PROVISION OF FINANCIAL ASSISTANCE

The Board is pleased to announce that on 21 September 2020, the Loan Agreement was entered into between HK Finance as the lender and Customer H as the Borrower. Pursuant to the Loan Agreement, HK Finance has agreed to grant the Loan to the Borrower for a term of 12 months.

Summarised below are the principal terms of the Loan Agreement.

THE LOAN AGREEMENT

Date of the Loan Agreement : 21 September 2020

Lender : HK Finance

Borrower : Customer H

Principal	:	HK\$30,000,000
Interest rate	:	1% per month (equivalent to 12% per annum)
Term	:	12 months commencing from the drawdown date
Security	:	A first legal charge/mortgage in respect of a residential property with a car parking space located at Shouson Hill Road, Hong Kong with valuation conducted by an independent property valuer based on the valuation cut-off date on 13 August 2020 with an aggregate amount of approximately HK\$60,000,000
Repayment	:	the Borrower will repay the interest on a monthly basis with the principal amount to be repaid at Loan maturity
Early redemption	:	the Borrower will have an option at any time to make early repayment of the whole or part of the Loan after the drawdown date subject to the Borrower giving HK Finance not less than one calendar month's advance notice in writing

INFORMATION ON THE CREDIT RISK RELATING TO THE LOAN

The making of the Loan is collateralised. The collateral provided by the Borrower for the Loan is sufficient as the loan-to-value ratio of the mortgaged properties for the Loan to the Group is approximately 50.0% based on the value of the mortgaged properties for the Loan determined by an independent valuer.

The advance in respect of the Loan were also made on the basis of the Company's credit assessments made on (i) the collateral provided by Customer H, which are at the prime site in Hong Kong; (ii) the fact that Customer H is a repeated customer with satisfactory repayment history and records; and (iii) the relatively short term nature of the advance. After taking into account the factors as disclosed above in assessing the risks of the relevant advance, the Company considers that the risks involved in the advance to Customer H are low and manageable.

FUNDING OF THE LOAN

The Group will finance the Loan with the Company's general working capital.

INFORMATION ON THE BORROWER

Customer H is a company incorporated in British Virgin Islands engaging in the business of property investment holdings, and was approached by the Group through its network. To the best of the knowledge, information and belief of the Directors having made all reasonable enquiry, the Borrower and its ultimate beneficial owner are an Independent Third Party and not connected with the Group.

INFORMATION ON THE GROUP AND THE LENDER

The Company is an investment holding company. The Group is principally engaged in money lending business in Hong Kong and mainly provides mortgage loans under the Money Lenders Ordinance. HK Finance, as the lender of the Loan, is an indirect wholly-owned subsidiary of the Company.

REASONS FOR ENTERING INTO THE LOAN AGREEMENT

Taking into account the principal business activities of the Group, the grant of the Loan to the Borrower is in the ordinary and usual course of business of the Group.

The terms of the Loan Agreement were negotiated on an arm's length basis between HK Finance and the Borrower. The Directors consider that the grant of the Loan is a financial assistance provided by the Group within the meaning of the Listing Rules. The Directors are of the view that the terms of the Loan Agreement were entered into on normal commercial terms based on the Group's credit policy. Taking into account the satisfactory financial background of the Borrower and that a stable revenue and cashflow stream from the interest income is expected, the Directors consider that the terms of the Loan Agreement are fair and reasonable and the entering into of the Loan Agreement is in the interests of the Company and its Shareholders as a whole.

LISTING RULES IMPLICATIONS

As the applicable percentage ratios under Rule 14.07 of the Listing Rules in respect of the Loan granted to the Borrower under Loan Agreement exceed 5% but are less than 25%, the grant of the Loan constitutes a discloseable transaction for the Company under Chapter 14 of the Listing Rules.

It is required under Rule 14.58(2) of the Listing Rules to disclose the identities of the Borrower. Since (i) the Loan is not regarded as a material transaction of the Company as compared to the Company's overall financial position; (ii) the Company has practical difficulties in complying with the aforesaid disclosure requirement as the Borrower and its ultimate beneficial owner have confirmed to the Group that they will not consent to the disclosure of their identities in this announcement; (iii) the disclosure of the identities of the Borrower does not reflect its financial standing or repayment abilities and thus will serve little purpose in assisting the Shareholders to evaluate their creditworthiness and the risks and exposure of the Loan; and (iv) the Company has made alternative disclosures in respect of the Loan in this announcement, including but not limited to the details of the collateral and the loan-to-value ratio of the collateral in respect of the Loan, which would be much more meaningful for the Shareholders in assessing the risk and exposure of the Loan and the repayment abilities of the Borrower, the Company has applied to, and been granted by, the Stock Exchange for a waiver from strict compliance with Rule 14.58(2) of the Listing Rules.
