POSITIVE PROFIT ALERT

This announcement is made by Hopson Development Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to the inside information provisions under Part XIVA of the Securities and Futures Ordinance (Cap 571 of the Laws of Hong Kong) and Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

Based on the unaudited consolidated management accounts of the Group for the six months ended 30 June 2018, the board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company and potential investors that the Group is expected to record an increase in the consolidated profit for the six months ended 30 June 2018 by more than 90% as compared with the profit recorded for the corresponding period in 2017. The expected increase in consolidated profit attributable to equity holders of the Company for the six months ended 30 June 2018 is primarily due to the increase in the recognised revenue from the sale of properties and rental income from investment properties of the Group, and a gain arising from a higher revaluation of the Group’s investment properties during the six months period ended 30 June 2018, as compared with that for the corresponding period in 2017.

The information contained in this announcement is only based on the assessment by the Board by reference to the unaudited management accounts of the Group for the six months ended 30 June 2018 and the financial information that is available as at the date of this announcement. The information contained in this announcement is not based on any figures or information that has been audited or reviewed by the external auditor of the Company. The interim results announcement of the Company for the six months ended 30 June 2018 is expected to be released on 31 August 2018.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
