6. **CONVERSION**

For the avoidance of doubt, if the CB Conditions Precedent are not satisfied by the CB Long Stop Date, the Bond shall unconditionally become a straight bond and all the Conversion Rights under this Clause 6 shall be deemed never have become operational. Further and for the avoidance of doubt, if the CB Conditions Precedent are satisfied on or before the CB Long Stop Date, the Conversion Rights attached to the Bond shall become unconditional and irrevocable.
- 6.2 Provided that any conversion of the Bond (i) does not trigger a mandatory offer obligation under Rule 26 of the Code on the part of the Bondholder which exercised the conversion right and its party(ies) acting in concert as defined under the Code; and (ii) will not cause the public float of the Company unable to meet the requirement under Rule 8.08 of the Listing Rules, the Bondholder shall, subject to compliance with the procedures set out in the Conditions, have the right at any time during the Conversion Period to convert the whole or part of the outstanding principal amount of the Bond registered in its name into Shares provided further that any conversion shall be made in amounts of not less than a whole multiple of HK\$5,000,000 on each conversion save that if at any time the aggregate outstanding principal amount of the Bond is less than HK\$5,000,000, the whole (but not part only) of the outstanding principal amount of the Bond may be converted. If a conversion notice is served on the same date as a redemption notice is served by the Company, the Bondholder's conversion notice will deem to take priority.
- 6.3 The number of Conversion Shares to be issued on each conversion will be determined by dividing the principal amount specified in the Conversion Notice by the Conversion Price applicable on the Conversion Date. Fractions of Shares will not be issued on conversion and the amount representing such fraction will be retained by the Company and no payment will be made to the Bondholder in respect of such fraction, provided always that for the purpose of determining whether any (and if so what) fraction of a share arises, if the Conversion Right represented by a Certificate and any one or more other Certificates are exercised on the same Conversion Date by the Bondholder, then the Conversion Rights represented by the Bond shall be aggregated.
- 6.4 The Conversion Price for the Bond shall be HK\$0.1 per Conversion Share, subject to adjustments as hereafter described in Clause 7.
- 6.5 Any calculation by the Company of the number of Conversion Shares falling to be issued on a conversion shall, in the absence of manifest error, be conclusive and binding on the Bondholder.

7. **ADJUSTMENTS**

- (a) Subject as hereinafter provided, the Conversion Price shall from time to time be adjusted in accordance with the following relevant provisions and so that if the event giving rise to any such adjustment shall be such as would be capable of falling within more than one of sub-paragraphs (i) to (vii) inclusive of this

Sub-clause (a) it shall fall within the first of the applicable paragraphs to the exclusion of the remaining paragraphs:

- (i) If and whenever the Shares by reason of any consolidation or sub-division become of a different nominal amount, the Conversion Price in force immediately prior thereto shall be adjusted by multiplying it by the revised nominal amount and dividing the result by the former nominal amount. Each such adjustment shall be effective from the close of business in Hong Kong on the day immediately preceding the date on which the consolidation or sub-division becomes effective.
- (ii) If and whenever the Company shall issue (other than in lieu of a cash dividend) any Shares credited as fully paid by way of capitalisation of profits or reserves (including any share premium account or capital redemption reserve fund), the Conversion Price in force immediately prior to such issue shall be adjusted by multiplying it by the aggregate nominal amount of the issued Shares immediately before such issue and dividing the result by the sum of such aggregate nominal amount and the aggregate nominal amount of the Shares issued in such capitalisation. Each such adjustment shall be effective (if appropriate retroactively) from the commencement of the day next following the record date for such issue.
- (iii) If and whenever the Company shall make any Capital Distribution (as defined in Sub-clause (b)) to holders (in their capacity as such) of Shares (whether on a reduction of capital or otherwise) or shall grant to such holders rights to acquire for cash assets of the Company or any of its subsidiaries, the Conversion Price in force immediately prior to such distribution or grant shall be reduced by multiplying it by the following fraction:

$$\frac{A - B}{A}$$

where:

A = the market price (as defined in Sub-clause (b)) on the date on which the Capital Distribution or, as the case may be, the grant is publicly announced or (failing any such announcement) the date next preceding the date of the Capital Distribution or, as the case may be, of the grant; and

