 34% following its reopening in June but subject to capacity and opening hour constraints.

The Group's ongoing challenge is to keep its venues open and trading once the current Lockdown has ended. The imposed COVID-19 restrictions have clearly impacted venues' performance, but the Group's customers are demonstrating that they want to spend their leisure time in the safe environments the Group is able to provide.

Digital

Digital LFL NGR, excluding the contribution from Stride, was down 3% in the quarter. The decline in Digital's performance was principally driven by Grosvenor's underperformance, down 19%, with declines in both active customers, down 4% and average revenue per user ("ARPU"), down by 15%. With Grosvenor's casino estate closed in England until 15 August, later in Scotland and Wales, and subjected to regional restrictions, the NGR contribution from Grosvenor's more valuable omni-channel customers declined by 24% in the quarter. The tightening of affordability deposit limits through the pandemic has also contributed to the decline in ARPU.

Mecca digital's NGR was down 2% in the quarter, with a 33% growth in active customer numbers offset by a 26% decline in ARPU.

Stride's NGR in the quarter was down 34% compared to its pre-acquisition performance in the same period last year. This reflects the impact harmonisation of safer gambling standards with those of Rank brands, which was completed in H2 2019/20. Yo Bingo NGR grew by 47% with strong performance in bingo and casino.

Liquidity

Total cash and available facilities at the end of August 2020 was £125 million. During September, before the introduction of the Curfew on 24 September, the Group was operating at around cash break even, however total cash and available facilities decreased to £90 million following the expiration of an undrawn £30 million revolving credit facility.

£m	Average weekly revenue - 4 weeks to 20 Sept 2020	Average weekly revenue - 4 weeks to 24 Oct 2020	Weekly revenue required to be cash breakeven
Grosvenor	4.3	2.8	4.4
Mecca	2.4	2.2	2.4
Enracha	0.4	0.4	0.5

Since the end of the quarter the Group has announced the sale, subject to regulatory approval, of its sole venue in Belgium, the Blankenberge Casino, to Kindred Group Plc for £25 million. Today, the launch of a 19.9% equity placement will further improve the Group's liquidity position and secure bank covenant waivers through to March 2022 based upon an ongoing liquidity headroom test of £50 million.

Notes to editors:

1. Net gaming revenue is GGR less customer incentives
2. Like-for-like excludes the impacts of new venue openings, closures, relocations, acquired businesses and foreign exchange movements
3. All comparisons are with the same period in 2019/20
4. Q1 is for the period 1 July to 30 September

Details of the Placing

Peel Hunt and Goodbody will commence the Bookbuild immediately following the release of this Announcement.

The Placing is subject to the terms and conditions set out in the Appendix to this Announcement. Members of the public are not entitled to participate in the Placing.

The number of Placing Shares and the Placing Price will be agreed by Peel Hunt, Goodbody and the Company following the close of the Bookbuild. The timing of the close of the Bookbuild, pricing and allocations are at the discretion of the Banks and the Company. The person responsible for releasing this Announcement is Luisa Wright.

Bookbuild

The Banks will today commence the bookbuilding process in respect of the Placing (the "Bookbuild") to determine demand for participation in the Placing by Placees. The book will open with immediate effect. This Appendix gives details of the terms and conditions of, and the mechanics of participation in, the Placing. No commissions will be paid to Placees or by Placees in respect of any Placing Shares. Members of the public are not entitled to participate.

The Banks and the Company shall be entitled to effect the Placing by such alternative method to the Bookbuild as they may, in their absolute discretion, determine.

Details of the Placing Agreement and of the Placing

Peel Hunt and Goodbody are acting as joint sponsors and joint bookrunners in connection with the Placing. The Company has today entered into an agreement (the "Placing Agreement") with the Banks under which, subject to the terms and conditions set out therein, each Bank has agreed, severally and not jointly or jointly and severally, as agent for and on behalf of the Company, to use its reasonable endeavours to procure Placees for new ordinary shares of 13 8/9 pence each in the capital of the Company (the "Placing Shares"), at such price and in such number, if any, to be determined following completion of the Bookbuild and as may be agreed between the Company and the Banks and set out in the executed term sheet (the "Term Sheet"). The Placing is not underwritten.

