PROFIT WARNING

This announcement is made by Hao Bai International (Cayman) Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on Growth Enterprise Market (“**GEM**”) of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) (“**SFO**”).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on a preliminary assessment of the latest available financial information, the Group is expected to record a loss of not less than HK\$2.5 million for the three months ended 30 June 2017. Other than the non-recurring listing expenses as set out in the prospectus of the Company dated 16 May 2017 (the “**Prospectus**”), such loss was mainly attributable to (i) the drop of the overall gross profit resulting from the substantial contribution of revenue from on-going projects in Hong Kong as listed out in the Prospectus for the three months ended 30 June 2017, which typically has a lower gross profit margin than projects in Macau; and (ii) increase in the administrative expenses incurred following the listing of the shares of the Company in May 2017.

The Group is still in the process of finalizing the Group's results for the three months ended 30 June 2017. The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group for the three months ended 30 June 2017 which are currently available, and is not based on any information or figures which have been audited or reviewed by the Company's auditors or the audit committee of the Board. Shareholders and potential investors are advised to peruse with care the quarterly results announcement of the Company for the three months ended 30 June 2017, which is expected to be released in August 2017.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