B = the fair market value on the day of such announcement or (as the case may require) the next preceding day, as determined in good faith by an approved merchant bank (as defined in Sub-clause (b)) or the auditors of the Company for the time being, of the portion of the Capital Distribution or of such rights which is attributable to one Share,

Provided that:

- (aa) if in the opinion of the relevant approved merchant bank or the auditors of the Company for the time being, the use of the fair market value as aforesaid produces a result which is significantly inequitable, it may instead determine (and in such event the above formula shall be construed as if B meant) the amount of the said market price which should properly be attributed to the value of the Capital Distribution or rights; and
- (bb) the provisions of this sub-paragraph (iii) shall not apply in relation to the issue of Shares paid out of profits or reserves and issued in lieu of a cash dividend.

Each such adjustment shall be effective (if appropriate retroactively) from the commencement of the day next following the record date for the Capital Distribution or the grant.

- (iv) If and whenever the Company shall offer to holders of Shares new Shares for subscription by way of rights, or shall grant to holders of Shares any options or warrants to subscribe for new Shares, at a price which is less than 90 per cent. of the market price at the date of the announcement (as defined in Sub-clause (b)) of the terms of the offer or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of the announcement of such offer or grant by a fraction of which the numerator is the number of Shares in issue immediately before the date of such announcement plus the number of Shares which the aggregate of the amount (if any) payable for the rights, options or warrants and of the amount payable for the total number of new Shares comprised therein would purchase at such market price and the denominator is the number of Shares in issue immediately before the date of such announcement plus the aggregate number of Shares offered for subscription or comprised in the options or warrants (such adjustment to become effective (if appropriate retroactively) from the commencement of the day next following the record date for the offer or grant). Provided however that no such adjustment shall be made if the Company shall make a like offer or grant (as the case may be) at the same time to the Bondholder (subject to such exclusions or other arrangements as the directors of the Company may deem necessary or expedient in relation to fractional entitlements or having regard to any restrictions or obligations under the laws of, or the requirements of any recognised regulatory body or any stock exchange in any territory outside Hong Kong) as if it had exercised the Conversion Rights under the Bond registered in its name in full on the day immediately preceding the record date for such offer or grant.
- (v) (aa) If and whenever the Company shall issue wholly for cash any securities which by their terms are convertible into or exchangeable for or carry rights of subscription for new Shares, and the total Effective Consideration per Share (as defined

below) initially receivable for such securities is less than 90 per cent. of the market price at the date of the announcement of the terms of issue of such securities, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the issue by a fraction of which the numerator is the number of Shares in issue immediately before the date of the issue plus the number of Shares which the total Effective Consideration receivable for the securities issued would purchase at such market price and the denominator is the number of Shares in issue immediately before the date of the issue plus the number of Shares to be issued upon conversion or exchange of, or the exercise of the subscription rights conferred by, such securities at the initial conversion or exchange rate or subscription price. Such adjustment shall become effective (if appropriate retrospectively) from the close of business in Hong Kong on the Business Day next preceding whichever is the earlier of the date on which the issue is announced and the date on which the Company determines the conversion or exchange rate or subscription price.

- (bb) If and whenever the rights of conversion or exchange or subscription attached to any such securities as are mentioned in section (aa) of this sub-paragraph (v) are modified so that the total Effective Consideration per Share initially receivable for such securities shall be less than 90 per cent. of the market price at the date of announcement of the proposal to modify such rights of conversion or exchange or subscription, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such modification by a fraction of which the numerator is the number of Shares in issue immediately before the date of such modification plus the number of Shares which the total Effective Consideration receivable for the securities issued at the modified conversion or exchange price would purchase at such market price and of which the denominator is the number of Shares in issue immediately before such date of modification plus the number of Shares to be issued upon conversion or exchange of or the exercise of the subscription rights conferred by such securities at the modified conversion or exchange rate or subscription price. Such adjustment shall become effective as at the date upon which such modification shall take effect. A right of conversion or exchange or subscription shall not be treated as modified for the foregoing purposes where it is adjusted to take account of rights or capitalisation issues and other events normally giving rise to adjustment of conversion or exchange terms.