In the event that the Banks acquire Placing Shares in the Placing, they may co-ordinate disposals of such shares in accordance with applicable law and regulation. Except as required by applicable law or regulation, the Banks do not propose to make any public disclosure in relation to such transactions.

The Placing Shares will, when issued, be credited as fully paid and will rank pari passu in all respects with the existing ordinary shares of 13 8/9 pence each in the capital of the Company (the "**Ordinary Shares**"), including the right to receive all dividends and other distributions declared, made or paid in respect of such Ordinary Shares after the date of issue of the Placing Shares, and will be issued free of all claims, liens, charges, encumbrances and equities.

Applications for listing and admission to trading

Applications will be made to the Financial Conduct Authority (the "**FCA**") for admission of the Placing Shares to listing on the premium listing segment of the Official List of the FCA (the "**Official List**") and to London Stock Exchange plc (the "**London Stock Exchange**") for admission of the Placing Shares to trading on its main market for listed securities (together, "**Admission**").

It is expected that Admission will become effective at or around 8.00 a.m. on 24 November 2020 (or such later time and/or date as may be agreed between the Company and the Banks, being not later than 30 November 2020) and that dealings in the Placing Shares will commence at that time.

Participation in, and principal terms of, the Placing

1. Each of Peel Hunt and Goodbody is acting severally, and not jointly, or jointly and severally, as a joint sponsor and joint bookrunner and agent of the Company in connection with the Placing.
2. Participation in the Placing will only be available to persons who may lawfully be, and are, invited to participate by either of the Banks. Each of the Banks and their respective agents and affiliates are each entitled to enter bids in the Bookbuild as principal.
3. The Bookbuild will establish a single price per Placing Share payable to the Banks by all prospective Placees whose bids are successful (the "**Placing Price**"). The number of Placing Shares and the Placing Price will be determined by the Company (in consultation with the Banks) following completion of the Bookbuild. Any discount to the market price of the existing Ordinary Shares will be determined in accordance with the FCA's Listing Rules published pursuant to Part IV of FSMA and applicable guidelines. The Placing Price and the number of Placing Shares to be issued will be announced on a FCA-listed regulatory information service (a "**Regulatory Information Service**") following the completion of the Bookbuild.
4. To bid in the Bookbuild, prospective Placees should communicate their bid by telephone or in writing to their usual sales contact at either of the Banks. Each bid should state the number of Placing Shares which the prospective Placee wishes to subscribe for at either the Placing Price which is ultimately established by the Company (in consultation with the Banks) or at prices up to a price limit specified in its bid. Bids may be scaled down by the Banks on the basis referred to in paragraph 11 below.
5. A bid in the Bookbuild will be made on the terms and subject to the conditions in this Appendix and will be legally binding on the prospective Placee on behalf of which it is made and, except with the relevant Banks' consent, will not be capable of variation or revocation by prospective Placees after the time at which it is submitted. Each prospective Placee's obligations will be owed to the Company and the Banks. Each prospective Placee will also have an immediate, separate, irrevocable and binding obligation, owed to each of the Banks as agent of the Company, to pay in cleared funds immediately on the settlement date, in accordance with the registration and settlement requirements set out below, an amount equal to the product of the Placing Price and the number of Placing Shares such prospective Placee has agreed to subscribe for and the Company has agreed to allot to them.
6. The Bookbuild is expected to close no later than 8.00 a.m. (London time) on 6 November 2020, but may be closed earlier or later at the absolute discretion of the Banks. The Banks may, in agreement with the Company, accept bids that are received after the Bookbuild has closed.
7. Each prospective Placee's allocation will be agreed between the Banks and the Company and will be confirmed orally or in writing by either of the Banks (each as agent of the Company) following the close of the Bookbuild. This confirmation to such prospective Placee will constitute an irrevocable legally binding commitment upon that person (who will at that point become a Placee) in favour of the Banks and the Company to subscribe for the number of Placing Shares allocated to it at the Placing Price on the terms and conditions set out in this Appendix and in accordance with the Company's articles of association and each Placee will be deemed to have read and understood this Announcement (including this Appendix) in its entirety.
8. All obligations under the Bookbuild and Placing will be subject to fulfilment or, where applicable, waiver of the conditions referred to below under "Conditions of the Placing" and to the Placing not being terminated on the basis referred to below under "Right to terminate under the Placing Agreement".
9. By participating in the Bookbuild, each Placee agrees that its rights and obligations in respect of the Placing will terminate only in the circumstances described below and will not be capable of rescission or termination by the Placee after confirmation (oral or otherwise) by a Bank.
10. Each prospective Placee's allocation and commitment will be evidenced by a contract note or trade confirmation issued to such Placee by either of the Banks. The terms of this Appendix will be deemed incorporated by reference therein.
11. Subject to paragraphs 4 and 5 above, in effecting the Placing, the Banks may choose to accept bids, either in whole or in part, on the basis of allocations determined in agreement with the Company and may scale down any bids for this purpose on such basis as they may determine. The Banks may also, notwithstanding paragraphs 4 and 5 above, subject to the prior consent of the Company (i) allocate Placing Shares after the time of any initial allocation to any person submitting a bid after that time; and (ii) allocate Placing Shares after the Bookbuild has closed to any person submitting a bid after that time. The acceptance of offers shall be at the absolute discretion of the Banks. The Company reserves the right (upon agreement with the Banks) to reduce or seek to increase the amount to be raised pursuant to the Placing.
12. Except as required by law or regulation, no press release or other announcement will be made by the Banks or the Company using the name of any Placee (or its agent), in its capacity as Placee (or agent), other than with such Placee's prior written consent.
13. Irrespective of the time at which a Placee's allocation pursuant to the Placing is confirmed, settlement for all Placing Shares to be subscribed for pursuant to the Placing will be required to be made at the same time, on the basis explained below under "Registration and settlement".
14. To the fullest extent permissible by law, neither of the Banks or the Company or any of their respective affiliates or any of their respective Representatives shall have any responsibility or liability (whether in contract, tort or otherwise) to Placees (or to any other person whether acting on behalf of a Placee or otherwise). In particular, none of the Banks or the Company or any of their respective affiliates or any of their respective Representatives shall have any responsibility or liability (whether in contract, tort or otherwise and including to the fullest extent permissible by law, any fiduciary duties) in respect of the conduct of the Bookbuild or of such alternative method of effecting the Placing as the Banks and the Company may agree.

