This announcement is made by Herald Holdings Limited (the “Company”, and together with its subsidiaries, the “Group”) pursuant to Rule 13.09(1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”).

The board of directors of the Company (the “Board”) wishes to inform the shareholders of the Company and potential investors that it is expected that the results of the Group for the six months ended 30 September 2011 may experience a significant decline as compared to the same period in 2010. Based on the information currently available, the Board considers that the decline is mainly due to the following factors:

- (i) As a result of the downturn in global stock markets, the Group recorded significant net realised and unrealised losses on trading securities for the six months ended 30 September 2011 as compared to net gains of HK\$1.4 million in the same period last year.
- (ii) Both sales volume and profit margin of the Toys Division dropped in the first half of the fiscal year amid stiff competition among toy manufacturers and rising costs of production.

The Company is still in the process of finalizing the Group’s interim results for the six months ended 30 September 2011. The information contained in this announcement is only based on the Company’s preliminary review of the management accounts of the Group, which have not been audited or reviewed by the Company’s auditors. Further

details of the Group's performance will be disclosed as and when the interim results of the Group for the six months ended 30 September 2011 are announced.