For the purposes of this sub-paragraph (v), the “**total Effective Consideration**” receivable for the securities issued shall be deemed to be the consideration receivable by the Company for any such securities

plus the additional minimum consideration (if any) to be received by the Company upon (and assuming) the conversion or exchange thereof or the exercise of such subscription rights, and the Effective Consideration per Share initially receivable for such securities shall be such aggregate consideration divided by the number of Shares to be issued upon (and assuming) such conversion or exchange at the initial conversion or exchange rate or the exercise of such subscription rights at the initial subscription price, in each case without any deduction for any commissions, discounts or expenses paid, allowed or incurred in connection with the issue.

- (vi) If and whenever the Company shall issue wholly for cash any Shares at a price per Share which is less than 90 per cent. of the market price at the date of the announcement of the terms of such issue, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of such announcement by a fraction of which the numerator is the number of Shares in issue immediately before the date of such announcement plus the number of Shares which the aggregate amount payable for the issue would purchase at such market price and the denominator is the number of Shares in issue immediately before the date of such announcement plus the number of Shares so issued. Such adjustment shall become effective on the date of the issue.
- (vii) If and whenever the Company shall issue Shares for the acquisition of asset at a total Effective Consideration per Share (as defined below) which is less than 90 per cent. of the market price at the date of the announcement of the terms of such issue, the Conversion Price shall be adjusted by multiplying it by a fraction of which the numerator shall be the total Effective Consideration per Share and the denominator shall be such market price. Each such adjustment shall be effective (if appropriate retroactively) from the close of business in Hong Kong on the Business Day next preceding the date on which the Company determines the issue price for such Shares. For the purpose of this subparagraph (vii) **“total Effective Consideration”** shall be the aggregate consideration credited as being paid for such Shares by the Company on acquisition of the relevant asset without any deduction of any commissions, discounts or expenses paid, allowed or incurred in connection with the issue thereof, and the **“total Effective Consideration per Share”** shall be the total Effective Consideration divided by the number of Shares issued as aforesaid.

- (b) For the purposes of this Clause 7:

“announcement” shall include the release of an announcement to the press or the delivery or transmission by telephone, facsimile or otherwise of an announcement to the Hong Kong Stock Exchange and **“date of announcement”** shall mean the date on which the announcement is first so released, delivered or transmitted;

- (i) it is paid out of the aggregate of the net profits (less losses) attributable to the holders of Shares for all financial periods after that ended 31 March 2018 as shown in the audited consolidated profit and loss account of the Company and its subsidiaries for each such financial period; or
- (ii) to the extent that (i) above does not apply, the rate of that dividend, together with all other dividends on the class of capital in question charged or provided for in the accounts for the financial period in question, does not exceed the aggregate rate of dividend on such class of capital charged or provided for in the accounts for the last preceding financial period. In computing such rates, such adjustments may be made as are in the opinion of the auditors of the Company for the time being appropriate to the circumstances and shall be made in the event that the lengths of such periods differ materially;

“issue” shall include allot;

“market price” means the average of the closing prices of one Share on the Hong Kong Stock Exchange for each of the last five Hong Kong Stock Exchange dealing days on which dealings in the Shares on the Hong Kong Stock Exchange took place ending on the last such dealing day preceding the day on or as of which the market price is to be ascertained;

“reserves” includes unappropriated profits;

“rights” includes rights in whatsoever form issued;

“Shares” includes, for the purposes of Shares comprised in any issue, distribution or grant pursuant to sub-paragraph (iii), (iv), (v), (vi) or (vii) of Sub-clause (a), any such ordinary shares of the Company as, when fully paid, will be Shares.

- (c) The provisions of sub-paragraphs (ii), (iii), (iv), (v), (vi) and (vii) of Sub-clause (a) shall not apply to:
 - (i) an issue of fully paid Shares upon the exercise of any conversion rights attached to securities convertible into Shares or upon exercise of any rights (including any conversion of the Bond) to acquire Shares provided that an adjustment has been made under this Clause 7 in

respect of the issue of such securities or granting of such rights (as the case may be);