Conditions of the Placing

The Placing is conditional upon the Placing Agreement becoming unconditional and not having been terminated in accordance with its terms. The obligations of the Banks under the Placing Agreement in respect of the Placing Shares are conditional on, inter alia:

1. each of the representations and warranties of the Company contained in the Placing Agreement being true and accurate and not misleading on and as of the date of the Placing Agreement and at all times before Admission by reference to the facts and circumstances from time to time subsisting save in any respect which, in the good faith opinion of the Banks, is not material in the context of the Placing and/or Admission;
2. the Company complying with its obligations and undertakings under the Placing Agreement in all respects which, in the good faith opinion of the Banks, are material in the context of the Placing, so far as the same fall to be performed or satisfied on or prior to Admission;
3. the Term Sheet having been executed by the Company and the Banks;
4. there not having occurred, in the opinion of the Banks, any Material Adverse Change (as such term is defined in the Placing Agreement);
5. the formal approval by the FCA of the Circular in accordance with the Listing Rules by not later than 2.00 p.m. on the day following the date of the Placing Agreement (or such later time and/or date as the Company and the Banks may agree);
6. the passing of the Resolutions (without amendment) at the general meeting of the Company to be convened pursuant to the notice of meeting set out in the Circular (or, with the Banks' written consent, at any adjournment thereof);
7. the Company allotting, subject only to Admission, the Placing Shares in accordance with the terms of the Placing Agreement; and

8. Admission taking place by not later than 8.00 a.m. (London time) on 24 November 2020 (or such later time and/or date as may be agreed between the Company and the Banks, being not later than 30 November 2020).

The Banks have discretion to waive compliance with certain of the conditions and/or agree an extension in time for their satisfaction. Any such extension or waiver will not affect Placees' commitments as set out in this Announcement.

