RENEWAL OF EXISTING CONTINUING CONNECTED TRANSACTIONS

On 17 December 2013, Hengan Mega Jumbo, a direct wholly-owned subsidiary of the Company, entered into the 2014 Supply Agreements with Weifang Power pursuant to which Weifang Power will continue to supply electricity and heat energy to the Shandong Subsidiaries for the financial year ending 31 December 2014.

The Board considers that the entering into of the 2014 Supply Agreements are in the interest of the Company and its Shareholders as a whole, as the Group can continue to have secured steady electricity and heat energy supply from Weifang Power for the Group's major manufacturing operations in Weifang, Shandong Province of the PRC at the rates which are below the prevailing market rates or at the rates no less favourable (or more favourable) than those charged by independent third parties and therefore maintain the market competitiveness of the Group.

The applicable percentage ratios with reference to the annual caps in relation to the aggregate value of the Transactions under the 2014 Supply Agreements estimated for the financial year ending 31 December 2014 are below 5%. Consequently, the Transactions are subject to the reporting and announcement requirements but exempt from the independent Shareholders' approval requirement set out in Chapter 14A of the Listing Rules.

BACKGROUND

On 17 December 2012, Hengan Mega Jumbo, a direct wholly-owned subsidiary of the Company, entered into the 2013 Supply Agreements with Weifang Power. Pursuant to the 2013 Supply Agreements, Weifang Power supplies electricity and heat energy to the Shandong Subsidiaries for the financial year ending 31 December 2013. For more details, please refer to the Company's announcement dated 17 December 2012.

* *For identification purposes only*

As the 2013 Supply Agreements will expire on 31 December 2013, Hengan Mega Jumbo and Weifang Power entered into the 2014 Supply Agreements on 17 December 2013 pursuant to which Weifang Power will continue to supply electricity and heat energy to the Shandong Subsidiaries for the financial year ending 31 December 2014.

The principal terms of the 2014 Supply Agreements are set out as follows:

1. 2014 Electricity Supply Agreement

Date	:	17 December 2013
Parties	:	(1) Hengan Mega Jumbo (as buyer) (2) Weifang Power (as supplier)
Duration	:	From 1 January 2014 to 31 December 2014 (both days inclusive)
Nature of transaction	:	Supply of electricity, in respect of which the Shandong Subsidiaries will enjoy priority over all other customers of Weifang Power
Charges	:	At a rate of RMB0.7078 per kilowatt-hour, which is subject to adjustment based on market conditions and to be mutually agreed by Hengan Mega Jumbo and Weifang Power provided that the adjusted unit price shall in any event be lower than the prevailing market price or at a rate no less favourable (or more favourable) to the Group than that charged by independent third parties. The charges will be paid by the Shandong Subsidiaries on a monthly basis from their respective internal resources.
Annual cap	:	RMB168 million for the financial year ending 31 December 2014

Basis of the annual cap in respect of the charges payable under the 2014 Electricity Supply Agreement:

- (a) the aggregate annual value of the charges paid to Weifang Power for the electricity utilized by the Shandong Subsidiaries for each of the two years ended 31 December 2011 and 2012 and the eleven months ended 30 November 2013, being approximately RMB119 million, RMB133 million and RMB117 million, respectively;
- (b) the existing scale and operations of the business of the Shandong Subsidiaries and the anticipated demand for electricity as a result of predicted amount of products being manufactured by the Shandong Subsidiaries;

- (c) the unit price to be charged for the supply of electricity under the 2014 Electricity Supply Agreement at a rate of RMB0.7078 per kilowatt-hour, which is subject to adjustment based on market conditions and to be mutually agreed by Hengan Mega Jumbo and Weifang Power provided that the adjusted unit price shall in any event be lower than the prevailing market price or at a rate no less favourable (or more favourable) to the Group than that charged by independent third parties; and
- (d) increase in the market prices of the electricity due to the inflation in the PRC.

2. 2014 Heat Energy Supply Agreement

Date	:	17 December 2013
Parties	:	(1) Hengan Mega Jumbo (as buyer) (2) Weifang Power (as supplier)
Duration	:	From 1 January 2014 to 31 December 2014 (both days inclusive)
Nature of transaction	:	Supply of heat energy, in respect of which the Shandong Subsidiaries will enjoy priority over all other customers of Weifang Power
Charges	:	At a rate of RMB231 per ton for operation of the manufacturing facilities, which is subject to adjustment based on market conditions and to be mutually agreed by Hengan Mega Jumbo and Weifang Power provided that the adjusted unit price shall in any event be lower than the prevailing market price or at a rate no less favourable (or more favourable) to the Group than that charged by independent third parties. The charges will be paid by the Shandong Subsidiaries on a monthly basis from their respective internal resources.
Annual cap	:	RMB113 million for the financial year ending 31 December 2014

Basis of the annual cap in respect of the charges payable under the 2014 Heat Energy Supply Agreement:

- (a) the aggregate annual value of charges paid to Weifang Power for heat energy utilized by the Shandong Subsidiaries for each of the two years ended 31 December 2011 and 2012 and the eleven months ended 30 November 2013, being approximately RMB73 million, RMB78 million and RMB74 million, respectively;
- (b) the existing scale and operations of the business of the Shandong Subsidiaries and the anticipated demand for heat energy as a result of predicted amount of products being manufactured by the Shandong Subsidiaries;

- (c) the unit price to be charged for the supply of heat energy under the 2014 Heat Energy Supply Agreement at the rate of RMB231 per ton for operation of the manufacturing facilities, which is subject to adjustment based on market conditions and to be mutually agreed by Hengan Mega Jumbo and Weifang Power provided that the adjusted unit price shall in any event be lower than the prevailing market price or at a rate no less favourable (or more favourable) to the Group than that charged by independent third parties; and
- (d) increase in the market prices of the heat energy due to the inflation in the PRC.