- (ii) an issue of Shares or other securities of the Company or any subsidiary of the Company wholly or partly convertible into, or carrying rights to acquire, Shares to officers or employees of the Company or any of its subsidiaries pursuant to any employee or executive share scheme;
 - (iii) an issue by the Company of Shares or by the Company or any subsidiary of the Company of securities wholly or partly convertible into or carrying rights to acquire Shares, in any such case in consideration or part consideration for the acquisition of any other securities, assets or business provided that an adjustment has been made (if appropriate) under this Clause 7 in respect of the issue of such securities or granting of such rights (as the case may be);
 - (iv) an issue of fully paid Shares by way of capitalisation of all or part of any subscription right reserve, or any similar reserve which has been or may be established pursuant to the terms of any securities wholly or partly convertible into or carrying rights to acquire Shares; or
 - (v) an issue of Shares pursuant to a scrip dividend scheme where an amount not less than the nominal amount of the Shares so issued is capitalised and the market value of such Shares is not more than 120 per cent. of the amount of dividend which holders of the Shares could elect to or would otherwise receive in cash, for which purpose the “market value” of one Share shall mean the average of the closing prices for such Hong Kong Stock Exchange dealing days on which dealings in the Shares took place (being not less than five such days) as are selected by the directors of the Company in connection with determining the basis of allotment in respect of the relevant scrip dividend and which fall within the period of one month ending on the last day on which holders of Shares may elect to receive or (as the case may be) not to receive the relevant dividend in cash.
- (d) Any adjustment to the Conversion Price shall be made to the nearest one-tenth of a cent so that any amount under half of one-tenth of a cent shall be rounded down and any amount of half of one-tenth of a cent or more shall be rounded up. In addition to any determination which may be made by the directors of the Company every adjustment to the Conversion Price shall be certified (at the option of the Company) either by the auditors of the Company for the time being or by an approved merchant bank.
- (e) Notwithstanding anything contained herein, no adjustment shall be made to the Conversion Price in any case in which the amount by which the same would be reduced in accordance with the foregoing provisions of this Clause 7 would be less than one-tenth of a cent. If any adjustment to be made will render the total number of the Conversion Shares exceeding the Specific Mandate, the Bondholder shall be entitled to convert up to the maximum number of the Conversion Shares and the remaining portion of the principal

amount shall be redeemed on the Maturity Date on a dollar-to-dollar basis together with accrued interests..

- (f) If the Company or any subsidiary of the Company shall in any way modify the rights attached to any share or loan capital so as wholly or partly to convert or make convertible such share or loan capital into, or attach thereto any rights to acquire, Shares, the Company shall appoint an approved merchant bank or the auditors of the Company for the time being to consider whether any adjustment to the Conversion Price is appropriate (and if such approved merchant bank or auditors of the Company for the time being (as the case may be) shall certify that any such adjustment is appropriate the Conversion Price shall be adjusted accordingly and the provisions of Sub-clauses (d), (e) and (h) shall apply).
- (g) Notwithstanding the provisions of Sub-clause (a), in any circumstances where the directors of the Company shall consider that an adjustment to the Conversion Price provided for under the said provisions should not be made or should be calculated on a different basis or that an adjustment to the Conversion Price should be made notwithstanding that no such adjustment is required under the said provisions or that an adjustment should take effect on a different date or with a different time from that provided for under the provisions, the Company may appoint an approved merchant bank or the auditors of the Company for the time being to consider whether for any reason whatever the adjustment to be made (or the absence of adjustment) would or might not fairly and appropriately reflect the relative interests of the persons affected thereby and, if such approved merchant bank or auditors of the Company for the time being (as the case may be) shall consider this to be the case, the adjustment shall be modified or nullified or an adjustment made instead of no adjustment in such manner (including without limitation, making an adjustment calculated on a different basis and/or the adjustment shall take effect from such other date and/or time) as shall be certified by such approved merchant bank or auditors of the Company for the time being to be in its opinion appropriate.
- (h) Whenever the Conversion Price is adjusted as herein provided the Company shall give notice to the Bondholder that the Conversion Price has been adjusted (setting forth the event giving rise to the adjustment, the Conversion Price in effect prior to such adjustment, the adjusted Conversion Price and the effective date thereof) and shall at all times thereafter so long as any amount of the Bond remains outstanding make available for inspection at the Specified Office a signed copy of the said certificate of the auditors of the Company or (as the case may be) of the relevant approved merchant bank and a certificate signed by a director of the Company setting forth brief particulars of the event giving rise to the adjustment, the Conversion Price in effect prior to such adjustment, the adjusted Conversion Price and the effective date thereof and shall, on request, send a copy thereof to the Bondholder.