If (a) any of the conditions contained in the Placing Agreement, including those described above, are not fulfilled (or, where permitted, waived or extended in writing by the Banks) or become incapable of fulfilment on or before the date or time specified for the fulfilment thereof (or such later date and/or time as the Banks may agree); or (b) the Placing Agreement is terminated in the circumstances specified below, the Placing will not proceed and the Placees' rights and obligations hereunder in relation to the Placing Shares shall cease and terminate at such time and each Placee agrees that no claim can be made by the Placee in respect thereof.

Neither the Banks nor any of their respective affiliates nor any of their respective Representatives shall have any responsibility or liability to any Placee (or to any other person whether acting on behalf of a Placee or otherwise) in respect of any decision they may make as to whether or not to waive or to extend the time and/or the date for the satisfaction of any condition to the Placing nor for any decision they may make as to the satisfaction of any condition or in respect of the Placing generally, and by participating in the Placing each Placee agrees that any such decision is in the absolute discretion of the Banks.

By participating in the Bookbuild, each Placee agrees that its rights and obligations hereunder terminate only in the circumstances described above and under "Right to terminate under the Placing Agreement" below, and will not be capable of rescission or termination by the Placee.

Lock-up

The Company has undertaken to the Banks that it will not, and will procure that none of its subsidiaries will, at any time between the date of the Placing Agreement and the date which is 90 days after the date of the Placing Agreement without the prior written consent of the Banks enter into certain transactions involving or relating to the Ordinary Shares, subject to certain customary carve-outs agreed between the Banks and the Company.

By participating in the Placing, Placees agree that the exercise by the Banks of any power to consent to waive the undertaking by the Company of a transaction which would otherwise be subject to the lock-up under the Placing Agreement shall be within the absolute discretion of the Banks, and that neither the Banks nor the Company need to make any reference to, consult with, or seek consent from, Placees and that the Banks shall have no liability to Placees whatsoever in connection with any such exercise of the power to grant consent or failure so to exercise.

Right to terminate under the Placing Agreement

At any time before Admission, each of the Banks is entitled to terminate the Placing Agreement in accordance with its terms in certain circumstances, including amongst others: (i) if any of the Company's representations and warranties are not or cease to be true and accurate or have become misleading; (ii) if any of the conditions have not been satisfied (or waived by the Banks) by the date specified therein; (iii) in the opinion of either Bank, there shall have occurred any Material Adverse Change (as defined in the Placing Agreement); (iv) the occurrence of a market disruption event, as specified in the Placing Agreement; or (v) if the application for Admission is refused by the FCA or London Stock Exchange.

Upon notice of termination being given to the Company, the parties to the Placing Agreement shall be released and discharged (except for any liability arising before or in relation to such termination) from their respective obligations under or pursuant to the Placing Agreement, subject to certain exceptions.

By participating in the Placing, Placees agree that the exercise or non-exercise by the Banks of any right of termination or other discretion under the Placing Agreement shall be within the absolute discretion of the Banks, and that neither the Banks nor the Company need to make any reference to, consult with, or seek consent from, Placees and that neither the Banks nor the Company shall have any liability to Placees whatsoever in connection with any such exercise or failure so to exercise.

No prospectus

No offering document or prospectus has been or will be prepared or submitted to be approved by the FCA or submitted to the London Stock Exchange or in any other jurisdiction in relation to the Placing and no such prospectus is required (in accordance with the Prospectus Regulation) to be published. Placees' commitments will be made solely on the basis of their own assessment of the Company, the Placing and the Placing Shares based on information contained in this Announcement (including this Appendix) and any information publicly announced to a Regulatory Information Service by or on behalf of the Company simultaneously with or prior to the date of this Announcement, and subject to the further terms set forth in the contract note or trade confirmation to be provided to individual prospective Placees. Each Placee, by accepting a participation in the Placing, agrees that the content of this Announcement and all other publicly available information previously and simultaneously published by or on behalf of the Company by notification to a Regulatory Information Service is exclusively the responsibility of the Company and has not been independently verified or approved by the Banks. Each Placee, by accepting a participation in the Placing, further confirms that it has neither received nor relied on any other information, representation, warranty or statement made by or on behalf of the Company, the Banks or any other person and none of the Banks or the Company or any of their respective affiliates or any of their respective Representatives will be liable for any Placee's decision to participate in the Placing based on any other information, representation, warranty or statement which the Placee may have obtained or received. Each Placee acknowledges and agrees that it has relied on its own investigation of the business, financial or other position of the Company in accepting a participation in the Placing. Nothing in this paragraph shall exclude or limit the liability of any person for fraud or fraudulent misrepresentation by that person.

Registration and settlement

Settlement of transactions in the Placing Shares (ISIN: GB00B1L5QH97) following Admission will take place within the CREST system, subject to certain exceptions. In the event of any difficulties or delays in the admission of the Placing Shares to CREST or the use of CREST in relation to the Placing, the Company and the Banks may agree that the Placing Shares should be issued in certificated form. The Banks and the Company reserve the right to require settlement for and delivery of the Placing Shares (or a portion thereof) to Placees in certificated form or by such other means as they deem necessary if delivery or settlement is not possible or practicable within the CREST system or would not be consistent with the regulatory requirements in the Placee's jurisdiction.

Following the close of the Bookbuild, each Placee allocated Placing Shares in the Placing will be sent a contract note or trade confirmation stating the number of Placing Shares to be allocated to it at the Placing Price and settlement instructions. It is expected that such contract note or trade confirmation will be despatched on or around 6 November 2020.

Each Placee agrees that it will do all things necessary to ensure that delivery and payment is completed in accordance with the standing CREST or certificated settlement instructions that it has in place with the relevant Bank.

The Company will deliver the Placing Shares to a CREST account operated by the Banks (or either one of them) as agent for the Company and the relevant Bank will enter its delivery (DEL) instruction into the CREST system. The Banks (or either one of them) will hold any Placing Shares delivered to this account as nominee for the Placees until settlement. The input to CREST by a Placee of a matching or acceptance instruction will then allow delivery of the relevant Placing Shares to that Placee against payment.

It is expected that settlement will be on 24 November 2020 and on a delivery versus payment basis in accordance with the instructions given to the Banks.

Interest is chargeable daily on payments not received from Placees on the due date in accordance with the arrangements set out above at the rate of two percentage points above LIBOR as determined by the Banks.

Each Placee is deemed to agree that, if it does not comply with these obligations, the Banks may sell any or all of the Placing Shares allocated to that Placee on such Placee's behalf and retain from the proceeds, for the account and benefit of each of the Banks, an amount equal to the aggregate amount owed by the Placee plus any interest due. The relevant Placee will, however, remain liable for any shortfall below the aggregate amount owed by it and may be required to bear any stamp duty or stamp duty reserve tax or other similar taxes (together with any interest or penalties thereon) imposed in any jurisdiction which may arise upon the sale of such Placing Shares on such Placee's behalf. By communicating a bid for Placing Shares, each Placee confers on each of the Banks all such authorities and powers necessary to carry out any such transaction and agrees to ratify and confirm all actions which each of the Banks lawfully takes on such Placee's behalf.

If Placing Shares are to be delivered to a custodian or settlement agent, Placees should ensure that the contract note or trade confirmation is copied and delivered immediately to the relevant person within that organisation.

Insofar as Placing Shares are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such Placing Shares should, subject as provided below, be so registered free from any liability to UK stamp duty or stamp duty reserve tax. If there are any other circumstances in which any stamp duty or stamp duty reserve tax or other similar taxes (and/or any interest, fines or penalties relating thereto) is payable in respect of the allocation, allotment, issue or delivery of the Placing Shares (or for the avoidance of doubt if any stamp duty or stamp duty reserve tax is payable in connection with any subsequent transfer of or agreement to transfer Placing Shares), none of the Banks or the Company shall be responsible for the payment thereof.

Placees (or any nominee or other agent acting on behalf of a Placee) will not be entitled to receive any fee or commission in connection with the Placing.

Representations and warranties

By submitting a bid and/or participating in the Placing, each prospective Placee (and any person acting on such Placee's behalf) irrevocably acknowledges, confirms, undertakes, represents, warrants and agrees (as the case may be) with each Bank and the Company, in each case as a fundamental term of its application for Placing Shares, that:

1. it has read and understood this Announcement (including this Appendix) in its entirety and that its participation in the Bookbuild and the Placing and its subscription and/or acquisition of Placing Shares is subject to and based upon all the terms, conditions, representations, warranties, indemnities, acknowledgements, agreements and undertakings and other information contained herein and it undertakes not to redistribute or duplicate this Announcement and that it is relying solely on this Announcement and has not relied on, and will not rely on, any information given or any representations, warranties or statements made at any time by any person in connection with Admission, the Bookbuild, the Placing, the Company, the Placing Shares or otherwise;
2. no offering document or prospectus has been or will be prepared in connection with the Placing or is required under the Prospectus Regulation, the FSMA or any other applicable law and it has not received and will not receive a prospectus or other offering document in connection with Admission, the Bookbuild, the Placing, the Company or the Placing Shares;
3. the Placing does not constitute a recommendation or financial product advice and the Banks have not had regard to its particular objectives, financial situation and needs;
4. if it has received any "inside information" concerning the Company or its shares or other securities or related financial instruments in advance of the Placing, that it has not: (i) dealt in the securities of the Company; (ii) encouraged or required another person to deal in the securities of the Company; or (iii) disclosed such information to any person except as permitted by the EU Market Abuse Regulation (EU) No. 596/2014 ("MAR") and any delegating acts, implementing acts, technical standards and guidelines thereunder, prior to the information being made publicly available;
5. it has the full power and authority to carry on the activities in which it is engaged, to subscribe and/or acquire Placing Shares and to execute and deliver all documents necessary for such subscription and/or acquisition;
6. none of the Banks or any of their respective affiliates or any of their respective Representatives or any person acting on behalf of any of them has provided, and none of them will provide, it with any material or information regarding the Placing Shares or the Company or any other person on which it has relied other than this Announcement;
7. (i) it has made its own assessment of the Company, the Placing Shares and the terms of the Placing based on this Announcement and any information publicly announced to a Regulatory Information Service by or on behalf of the Company simultaneously with or prior to the date of this Announcement (the "Publicly Available Information"); (ii) the Company's Ordinary Shares are listed on the Official List and admitted to trading on London Stock Exchange and the Company is therefore required to publish certain business and financial information in accordance with MAR, the rules and practices of the London Stock Exchange and relevant regulatory authorities (the "Exchange Information"), which includes a description of the nature of the Company's business, most recent balance sheet and profit and loss account, and similar statements for preceding years, and it has reviewed such Exchange Information as it has deemed necessary and that it is able to obtain or access the Exchange Information without undue difficulty; and (iii) it has had access to such financial and other information (including the business, financial condition, prospects, creditworthiness, status and affairs of the Company, the Placing and the Placing Shares, as well as the opportunity to ask questions) concerning the Company, the Placing and the Placing Shares as it has deemed necessary in connection with its own investment decision to acquire any of the Placing Shares and has satisfied itself that the information is still current and relied on that investigation for the purposes of its decision to participate in the Placing. Each Placee further acknowledges and agrees that it has relied on its own investigation of the business, financial or other position of the Company in deciding to participate in the Placing;
8. (i) none of the Company or the Banks or any of their respective affiliates or any of their respective Representatives or any person acting on their behalf has made any warranties or representations to it, express or implied, with respect to the Company, the Placing and the Placing Shares or the accuracy, fairness, completeness or adequacy of the Publicly Available Information or the Exchange Information, and each of them expressly disclaims any liability in respect thereof; and (ii) it will not hold the Banks or any of their respective affiliates or any of their respective Representatives or any person acting on their behalf responsible for any misstatements in or omissions from any Publicly Available Information or any Exchange Information. Nothing in this paragraph or otherwise in this Announcement excludes the liability of any person for fraudulent misrepresentation made by that person;
9. the content of this Announcement is exclusively the responsibility of the Company and that neither the Banks nor any of their respective affiliates nor any of their respective Representatives nor any person acting on their behalf has or shall have any responsibility or liability for any information, representation or statement contained in this Announcement or any information previously or subsequently published by or on behalf of the Company, including, without limitation, any Publicly Available Information or Exchange Information, and will not be liable for any Placee's decision to participate in the Placing based on any information, representation or statement contained in this Announcement or any information previously or simultaneously published by or on behalf of the Company or otherwise. Each Placee further represents, warrants and agrees that the only information on which it is entitled to rely and on which such Placee has relied in committing itself to acquire the Placing Shares is contained in this Announcement and any Publicly Available Information including (without limitation) the Exchange Information, such information being all that it deems necessary and/or appropriate to make an investment decision in respect of the Placing Shares and that it has neither received nor relied on any other information given, investigation made or representations, warranties or statements made by either of the Banks or the Company or any of their respective affiliates or any of their respective Representatives or any person acting on their behalf and neither the Banks nor the Company nor any of their respective affiliates nor any of their respective Representatives nor any person acting on its or their behalf will be liable for any Placee's decision to accept an invitation to participate in the Placing based on any other information, representation, warranty or statement, provided that nothing in this paragraph excludes the liability of any person for fraudulent misrepresentation made by that person;

Such agreement is subject to the representations, warranties and further terms above and assumes, and is based on the warranty and representation from each Placee, that the Placing Shares are not being acquired in connection with arrangements to issue depository receipts or to issue or transfer the Placing Shares into a clearance service. If there are any such arrangements, or the settlement relates to any other dealing in the Placing Shares, stamp duty or stamp duty reserve tax or other similar taxes may be payable, for which neither the Company nor the Banks will be responsible and each Placee shall indemnify on an after-tax basis and hold harmless the Company, the Banks and their respective affiliates and their respective Representatives for any stamp duty or stamp duty reserve tax or other similar tax paid or otherwise payable by them in respect of any such arrangements or dealings. If this is the case, each Placee should seek its own advice and notify the Banks accordingly.

Each Placee agrees to indemnify on an after-tax basis and hold harmless the Company, each of the Banks and their respective affiliates and their respective Representatives from any and all interest, fines or penalties in relation to any such duties or taxes.

Each Placee should seek its own advice as to whether any of the above tax liabilities arise and notify the Banks accordingly.

Each Placee, and any person acting on behalf of each Placee, acknowledges and agrees that the Banks and/or any of their respective affiliates may, at their absolute discretion, agree to become a Placee in respect of some or all of the Placing Shares. Each Placee acknowledges and is aware that the Banks are receiving a fee in connection with their role in respect of the Placing as detailed in the Placing Agreement. When a Placee or person acting on behalf of the Placee is dealing with either of the Banks any money held in an account with the relevant Bank on behalf of the Placee and/or any person acting on behalf of the Placee will not be treated as client money within the meaning of the rules and regulations of the FCA made under FSMA. The Placee acknowledges that the money will not be subject to the protections conferred by the client money rules; as a consequence, this money will not be segregated from the relevant Bank's money in accordance with the client money rules and will be used by the relevant Bank in the course of its own business; and the Placee will rank only as a general creditor of the relevant Bank.

Past performance is no guide to future performance and persons needing advice should consult an independent financial adviser.

The rights and remedies of the Banks and the Company under these terms and conditions in this Announcement are in addition to any rights and remedies which would otherwise be available to each of them and the exercise or partial exercise of one will not prevent the exercise of others.

All times and dates in this Announcement may be subject to amendment by the Banks (in their absolute discretion). The Banks shall notify the Placees and any persons acting on behalf of the Placees of any changes.

In this Announcement, "after-tax basis" means in relation to any payment made to the Company, the Banks or their respective affiliates or their respective Representatives pursuant to this Announcement where the payment (or any part thereof) is chargeable to any tax, a basis such that the amount so payable shall be increased so as to ensure that after taking into account any tax chargeable (or which would be chargeable but for the availability of any relief unrelated to the loss, damage, cost, charge, expense or liability against which the indemnity is given on such amount (including on the increased amount)) there shall remain a sum equal to the amount that would otherwise have been so payable.
